Rethinking Leadership Kurt A. April, Robert Macdonald, Sylvia Vriesendorp, 2000 In the twenty first century leaders are having to speak a new language create fluid organic structures and recognise organisations as systems with self renewing capacity This book explores what real leadership means encouraging the reader to look within **The Inside Game** Wayne Embry, Mary Schmitt Boyer, 2004 In the fall of 1999 Wayne Embry was so highly thought of by his peers that he was inducted into the Basketball Hall of Fame as a contributor to the game In the summer of 1999 the Cleveland Cavaliers thought so little of him that they replaced him as general manager Now in his new autobiography The Inside Game Embry who was once sent home from a game when a bullet was found on his seat tells the inside story of his fall from grace and the part he believes racism played in it He deals with the unsavory dealings that led to his departure from the Cavs and introduces startling information about one of the most highly regarded coaches in the league He discusses the social and economic changes affecting the league and other problems threatening to destroy it His book is part historical perspective part inside look behind the scenes part business strategy and part social commentary **The Executive Update** Ian Mann, 2017-02-03 Business ideas and practices are constantly changing but no manager has the time to read all the business books and articles that come out in a year In this book Ian Mann does all the work for you trawling through recent business publications and distilling the most important new insights and developments The Executive Update covers topics such as technology and mechanisation the structure of organisations obligations to stakeholders other than shareholders leadership the changing nature of work psychology in business creativity the importance of simplicity and the strange world of money and banking and strategy in a fast changing world These subjects are explored in a clear comprehensible way and presented in easily digestible and thought provoking chapters This is the ideal book for people who want an easy way to keep up with the latest developments in business and management thinking and will appeal to junior managers and senior executives alike The Inspiration Code Kristi Hedges, 2017-06-01 Everyone wants to be the kind of leader who energizes and mobilizes others yet too few are Why is it so challenging to crack the code All it takes is the right conversation great leaders inspire action with their words They spark enthusiasm and commitment With a single conversation they can change the direction of someone's

life Executive coach Kristi Hedges spent years studying exactly what inspiring leaders do differently Informed by quantitative research and thousands of responses from leaders at all levels she reveals that inspiring communication isn't about grand gestures Instead those who motivate us most do a few things routinely consistently and intentionally In Inspiration Code Kristi explains Present investing their attention carefully and guiding the flow of conversations Personal speaking genuinely listening generously and bringing out the potential of those around the Passionate exhibiting sincere emotion and exuding energy attuned to the situation Purposeful helping others find meaning and see their place in the bigger picture Eye opening and accessible The Inspiration Code dispels common myths about how leaders communicate and guides them in cultivating qualities that authentically excite Inspired companies need inspirational leaders Learn to unlock motivation lift people's sights and lead them into the future Leadership At Scale Claudio Feser, Michael Rennie, Nicolai Chen Nielsen, 2018-12-04

Traditional approaches to leadership development focus on a small number of individuals at the top However in today's world of constant change and decentralized decision making organizations need effective leaders at all levels of their organizations That requires a much broader and deeper pool of leadership talent and most organizations fall far short of what they need Leadership at Scale defines a new approach In it top experts at McKinsey the world's number one leadership factory expose the secrets of how to drive leadership development that reaches the entire organization adapts to diverse contexts and achieves impact at scale Grounded in extensive research and the global experience of 25 leadership experts and illustrated with a fictional step by step case with numerous real life examples this book provides leaders with the systematic and fact based approach they need to unlock organizational performance through leadership effectiveness Leadership Team Coaching Peter Hawkins, 2021-06-03 FINALIST Goody Business Book Awards Leadership Team Building Organizations are most effective when the teams responsible for their success work together collectively and in a dynamic relationship with the rest of the company For those involved in developing leadership teams understanding coaching practices and techniques is essential for enabling the best performance Leadership Team Coaching provides a comprehensive roadmap for team coaching explaining all the key elements alongside practical tools and techniques for developing international and virtual teams executive and non executive boards and project and account teams in all types of organizations Featuring case studies and insights from organizations including Deloitte and General Electric GE it also contains guidance on choosing the best team coach creating a team based culture and common pitfalls to avoid This fully updated fourth edition of Leadership Team Coaching contains new material on agile teaming using digital team coaching apps and AI and training team leaders to coach their own team It remains an indispensable resource for coaches and senior leaders as well as for those studying coaching as part of a degree or coaching qualification **Catch the Magic: Athletics the Mental Game** Edward Spooner, 2013-08-06
