wants to know what to do to be successful But if you're wondering what you should NOT do here's all you need to know Ron Dwinneels sought leadership skills from early on in his career and *Don't Pick Up All the Dog Hairs* is the delightful and informative culmination of that search If you're looking for insights into how to deal with situations and enhance your life at home and in your career Dwinneels delivers with advice via chapters with names like *Don't Fly with Turkeys* *Don't Dress like a Warthog* *Don't Be a Joke* and *Don't Run Over the Cat* *Don't Pick Up All the Dog Hairs* began serendipitously while Dwinneels was teaching public health and leadership classes at a local medical school He advised his students what not to do as a leader through entertaining stories from his own very unique background conveying lessons he had learned from failures adversities mistakes and even enemies from leadership experiences along the way The lecture series became so popular with students it won him accolades and several teaching awards and pressure to write his stories down Dr Dwinneels a pediatrician and certified physician executive did just that and we're the beneficiaries But don't let the clever chapter titles fool you *Don't Pick Up All the Dog Hairs* is full of serious wisdom in chapters like *Don't Fail to Prioritize* *Don't Be a Manager When You Are Supposed to Be a Leader* and *Don't Drain the Emotional Bank Account* So put down the vacuum and enjoy some advice and laughter while learning to be your best Ron Dwinneels is the CEO of ONE Health Ohio an integrated community health center program serving the medically uninsured underinsured and underserved populations in northeast Ohio His clinics have served over one million patients during his 35 years at the helm

Be Your Future Self Now Dr. Benjamin Hardy, 2022-06-14 This isn't a book about BECOMING it's about BEING noted psychologist Dr Benjamin Hardy shows how to imagine the person you want to be then BE that person now When you do this your imagined FUTURE directs your behavior rather than your past Who is your Future Self That question may seem trite But it's literally the answer to all of your life's questions It's the answer to what you're going to do today It's the answer to how motivated you are and how you feel about yourself It's the answer to whether you'll distract yourself on social media for hours whether you'll eat junk food and what time you get up in the morning Your imagined Future Self is the driver of your current reality It is up to you to develop the ability to imagine better and more expansive visions of your Future Self Your current view of your Future Self is very limited If you seek learning growth and new experiences you'll be able to imagine a different and better Future Self than you currently can It's not only useful to see your Future Self as a different person from who you are today but it is also completely accurate Your Future Self will not be the same person you are today They will see the world differently They'll have had experiences challenges and growth you currently don't have They'll have different goals and priorities They'll have different habits They'll also be in a different world a world with different cultural values different technologies and different challenges
