Bern Book Vincent O. Carter, 2022-05-17 The Bern Book is a travelogue a memoir a diary of an isolated soul Darryl Pinckney and a meditation on the myth and reality of race in midcentury Europe and America In 1953 having left the US and settled in Bern Switzerland Vincent O Carter a struggling writer set about composing a record of a voyage of the mind The voyage begins with Carter's furiously good humored description of how every time he leaves the house he must face the possibility of being asked the hated guestion namely Why did you a black man born in America come to Bern It continues with stories of travel war financial struggle the pleasure of walking the pain of self loathing and through it all various experiments in what Carter calls lacerating subjective sociology Now this long neglected volume is back in print for the first Energy of Delusion Виктор Шкловский, 2007 One of the greatest literary minds of the twentieth century Viktor Shklovsky writes the critical equivalent of what Ross Chambers calls loiterature writing that roams playfully digresses moving freely between the literary work and the world In Energy of Delusion a masterpiece that Shklovsky worked on over thirty years he turns his unique critical sensibility to Tolstoy's life and novels applying the famous formalist method he invented in the 1920s to Tolstoy s massive body of work and at the same time taking Tolstoy as well as Boccaccio Pushkin Chekhov Dostoevsky and Turgenev as a springboard to consider the devices of literature how novels work and what they do Available in English for the first time Energy of Delusion provides contemporary readers with a new way of thinking about how great literature is written and how great criticism might be that is as timely today as ever Paradox of Freedom Shiva Rahbaran, 2007 As the first book length study of Nicholas Mosley The Paradox of Freedom combines a discussion of the author's incredible biography with an investigation of his writing nearly all of which is published by Dalkey Archive Press The son of Oswald Mosley the leader of Britain's fascistic Blackshirts a British Lord a Christian convert a war veteran a voracious reader and an important thinker Nicholas Mosley has this book argues employed all of these experiences and ideas in novels and memoirs that seek to describe the paradoxical nature of freedom how can man be free when limiting structures are necessary Can it be achieved and how The answer lies in the books themselves in the ways telling and re telling stories allows one to escape the seemingly logical bounderies of life and discover new meanings and possibilities. This is a much needed companion to the work of one of Britain's most important post War writers The Oxford Handbook of Dionysius the Areopagite Mark Edwards, Dimitrios Pallis, Georgios Steiris, 2022-02-25 This Handbook contains forty essays by an international team of experts on the antecedents the content and the reception of the Dionysian corpus a body of writings falsely ascribed to Dionysius the Areopagite a convert of St Paul but actually written about 500 AD The first section contains discussions of the genesis of the corpus its Christian antecedents and its Neoplatonic influences In the second section studies on the Syriac reception the relation of the Syriac to the original Greek and the editing of the Greek by John of Scythopolis are followed by contributions on the use of the corpus in such Byzantine authors as Maximus the Confessor John of Damascus

Theodore the Studite Niketas Stethatos Gregory Palamas and Gemistus Pletho In the third section attention turns to the Western tradition represented first by the translators John Scotus Eriugena John Sarracenus and Robert Grosseteste and then by such readers as the Victorines the early Franciscans Albert the Great Aguinas Bonaventure Dante the English mystics Nicholas of Cusa and Marsilio Ficino The contributors to the final section survey the effect on Western readers of Lorenzo Valla's proof of the inauthenticity of the corpus and the subsequent exposure of its dependence on Proclus by Koch and Stiglmayr The authors studied in this section include Erasmus Luther and his followers Vladimir Lossky Hans Urs von Balthasar and Jacques Derrida as well as modern thinkers of the Greek Church Essays on Dionysius as a mystic and a political theologian conclude the volume <u>Isle of the Dead</u> Gerhard Meier, 2011 Originally published in German as Toteninsel in 1979 Ravel the Decadent Michael J. Puri, 2012-01-23 The music of Maurice Ravel 1875 1937 beloved by musicians and audiences since its debut has been a difficult topic for scholars The traditional stylistic categories of impressionism symbolism and neoclassicism while relevant have offered too little purchase on this fascinating but enigmatic work In Ravel the Decadent author Michael Puri provides an innovative and productive solution by locating the aesthetic origins of this music in the French Decadence and demonstrating the extension of this influence across the length of his oeuvre From an array of Decadent topics Puri selects three memory sublimation and desire and uses them to delineate the content of this music pinpoint its overlap with contemporary cultural discourse and link it to its biographical context as well as to create new methods altogether for the analysis and interpretation of music Ravel the Decadent opens by defining the main concepts giving particular attention to memory and decadence It then stakes out contrasting modes of memory in this music a nostalgic mode that views the past as forever lost and a more optimistic one that imagines its resurrection and reanimation Acknowledging Ravel's lifelong identity as a dandy a figure that embodies the Decadence and its aspiration toward the sublime Puri identifies possible moments of musical self portraiture before stepping back to theorize dandyism in European musical modernism at large He then addresses the dialectic between desire and its sublimation in the pairing of two genres the bacchanal and the idyl and leverages the central trio of concepts to offer provocative readings of Ravel s two waltz sets the Valses nobles et sentimentales and La valse Puri concludes by invoking the same terms to identify a topic of faun music that promises to create new common ground between Ravel and Debussy Rife with close readings that will satisfy the musicologist Ravel the Decadent also suits a more general reader through its broadly humanistic key concepts immersion in contemporary art and literature and clarity of language The Laurels of Lake Constance Marie Chaix, 2012-07-19 Marie Chaix loves her father Albert who was one of the first French citizens to join the Fascist party in 1936 and became a collaborator with the Germans but must come to terms with his catastrophic political career Literature and Cinematography Viktor Shklovskii, 2008 In this essay a leading figure of the Russian Formalist movement of the 1910s and 1920s enunciates the function of the arts what they are and more importantly what they are not His views of the other arts

