Reviving Ophelia Book Flag Random House Publishing Group, 1995-05-01 **Reviving Ophelia** Mary Ph Pipher, 2010-12-15 **Reviving Ophelia** Mary Bray Pipher, 1995 This volume takes a look at the effects of societal pressures on American adolescent girls and utilizes many case studies from the author's experience as a therapist The book has been described as a call to arms and highlights the increased levels of sexism and violence that affect young females The author asserts that whilst the feminist movement has aided adult women to become empowered teenagers have been neglected and require intensive support due to their undeveloped maturity She examines many of the dangerous and devastating realities that face young girls today dysfunctional families incest abuse introduction to sex too soon eating disorders and tells how to confront and understand them **Reviving Ophelia** Mary Pipher, 2010-12-15 Why are adolescent girls prone to depression eating disorders addictions and suicide attempts than ever before Mary Pipher believes adolescence is an especially precarious time for girls a time when the fearless outgoing child is replaced by an unhappy and insecure teenager Her view is that for the most part it is our look obsessed media saturated girl poisoning culture and not parents which is to blame Despite the advances of feminism escalating levels of sexism and violence cause girls to stifle their creative spirit and natural impulses which ultimately destroys their self esteem Yet it is often their families that are blamed Here for the first time are the girls' unmuted voices By laying bare their harsh day to day reality Reviving Ophelia offers parents compassion strength and strategies with which to revive these Ophelias' lost sense of self *"Raising Sexually Pure Kids"* Claire Greslé-Favier, 2009-01-01 *Raising Sexually Pure Kids* Sexual Abstinence Conservative Christians and American Politics analyzes pro abstinence discourses issued by the conservative Christian community and the G W Bush administration to underline that abstinence is not a peripheral matter but is a cultural and political issue of great significance in US society

especially in the past decade This book seeks to bring to light how pro abstinence discourses coalesce most of the core agendas of conservative Christians like creationism parental rights or the culture war and enabled them and the Bush administration to on the one hand preserve traditional hierarchies and on the other hand maintain the sense of threat necessary to the protection of the status quo and to the enduring commitment of the conservative Christian constituency
