Fandom, the Next Generation Bridget Kies, Megan Connor, 2022-08-17 This collection is the first to offer a close study of fan generations which are defined not only by fans ages but by their entry point into a canon or their personal politics As reboot culture continues as franchises continue expanding over time and as new technologies enable easier access to older media Fandom the Next Generation offers a necessary investigation into transgenerational fandoms and intergenerational fan relationships

**Research Handbook on Human Rights and the Environment** Anna Grear, Louis J. Kotzé, 2015-06-29 Bringing together leading international scholars in the field this Research Handbook interrogates from various angles and positions the fractious relationship between human rights and the environment and between human rights and environmental law

**Gothic for Girls** Julia Round, 2019-10-29 Winner of the 2019 Broken Frontier Award for Best Book on Comics Today fans still remember and love the British girls comic Misty for its bold visuals and narrative complexities Yet its unique history has drawn little critical attention Bridging this scholarly gap Julia Round presents a comprehensive cultural history and detailed discussion of the comic preserving both the inception and development of this important publication as well as its stories Misty ran for 101 issues as a stand alone publication between 1978 and 1980 and then four more years as part of Tammy It was a hugely successful anthology comic containing one shot and serialized stories of supernatural horror and fantasy aimed at girls and young women and featuring work by writers and artists who dominated British comics such as Pat Mills Malcolm Shaw and John Armstrong as well as celebrated European artists To this day Misty remains notable for its daring and sophisticated stories strong female characters innovative page layouts and big visuals In the first book on this topic Round closely analyzes Misty s content including its creation and production its cultural and historical context key influences and the comic itself Largely based on Round s own archival research the study also draws on interviews with many of the key creators involved in this comic including Pat Mills Wilf Prigmore and its art editorial team Jack Cunningham and Ted Andrews who have never previously spoken about their work Richly illustrated with previously unpublished photos scripts and letters this book uses Misty as a lens to explore the use of Gothic themes and symbols in girls comics and other media It surveys existing work on childhood and Gothic and offers a working definition of Gothic for Girls a subgenre which challenges and instructs readers in a number of ways

Islamic State's Online Propaganda Miron Lakomy, 2021-04-28 Explaining the means utilised by the editors of the Islamic State s online magazines to win the hearts and minds of their audiences this book is a result of a multidimensional content analysis of two flagship periodicals of the Islamic State Dabiq and Rumiya Drawing from a number of theoretical concepts in propaganda studies the research uses comparative analysis to understand the evolution of the modus operandi employed by the editorial staff The volume evaluates the types of arguments used in these magazines as well as the emotions and behaviour that these triggered in readers This book concentrates on the formats and thematic composition of a variety of the Islamic State s e periodicals including Dabiq

Rumiyah Dar al Islam or Konstantiniyye from the viewpoint of the constantly changing strategic situation and priorities of the Caliphate The e magazines of the post territorial phase of the Islamic State e g From Dabiq to Rome and Youth of the Caliphate were also taken into consideration Overall this book does not only offer new insights into the propaganda methods of the Islamic State s periodicals but it also summarises their rise and fall between 2014 and 2019 The volume is dedicated mostly to academics and postgraduate students specialised in terrorism studies political violence and security studies

Archaeologists in Print Amara Thornton,2018-06-25 Archaeologists in Print is a history of popular publishing in archaeology in the nineteenth and twentieth centuries a pivotal period of expansion and development in both archaeology and publishing It examines how British archaeologists produced books and popular periodical articles for a non scholarly audience and explores the rise in archaeologists public visibility Notably it analyses women s experiences in archaeology alongside better known male contemporaries as shown in their books and archives In the background of this narrative is the history of Britain s imperial expansion and contraction and the evolution of modern tourism in the Eastern Mediterranean and Middle East Archaeologists exploited these factors to gain public and financial support and interest and build and maintain a reading public for their work supported by the seasonal nature of excavation and tourism Reinforcing these publishing activities through personal appearances in the lecture hall exhibition space and site tour and in new media film radio and television archaeologists shaped public understanding of archaeology It was spade-work scripted The image of the archaeologist as adventurous explorer of foreign lands part spy part foreigner eternally alluring solidified during this period That legacy continues undimmed today Praise for Archaeologists in Print This beautifully written book will be valued by all kinds of readers you don t need to be an archaeologist to enjoy the contents which take you through different publishing histories of archaeological texts and the authors who wrote them From the productive partnership of travel guide with archaeological interest to the women who feature so often in the history of archaeological publishing via closer analysis of the impact of John Murray Macmillan and Co and Penguin this volume excavates layers of fascinating facts that reveal much of the wider culture of the late nineteenth and twentieth centuries The prose is clear and the stories compulsive Thornton brings to life a cast of people whose passion for their profession lives again in these pages Warning the final chapter on Archaeological Fictions will fill your to be read list with stacks of new titles to investigate This is a highly readable accessible exploration into the dynamic relationships between academic authors publishers and readers It is in addition an exemplar of how academic research can attract a wide general readership as well as a more specialised one a stellar combination of rigorous scholarship with lucid pacy prose Highly recommended Samantha Rayner Director of UCL Centre for Publishing Deputy Head of Department and Director of Studies Department of Information Studies UCL **Twice-Exceptional Gifted Children** Beverly A.
