Richard M Nixon A Life In Full Conrad Black:

Richard M. Nixon Conrad Black, 2008-10-23 From the late 1940s to the mid 1970s Richard Nixon was a polarizing figure in American politics admired for his intelligence savvy and strategic skill and reviled for his shady manner and cutthroat tactics Conrad Black whose epic biography of FDR was widely acclaimed as a masterpiece now separates the good in Nixon his foreign initiatives some of his domestic policies and his firm political hand from the sinister in a book likely to generate enormous attention and controversy Black believes the hounding of Nixon from office was partly political retribution from a lifetime's worth of enemies and Nixon's misplaced loyalty to unworthy subordinates and not clearly the consequence of crimes in which he participated Conrad Black's own recent legal travails though hardly comparable have undoubtedly given him an unusual insight into the pressures faced by Nixon in his last two years as president and the first few years of his retirement

A Companion to Richard M. Nixon Melvin Small, 2013-05-03 This companion offers an overview of Richard M Nixon's life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central arguments and scholarly debates that surround his term in office Explores Nixon's legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project

Nixon's Secrets Roger Stone, 2014-08-11 Learn the inside scoop on Watergate the Ford Pardon and the 18 minute Gap Roger Stone The New York Times bestselling author of The Man Who Killed Kennedy the Case Against LBJ gives the inside scoop on Nixon's rise and fall in Watergate in his new book Nixon's Secrets Stone charts Nixon's rise from election to Congress in 1946 to the White House in 1968 after his razor thin loss to John Kennedy in 1960 his disastrous campaign for Governor of California in 1962 and the greatest comeback in American Presidential history Just as the assassination of JFK prevents a balanced analysis of Kennedy and his times the myth of Watergate prevents a reappraisal of our 37th President said Stone who's book on LBJ was the second biggest selling book during the 50th anniversary of Kennedy's murder Stone reveals how the Kennedy's wiretapped Nixon's hotel room the night before the Nixon Kennedy debate and stole Nixon's medical records from his psychiatrist's office Stone lays out how Kennedy running mate Lyndon Johnson stole Texas from JFK through vote fraud while Mayor Richard Daley stole Illinois and how JFK actually lost the popular vote Stone looks at the Nixon Presidency the desegregation of the public schools the progressive social programs Nixon's struggle to end the war in Vietnam the historic SALT arms reduction agreement with Russia the saving of Israel in the Six Days War the opening to China and the disastrous decision to take America off the Gold standard The mainstream media's interpretation of the facts surrounding the Watergate episode are a fantastic and grotesque distortion of historical truth said Stone cursory examination of the facts in Watergate will reveal that the actions which caused the fall of Nixon cannot be reduced to the simplistic account summarized by Bob Woodward and Carl Bernstein of the Washington Post The

author outlines how White House Counsel John Dean planned pushed and covered up the Watergate break in then sought to avoid responsibility for it Stone examines the bungled Watergate break in to determine what exactly Nixon s agents were looking for and how the CIA infiltrated the burglar team and sabotaged the break in to gain leverage over Nixon Find out why Nixon demanded the CIA turn over the records of the Bay of Pigs and Kennedy Assassination Learn how a cabal of military and intelligence hard liners spied on and undermined Nixon to stop his pro peace d tente foreign policy his withdrawal of troops from Vietnam his arms limitation agreement with the Soviets and his opening to Red China Discover how Vice President Spiro Agnew was setup to move him out of the line of presidential succession Stone makes the compelling case that General Alexander Haig orchestrated Nixon s removal from office in a coup d tat and brokered the deal for his pardon Finally the public will learn what is on the 18 minute gap in the White House Tapes Stone a Washington Insider for forty years outlines why FBI Man Mark Felt is not deep throat why there is no deep throat and why Bob Woodward and Carl Bernstein lie about it even today Stone reveals how Nixon used the dark secrets he knew to avoid prosecution by blackmailing Gerald Ford for a full free and unconditional pardon Nixon s secret would not only destroy his presidency it would save him from prison and allow him to launch his final comeback advising President Bill Clinton on Foreign Affairs despite Hillary s attempts to block him and her being fired from the 1974 House Impeachment Committee for lying and violating Nixon s rights

