*The Fluid Frame in Cinema* Pradipta Mukherjee, 2021-08-13 This book is a passionate rendezvous with cinema the most collaborative of art forms The essays here explore the possibilities offered by a close reading of cinema that keeps cultural contexts and their socio historical roots firmly in sight This collection does not consider the frame that oft referenced basic unit of vision in films as a limiting structure Rather it brings into purview what is left out Divided into three sections the essays look firstly at Indian cinema both Bollywood and regional films tracing the journey of Indian cinema from the periphery to the center The second section focuses on Adaptation Studies and takes an unorthodox look at classic adaptations of literature The final section is a reappraisal of directors like Alfred Hitchcock and Stanley Kubrick The essays propose that even though the film as an artwork does not change fundamentally over time it still strikes a contemporary critical gaze differently

**The Indian Partition in Literature and Films** Rini Bhattacharya Mehta, Debali Mookerjee-Leonard, 2014-12-17 This book presents an examination of fictional representations in books and films of the 1947 Partition that led to the creation of the sovereign nation states of India and Pakistan While the process of representing the Partition experience through words and images began in the late 1940s it is only in the last few decades that literary critics and film scholars have begun to analyse the work The emerging critical scholarship on the Partition and its aftermath has deepened our understanding of the relationship between historical trauma collective memory and cultural processes and this book provides critical readings of literary and cinematic texts on the impact of the Partition both in the Punjab and in Bengal The collection assembles studies on Anglophone writings with those on the largely unexplored vernacular works and those which have rarely found a place in discussions on the Partition It looks at representations of women s experiences of gendered violence in the Partition riots and how literary texts have filled in the lack of the human dimension in Partition histories The book goes on to highlight how the memory of the Partition is preserved and how the creative arts relation to public memory and its place within the public sphere has changed through time Collectively the essays present a nuanced understanding of how the experience of violence displacement and trauma shaped postcolonial societies and subjectivities in the Indian subcontinent Mapping the diverse topographies of Partition related uncertainties and covering both well known and lesser known texts on the Partition this book will be a useful contribution to studies of South Asian History Asian Literature and Asian Film

**The Revolution of Indian Parallel Cinema in the Global South (1968-1995)** Omar Ahmed, 2025-01-23 Drawing from over a decade of research and writings this book takes you on an epic journey through the history of Indian Parallel Cinema 1968 1995 India the late 1960s Something was in the air A film manifesto penned by passionate cinephiles called for a new cinema An exciting generation of iconoclastic filmmakers were on the march the first to graduate from the newly incarnated Film and Television Institute of India seizing the moment to forge one of the first major post colonial film movements What emerged was an unprecedented level of creativity merging international influences with experimental indigenous styles and creating an aesthetic and thematic rupture and that ultimately led to new ways of making films But it is a story that has rarely been told inextricably absent from the parochial Euro centric and linear histories of film This is the story of Indian Parallel Cinema From auteurs like Mani Kaul and John Abraham to Smita Patil and Om Puri *The Revolution of Indian Parallel*

Cinema in the Global South explores the origins evolution demise and legacy of a film movement that produced a pantheon of innovative filmmakers in excess of two hundred films and a distinctly regional identity in which film societies state funding and political insurgency were catalysts for a defiant radical dialogue much of it anti establishment that broke all the rules Most importantly this publication considers the ways in which Parallel Cinema narrated a new history from below using a range of case studies that includes Uski Roti Mirch Masala and Amma Ariyan **South Asian Cinemas** Sara

Dickey, Rajinder Dudrah, 2018-10-24 This path breaking collection explores the breadth and depth of South Asia s many vibrant cinemas It extends well beyond Bollywood to Nepali Sri Lankan Pakistani Panjabi Bhojpuri Bengali Kannada and early Tamil cinemas while unpacking the category of Bollywood itself The coverage of cinematic features is equally far ranging exploring music dance audiences filmmakers industries and the mutual influences among South Asia s cinemas With a mix of ethnographic historical auteur and textual approaches this exciting collection presents the first wide reaching analysis of South Asian cinemas The nine chapters include a new theoretical and historical engagement by the co editors about the burgeoning area of South Asian cinemas in the academy as well as original research by young and established scholars From historical to contemporary considerations to close analyses and empirical material from fieldwork to a rich and revealing photographic essay this collection will be novel reading for a new generation of work into an important global cinematic region This book was originally published as a special issue of South Asian Popular Culture *Mise en Scène and Film Style*

