The Book of Women Osho, 2014-08-05 In The Book of Women A Celebration of Women and the Female Spirit one of the twentieth century's greatest spiritual teachers discusses the importance and value of feminine strengths The woman should search into her own soul for her own potential and develop it and she will have a beautiful future Osho Osho explores the role of women in our society Up until now he says both religious institutions and politics have remained male dominated not only male dominated but male chauvinistic This has created so many of the crises that we see in the world now brought about by excesses of ambition competitiveness and greed In these pages Osho challenges readers to reclaim and assert the feminine qualities of love joy and celebration to bring a reunion of the intellect

Learning to Silence the Mind

Osho,2012-08-21 One of the twentieth century s greatest spiritual teachers will show you how to quiet your constant worrying thoughts in Learning to Silence the Mind Wellness Through Meditation The mind says Osho has the potential to be enormously creative in dealing with the challenges of everyday life and the problems of the world in which we live The difficulty however is that instead of using the mind as a helpful servant we have largely allowed it to become the master of our lives Its ambitions belief systems and interpretations rule our days and our nights bringing us into conflict with minds that are different from ours keeping us awake at night rehashing those conflicts or planning the conflicts of tomorrow and disturbing our sleep and our dreams If only there was a way to switch it off and give it a rest Finding the switch that can silence the mind not by force or performing some exotic ritual but through understanding watchfulness and a healthy sense of humor is meditation A sharper more relaxed and creative mind one that can function at the peak of its unique intelligence is the potential The book includes a link to tutorials on OSHO Nadabrahma Meditation Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

The Power of Love

Osho,2016-07-19 Explore the emotional sensations of the many facets of love and affection that bring people together with one of the twentieth century s greatest spiritual teachers One of the most important life events is falling in love yet we never learn about it in school Societies and religions force us into models and thought forms that are often in opposition to an organic model of love which is instead institutionalized by marriage religious affiliations and nationalism This results in love that is for most people a painful challenge in one form or another throughout life In these modern days where the focus shifts more and more to realizing one s individual potential Osho s The Power of Love What Does It Take for Love to Last a Lifetime helps us to direct our search for love by widening our view showing us that love has many manifestations and is not limited to the other One manifestation of love is meditation a life changing experience that allows the flowering of real love within oneself and toward others Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by

the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world Moral, Immoral, Amoral Osho,2013-03-12 Discover the path to universal values and inner connectivity in a world divided by religion nation and race I don t say cultivate morality I say become more conscious and you will be moral But that morality will have a totally different flavor to it It will be spontaneous it will not be ready made Osho In our globalized world we seek universal values that transcend the divisions of religion nationality and race In Moral Immoral Amoral What Is Right and What Is Wrong spiritual teacher Osho guides us on a quest for values that resonate in our contemporary lives a journey that goes beyond moral codes and springs from an inner connection with existence Osho challenges readers to question conditioned beliefs and prejudices that limit their ability to fully embrace life s richness Through his teachings on consciousness meditation and awareness Osho offers a path to break free from these constraints and find a morality rooted in mindfulness and spiritual living Described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Osho s influence continues to grow reaching seekers in virtually every country worldwide **Fear** Osho,2012-10-16 One of the greatest spiritual teachers of the twentieth century invites you on a journey through what makes human beings afraid and how confronting fears strengthens us In Fear Understanding and Accepting the Insecurities of Life Osho takes the reader step by step over the range of what makes human beings afraid from the reflexive fight or flight response to physical danger to the rational and irrational fears of the mind and its psychology Only by bringing the light of understanding into fear s dark corners he says airing out closets and opening windows and looking under the bed to see if a monster is really living there can we begin to venture outside the boundaries of our comfort zone and learn to live with and even enjoy the fundamental insecurity of being alive Fear features a series of meditation experiments designed to help readers experience a new relationship with fear and to begin to see fears not as stumbling blocks but as stepping stones to greater self awareness and trust Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world *Innocence, Knowledge, and Wonder* Osho,2011-05-10 One of the greatest spiritual teachers of the twentieth century encourages you to embrace your childlike curiosity and reconnect it to your adult sensibilities Innocence Knowledge and Wonder What Happened to the Sense of Wonder I Felt as a Child looks to each person s last state of innocence childhood to recover the ability to truly be curious Osho discusses why it is important to look to our
