Transatlantic Malagueñas and Zapateados in Music, Song and Dance Walter Aaron Clark, K. Meira Goldberg, 2019-06-20 Transatlantic Malagueñas and Zapateados is an exploration of two fandango dances recording the circulations of people imagery music and dance across what were once the Spanish and Portuguese Empires Although these dance musics seem to be mirror images the unbreachable space between them reflects the political fault lines along which nineteenth century musical populism and folkloric nationalism extend into present day debates about globalization immigration neoliberalism and neofascism If malagueñas are a fantastic incarnation of Spanishness caught like a fly in amber by their anachronistic references to a fraught imperial past noisy and raucous zapateado dances cut toward the future Inherently marked by European conventions of zapatos shoes zapateados are nonetheless shaped by Africanist and Native American footwork traditions In these Afro Indigenous mestizajes not only are European aesthetic values reordered and resignified but the Catholic catechism which indoctrinated the New World yields to alternate spiritual systems springing out of a culture of resistance to European domination

Island Possessed Katherine Dunham,2012-05-16 Just as surely as Haiti is possessed by the gods and spirits of vaudun voodoo the island possessed Katherine Dunham when she first went there in 1936 to study dance and ritual In this book Dunham reveals how her anthropological research her work in dance and her fascination for the people and cults of Haiti worked their spell catapulting her into experiences that she was often lucky to survive Here Dunham tells how the island came to be possessed by the demons of voodoo and other cults imported from various parts of Africa as well as by the deep class divisions particularly between blacks and mulattos and the political hatred still very much in evidence today Full of the flare and suspense of immersion in a strange and enchanting culture Island Possessed is also a pioneering work in the anthropology of dance and a fascinating document on Haitian politics and voodoo