Martin, 2014-11-04 Styles of filmmaking have changed greatly from classical Hollywood through to our digital era So too have the ways in which film critics and scholars have analysed these transformations in film style This book explores two central style concepts *mise en scène* and *dispositif* to illuminate a wide range of film and new media examples **Insurgent**

**Metaphors** Pothik Ghosh, 2022-10-04 Marxism s cultural turn which has been prominent in its operation over at least the past four decades continues to belie the hope it had initially held out The idea that such a move would eventually pull Marxism out of its ontological crisis is on the verge of a miscarriage That is certainly the case in sub continental South Asia Unsurprisingly therefore culturally turned Marxism survives as the sign of the very crisis it was meant to surpass Its canonisation within the academia and beyond as a mere analytic of culture has led to the blurring of politico ideological lines The quietist impulse that this theory of the science of revolution has as a consequence come to share with so called poststructuralism implies its complete detachment from all notions and conceptions of class and class action The 13 essays that comprise this book are envisaged as a small attempt from South Asia where communitarian postcolonialism and Marxist culturalism constitute the most respectable trend in radical theory to remedy the situation **The Performance of**

**Nationalism** Jisha Menon, 2013 Jisha Menon s book explores the mimetic relationships between history and political performance and between India and Pakistan *The Refugee Woman* Paulomi Chakraborty, 2018-07-27 *The Refugee Woman* examines the Partition of 1947 by engaging with the cultural imagination of the refugee woman in West Bengal particularly

in three significant texts of the Partition of Bengal Ritwik Ghatak's film *Meghe Dhaka Tara* and two novels Jyotirmoyee Devi's *Epar Ganga Opar Ganga* and Sabitri Roy's *Swaralipi* It shows that the figure of the refugee woman animated by the history of the political left and refugee movements and shaped by powerful cultural narratives can contest and reconstitute the very political imagination of woman that emerged through the long history of dominant cultural nationalisms The reading it offers elucidates some of the complexities of nationalist communal and communist gender politics of a key period in post independence Bengal

Art and Visibility in Migratory Culture Mieke Bal, Miguel Á. Hernández-Navarro, 2011-01-15 This book explores the idea that art can enact small scale resistances against the status quo in the social domain These acts which we call little resistances determine the limited yet potentially powerful political impact of art From different angles seventeen authors consider the spaces where art events occur as political spaces and explore how such spaces host events of disagreements in migratory culture The newly coined word migratory refers to the sensible traces of the movements of migration that characterize contemporary culture In other words movement is not an exceptional occurrence in an otherwise stable world but a normal generalized process in a world that cannot be grasped in terms of any given notion of stability Thus the book offers fresh reflections on art's power to move people in the double sense of that verb and shows how it helps to illuminate migratory culture's contributions to this process

Bollywood's India Priya Joshi, 2015-03-03 Bollywood is India's most popular entertainment and one of its most powerful social forces Its blockbusters contest ideas about state formation capture the nation's dispersed anxieties and fabricate public fantasies of what constitutes India Written by an award winning scholar of popular culture and postcolonial modernity Bollywood's India analyzes the role of the cinema's most popular blockbusters in making unmaking and remaking modern India With dazzling interpretive virtuosity Priya Joshi provides an interdisciplinary account of popular cinema as a space that filters politics and modernity for its viewers Themes such as crime and punishment family and individuality vigilante and community capture the diffuse aspirations of an evolving nation Summoning India's tumultuous 1970s as an interpretive lens Joshi reveals the cinema's social work across decades that saw the decline of studios the rise of the multi starrer genre and the arrival of corporate capital and new media platforms In elegantly crafted studies of iconic and less familiar films including *Awara* 1951 *Ab Dilli Dur Nahin* 1957 *Deewaar* 1975 *Sholay* 1975 *Dil Se* 1998 *A Wednesday* 2008 and *3 Idiots* 2009 Joshi powerfully conveys the pleasures and politics of Bollywood blockbusters
