Horror Noire Robin R. Means Coleman, 2013-03-01 From King Kong to Candyman the boundary pushing genre of the horror film has always been a site for provocative explorations of race in American popular culture In *Horror Noire Blacks in American Horror Films from 1890 s to Present* Robin R Means Coleman traces the history of notable characterizations of blackness in horror cinema and examines key levels of black participation on screen and behind the camera She argues that horror offers a representational space for black people to challenge the more negative or racist images seen in other media outlets and to portray greater diversity within the concept of blackness itself *Horror Noire* presents a unique social history of blacks in America through changing images in horror films Throughout the text the reader is encouraged to unpack the genre s racialized imagery as well as the narratives that make up popular culture s commentary on race Offering a comprehensive chronological survey of the genre this book addresses a full range of black horror films including mainstream Hollywood fare as well as art house films Blaxploitation films direct to DVD films and the emerging U S hip hop culture inspired Nigerian Nollywood Black horror films *Horror Noire* is thus essential reading for anyone seeking to understand how fears and anxieties about race and race relations are made manifest and often challenged on the silver screen

Hannibal Lecter's Forms, Formulations, and Transformations Jessica Balanzategui, Naja Later, 2020-12-17 This book examines how the iconic character Hannibal Lecter has been revised and redeveloped across different screen media texts Hannibal The Cannibal Lecter has become one of Western culture s most influential and enduring models of monstrosity since his emergence in 1981 in *Red Dragon* Thomas Harris first Lecter book Lecter is now at the centre of an extensive cross mediated mythology the most recent incarnation of which is Bryan Fuller s television program *Hannibal* NBC 2013 2015 This acclaimed series is the focus of *Hannibal Lecter s Forms Formulations and Transformations* which examines how Fuller s program harnesses the iconic character to experiment with traditional boundaries of genre medium taste and narrative form Featuring chapters from established and emerging screen and popular culture scholars from around the world the book outlines how the show operates as a striking experiment with televisual form and formula The book also explores how this experimentation is embodied by the boundary defying character the savage cannibalistic serial killer practicing psychiatrist and cultured art enthusiast Hannibal Lecter The chapters in this book were originally published as a special issue of the journal *Quarterly Review of Film and Video*

Sources and Methods in the History of Sexuality Anna Clark, Elizabeth W. Williams, 2024-09-12 *Sources and Methods in the History of Sexuality* outlines some of the challenges of retracing sexual acts identities and desires in the past and shows how historians have responded to these methodological challenges with ingenuity and creativity The volume acknowledges that the history of sexuality poses particularly interesting challenges in relation to

sources due the peculiar nature of sexuality On one hand sexuality is frequently hidden and private its practices often unknown denied and evaded its desires fleeting or obsessive its reality confused or illuminated by fantasy yet on the other sexuality consistently breaks into the public sphere through moral panics waves of persecution taxonomizing projects and medical juridical interventions With vivid case studies from renowned contributors the chapters provide different theoretical approaches along with more practical examples of how to study the history of sexuality The volume has a broad chronology from the ancient world to the present an extensive geography covering not only Europe and the Americas but also Latin America and Africa and also includes a variety of gender and sexual expressions The book also privileges texts that offer an intersectional approach asking how sex and sexualities were constructed alongside against other categories of difference With accessible writing this volume encourages the reader to think creatively about how to find evidence of sex sexuality in the past and will be of value to students as well as scholars interested in the history of sexuality **CMJ New Music Report**
