Family Planning Jsk:

India's Family Planning Programme Leela Visaria, Rajani R. Ved, 2016-01-29 This book closely examines the changes challenges and shifts in India's family planning programme since its inception in 1952 It discusses the dynamics of population growth the demographic dividend family planning and its impact on maternal and child health and the pressures from various quarters to remove method specific contraceptive targets from the programme The volume highlights the shortcomings in the delivery of services by the public sector and the critical role of non government organisations in research promotion and advocacy Rich in empirical data this book will be an indispensable resource for scholars policymakers organisations and NGOs concerned with population and demographic studies It will also interest those in sociology public policy and public health

Family Planning Communication in India Shashwati Goswami, 2023-09-08 This book is the first systematic study on the historiography of the family planning communication process in India It traces the history of the development of a highly technical health communication process It discusses how the discourse on India's population problem was at the heart of the development dialogue which was being promoted by the British colonial administration The book examines the role of the censuses and the Five Year plans in the development of the discussion on the population explosion in India Also it critically discusses the role of the Ford Foundation's leadership in institutionalising the communication process in India The book essentially argues that population control communication enabled the ideas of a homogenised nation an ideal Indian woman and an ideal Indian family This in turn led to the obliteration of cultural ethnic geographical and economic specificities of India as a country The volume will be of great interest to scholars and researchers of public policy media and communication studies Indian politics modern Indian history and South Asian Studies