Nixon in New York Victor Li,2018-04-02 Richard Nixon s loss in the 1962 gubernatorial election in California was more than just a simple electoral defeat His once promising political career was in ruins as he dropped his second high profile race in as many years Nixon himself rubbed salt in his own self inflicted wounds by delivering a growling bitter concession speech that made him seem like a sore loser In the months following his defeat and self immolation he left California to move to New York so that he could work for a prestigious Wall Street law firm His new career only seemed to confirm what everyone already knew Richard Nixon was finished as a politician Except he wasn t Nixon s political resurrection was virtually unprecedented in American history role and he had his law firm to thank for paving his way to the White House His role as public partner at Nixon Mudge Rose Guthrie Alexander was the ideal platform for him as he looked to reinvent himself after his back to back losses in 1960 and 1962 Nixon s firm gave him access to deep pocketed clients many of whom became donors when he decided to take the plunge in 1968 Furthermore working for so many international clients allowed him to travel the world and burnish his foreign policy credentials a vital quality that voters were looking for as the Cold War raged on and the Vietnam War showed no signs of slowing down Nixon s time at the firm also allowed him to build a formidable campaign staff consisting of top notch lawyers researchers and writers a staff that did just about everything for him when it came time to ramp up for the 1968 campaign

On Nixon's Madness Zachary Jacobson,2023-03-28 Beginning with Nixon s Red baiting performances as a congressman on the House Un American Activities Committee Jacobson details Nixon s repeated reinventions which were always but not only in service to his political

goals Nixon he argues must be understood as a person caught between forces of temper and control protean in a way that makes his whole legacy difficult to assess

Planet Neptune and the Modern US Presidents: Franklin Roosevelt to Barack Obama Suzanne Angioli, 2016-04-05 While studying the astrological birth charts of all the US presidents I discovered that those of the thirteen modern US presidents from Franklin Roosevelt to Barack Obama all had the natal Sun the planet most associated with one's basic identity making an aspect certain designated degrees between two planets to their natal Neptune This was surprising since I would have thought that politicians particularly those aspiring to the presidency would have an overwhelming emphasis on the Sun Mars aspect but not on the Sun Neptune aspect What I discovered in my research was that good politicians are not warriors Sun Mars per se who use the techniques of warfare to muscle their way through adversity Rather they are good actors Sun Neptune who are essentially chameleons Sun Neptune operating in the foggy Neptune realm of subtlety Neptune and seduction using their sensitivity Neptune and charm Neptune to serve their intuitive Neptune sides to try to achieve their goals It became apparent that a good politician is excellent at assuming different roles in order to fit a given political situation and move his agenda forward The Sun in aspect to Neptune is not unusual but there is no aggregate population that has 100 percent of its members with this aspect like the modern presidents I was intrigued with this occurrence and thus set out to research their individual biographies to see just how this aspect played out in their lives After all it seemed to be almost a prerequisite for being elected to the modern Oval Office

Ballots, Bullets, and Bargains Michael H. Armacost, 2015-08-04 Drawing on twenty four years of experience in government Michael H Armacost explores how the contours of the U S presidential election system influence the content and conduct of American foreign policy He examines how the nomination battle impels candidates to express deference to the foreign policy DNA of their party and may force an incumbent to make wholesale policy adjustments to fend off an intra party challenge for the nomination He describes the way reelection campaigns can prod a chief executive to fix long neglected problems kick intractable policy dilemmas down the road settle for modest course corrections or scapegoat others for policies gone awry Armacost begins his book with the quest for the presidential nomination and then moves through the general election campaign the ten week transition period between Election Day and Inauguration Day and the early months of a new administration He notes that campaigns rarely illuminate the tough foreign policy choices that the leader of the nation must make and he offers rare insight into the challenge of aligning the roles of an outgoing incumbent who performs official duties despite ebbing power and the incoming successor who has no official role but possesses a fresh political mandate He pays particular attention to the pressure for new presidents to act boldly abroad in the early months of his tenure even before a national security team is in place decision making procedures are set or policy priorities are firmly established He concludes with an appraisal of the virtues and liabilities of the system including suggestions for modestly adjusting some of its features while preserving its distinct character **The Last Empire** Serhii Plokhy, 2015-05-07 BY THE AUTHOR OF CHERNOBYL HISTORY OF A TRAGEDY WINNER OF THE BAILLIE GIFFORD PRIZE 2018 WINNER OF THE

politicians civil rights leaders Hollywood stars labor bosses and mobsters during a pivotal year in American history The election of 1960 ushered in the modern era of presidential politics with televised debates private planes and slick advertising In fact television played a massive role More than 70 million Americans watched one or all four debates The public turned to television to watch campaign rallies And on the night of the election the contest between Kennedy and Nixon was so close that Americans were glued to their televisions long after dawn to see who won The election of 1960 holds stunning parallels to our current political climate There were potentially valid claims of voter fraud and a stolen election There was also a presidential candidate faced with the decision of whether to contest the result or honor the peaceful transfer of power
