with confidence and to give competent lessons Topics covered include tenses relative clauses conditionals reported speech modal verbs comparative adjectives the passive voice and many other important structures This grammar book is now updated with 11 new chapters     Learning to Teach Grammar Simon Haines,2020-05-11 Learning to Teach Grammar is the ideal companion for anyone looking for fresh hands on ideas on teaching grammar in their classrooms particularly trainee English language teachers or those recently qualified looking to increase their confidence in teaching grammar Learning to Teach Grammar can be used both for self study or as a coursebook for groups in training It consists of an introduction ten units based on specific areas of grammar and a glossary     ETpedia Grammar Daniel Barber,Ceri Jones,2018-06-26 ETpedia Grammar provides English language teachers with a wide range of techniques tips ideas and activities to help you plan and deliver lessons with grammar With 50 units covering key areas of grammar each unit contains a set of 10 preparation friendly activities which provide the perfect starting point for new teachers and offer inspiration to more experienced teachers This resource also contains printable worksheets and space to write your own tips ETpedia Grammar is a one stop resource for teaching English language grammar It s full of practical ideas inspiration tips and classroom activities     **You Can Teach Grammar** Claudia Bertotto,Jimena del Azar-Pintaric,Margaret Hurley,2013-06 Teaching English to speakers of other languages TESOL requires knowledge of content grammar vocabulary pronunciation and methods lesson planning classroom management Many TESOL teacher training programs assume that trainees have sufficient content knowledge and therefore focus on methodology Unfortunately the assumption of content knowledge is often a bad one Many TESOL graduates enter the work force without a sufficient grounding in English fundamentals You Can Teach Grammar is a self contained TESOL grammar course book It covers all the parts of speech and major sentence structures and provides self practice quizzes to check comprehension In addition the book directly addresses common classroom problems associated with each grammar topic In the classroom knowledge of the grammar alone is insufficient Imparting English grammar skills in memorable and meaningful ways can be tricky particularly for new teachers For this reason You Can Teach Grammar includes a variety of teaching ideas for each grammar topic You Can Teach Grammar is designed as both a course book and a general reference Its logical layout and detailed indexing make it a useful resource for teachers in the field as well as for teachers in training     **Teaching English: 44 Games and Activities for an Active Classroom** L. Houghton,2017-06-29 About this bookThere are a vast array of methodologies and theories swirling around the EFL industry these days from CLIL to TBLT to PPP to a hundred other acronyms This is not a book about these Within this book you will find a collection of 44 activities that can be used within any classroom While most often communicative in nature this collection was not formed with only the communicative based lesson in mind Instead these are activities that can be used as warm ups reviews or adapted to fit in with different stages of a lesson plan Their aim is to provide EFL teachers with ways to make their classroom enjoyable and to leave students with a positive impression of a class that makes them want to return The activities have not

been divided into skills based categories and in fact depending on how the activity is carried out the skills focus may well change. The activities have also not been divided into age ranges or ability levels and again most can be adapted to suit any level and age. Instead the activities have been divided into where the focus of the activity is carried out in the classroom whether the activity is based around groups at tables at the board moving around the classroom standing in circles or using a smart board or projector. Each activity has a number of adaptations and variations described along with it. This may be an unusual approach but this collection was written with teachers who already have a good grasp of language teaching in mind and are looking for fun easy to prepare activities to regulate the flow and energy levels of a class. **Fifty Ways to Teach**

**Grammar** Maggie Sokolik, 2018-06-04 Many textbooks do a fine job of presenting grammar to students. However some students or classes need more practice after they've finished the exercises in their textbook. This guide provides imaginative and enjoyable games, drills and activities to practice different grammatical structures such as verb tenses, articles, phrasal verbs, pronouns, relative clauses, modals, word forms, syntax and more. This book is divided into three categories: a. Reading writing exercises, b. Speaking activities, c. Fun games. Enliven your classes with information gaps, poems, game shows, guessing games, substitution drills, writing prompts, discussion topics and more. The Fifty Ways to Teach series gives you a variety of drills, games, techniques, methods and ideas to help your students master English. Most of the ideas can be used for both beginning and advanced classes. Many require little to no preparation or special materials. The ideas can be used with any textbook or without a textbook at all. These short practical guides aim to make your teaching life easier and your students' lives more rewarding and successful. Grammar Practice Activities Penny Ur, 1988-12-15 A guide to combining grammar teaching with a broadly communicative methodology.