lead him into speculations about cinematography which was just emerging at the time of writing 1923 Best European Fiction 2012 (Best European Fiction) Aleksandar Hemon, 2011-11-08 Translated from more than 25 languages and highlighting the future luminaries and revolutionaries of international literature Fans of the series will find everything they ve grown to love while new readers will discover what they ve been missing The Book of Jokes Momus, 2009 Channeling the spirits of Chaucer Rabelais Flann O Brien and Gian Francesco Poggio Bracciolini the Vatican secretary who compiled the first known book of jokes in 1451 The Book of Jokes is a happy raspberry in the face of life as we know and tell it BOOK Barley Patch Gerald Murnane, 2011-09-20 Barley Patch takes as its subject the reasons an author might abandon fiction or so he thinks forever Using the form of an oblique self interrogation it begins with the Beckettian question Must I write and expands from this small personal query to fill in the details of a landscape entirely unique in world letters a chronicle of the images from life and fiction that have endured and mingled in the narrator s mind as well as the details and details within details that these contain As interested if not more so in the characters from his books finished or unfinished as with the members of his family or with his daily life the narrator lays bare the act of writing and imagining at last giving us a glimpse of the mythical place where fictional characters dwell before they come into existence in books P 4 of cover System of Vienna Gert Jonke, 2009 The System of Vienna details Gert Janke's travels through Vienna by streetcar reporting the bizarre and frustrating encounters he experiences as he progresses and meanwhile moving not just from trolley stop to trolley stop but through life as well from innocence to disillusionment birth to death Ionke meets a paranoiac fish wholesaler who believes he is directing all of Austrian politics from his little stall a stamp collector in such deadly earnest he hopes to be appointed to a professorship in philately and a compulsive talker who has developed a rigorous economic philosophy out of the most common objects to be found in a Vienna neighborhood Slowly increasing the comic and fantastic elements in his story until they overwhelm all pretense to autobiography culminating in a strangely touching love scene between Ionke and a caryatid The System of Vienna reminds us that the very act of describing a life turns it into fiction Book Jacket Place Names Jean Ricardou, 2007 Which came first words or things Are your words yours or someone else s And what do the Crusades have to do with it And what do ants have to do with it Jean Ricardou has been given something of a bad rap he s widely seen as a difficult writer or worse yet as an intensely serious one However he easily sheds this weighty reputation in his hilariously playful new novel about the notoriously complex world of literary theory Supplying his readers with everything they need to know to navigate this world Ricardou uses his own irreverent interpretation of deconstructive theory to ask questions about language and history theory and life and all the intriguing connections between them Fence ,2000

<u>Epistolary Encounters in Neo-Victorian Fiction</u> K. Brindle,2014-01-24 Neo Victorian writers invoke conflicting viewpoints in diaries letters etc to creatively retrace the past in fragmentary and contradictory ways This book explores the complex desires involved in epistolary discoveries of hidden Victorians offering new insight into the creative synthesising of critical

thought within the neo Victorian novel Our Circus Presents-- Lucian Dan Teodorovici, 2009 Every day the Birdman performs the same ritual he climbs out onto his window ledge to see if he can manage to kill himself and never does The Birdman is a member of a loose knit group of failed suicides each pursuing absurd ways to end their lives one saving up lost dog reward money to buy enough good whiskey to drink himself to death another hoping to contract a fatal disease by sleeping with as many women as possible Just when it seems these routines will continue indefinitely the Birdman meets a professional suicide the dangerous and inscrutable man with orange suspenders who makes a living by trying to hang himself whenever he sees a potential rescuer approaching This chance encounter which leads at last to a real death will force the Birdman to confront the roots of his desire to escape from life and to see firsthand that dying is more than just a rehearsal Book Jacket Siamese Stig Sæterbakken, 2010 This is a brutally comic portrait of marriage taken to extremes reminiscent of the work of Samuel Becket and Thomas Bernhard It tells how Edwin Mortens who is almost blind and paralyzed from the waist down dedicates his days to chewing gum and screaming at his wife Western Christine Montalbetti, 2009 A story of a mysterious cowboy a stranger in town *Ishmael Reed*, Ishmael Reed, 2009-09-02 The preacher and the rapper is one of Reed s most stinging criticisms of Christianity **Running Away** Jean-Philippe Toussaint, 2009 An unnamed man travels to Shanghai ostensibly on vacation but finds himself increasingly unmoored from his life and identity Caught in a jet lag reality he stumbles from adventure to adventure allowing himself to be led not by sense or instinct but by the onrush of experience until a call from home jars him back into his life with all of its own confusions In Running Away the Chaplinesque slapstick of Jean Philippe Toussaint's acclaimed early works The Bathroom and Camera is replaced by an ever unfolding fabric of coincidences and misapprehensions both particularly modern and utterly real The mature Toussaint shows himself to be no less ingenious an inventor of existential dilemmas but with a new surprising tenderness and a deepened concern for the inexpressible immediacy and sensuality of human experience Book Jacket
