Homelessness in American Literature John Allen,2018-10-24 This book analyzes the theme of homelessness in American literature from the Civil War through the depression Drawing on the work of Harriet Beecher Stowe Horatio Alger Stephen Crane Jacob Riis Jack London Meridel Le Sueur and many others it reveals how homelessness has been either romanticized or objectified

The Cambridge Companion to American Novelists Timothy Parrish,2012-11-12 This Companion examines the full range and vigor of the American novel From the American exceptionalism of James Fenimore Cooper to the apocalyptic post Americanism of Cormac McCarthy these newly commissioned essays from leading scholars and critics chronicle the major aesthetic innovations that have shaped the American novel over the past two centuries The essays evaluate the work life and legacy of influential American novelists including Melville Twain James Wharton Cather Faulkner Ellison Pynchon and Morrison while situating them within the context of their literary predecessors and successors The volume also highlights

less familiar though equally significant writers such as Theodore Dreiser and Djuna Barnes providing a balanced and wide ranging survey of use to students teachers and general readers of American literature

The Adolescent Psyche Richard Frankel, 2014-02-25 Adolescence is recognised as a turbulent period of human development Along with the physical changes of puberty adolescents undergo significant transformations in the way they think act feel and perceive the world The disruption that is manifest in their behaviour is upsetting and often incomprehensible to the adults surrounding them In *The Adolescent Psyche* Richard Frankel shows how this unique stage of human development expresses through its traumas and fantasies the adolescent's urge towards self realization The impact of contemporary culture on the lives of young people has resulted in an increasing number of adolescents being referred for psychotherapy and psychiatric treatment Successful outcomes are often difficult to achieve in clinical work with clients of this age group The advice and guidelines which Frankel provides will be welcomed by psychotherapists parents educators and anyone working with adolescents

American Literature in Transition, 1990-2000 Stephen J. Burn, 2017-12-28 Written in the shadow of the approaching millennium American literature in the 1990s was beset by bleak announcements of the end of books the end of postmodernism and even the end of literature Yet as conservative critics marked the century's twilight hours by launching elegies for the conventional canon American writers proved the continuing vitality of their literature by reinvigorating inherited forms by adopting and adapting emerging technologies to narrative ends and by finding new voices that had remained outside that canon for too long By reading 1990s literature in a sequence of shifting contexts from independent presses to the AIDS crisis and from angelology to virtual reality *American Literature in Transition 1990 2000* provides the fullest map yet of the changing shape of a rich and diverse decade's literary production It offers new perspectives on the period's well known landmarks Toni Morrison Thomas Pynchon David Foster Wallace but also overdue recognition to writers such as Ana Castillo Evan Dara Steve Erickson and Carole Maso

The Georgia Straight Doug Sarti, Dan McLeod, 2017-09-12 This highly illustrated and beautifully produced coffee table book brings together over 100 of the *Georgia Straight*'s iconic covers along with short essays insider details and contributor reflections putting each of these issues of the publication into its historical context For 50 years the *Georgia Straight* has served as the voice of reason during a number of turbulent times With fearless tenacity the *Straight* has always taken the good fight to the powers that be whether they come in the form of big business city hall the provincial legislature parliament or just plain human folly While known for hard hitting journalism and pointed prose the *Straight* has also always been a purposely visual publication With eye catching design strongly reflecting the times from 60s psychedelia to new millennium computer graphics the newspaper has charted a course through both artistic trends and meaningful writing Together in one place for the first time this collection of *Straight* covers spans five decades of newsworthy figures events issues and pop culture A visual time capsule of sorts it's a significant graphic chronicle of both the counterculture and recent Vancouver history after all if it was important entertaining or inspiring the *Straight* covered it

With work from a multitude of artists using various media and contrasting styles this collection illustrates literally how the Straight was able to seize the moral high ground in the culture wars and turn civil disobedience into an art form Along with a sense of history there s a strongly ingrained emotional component to these old Straight covers they ve lost none of their power to evoke an impassioned response Some are beautiful some are funny some will shock and some will enrage But they ll all make you feel something

This is Our Writing T. F. Rigelhof, 2000 Punctuate his title as you like but T F Rigelhof considers This is Our Writing a declaration an enquiry and an exclamation As a writer of half a dozen a reviewer of dozens upon dozens and as a reader of a multitude more books Terry Rigelhof knows much about writing in Canada In these eleven essays he asks what is best in what has been written by Canadians in the twentieth century He examines selected works of some writers whose accomplishments need serious revaluation What are the real achievements of Robertson Davies Carole Corbeil Mavis Gallant Mordecai Richler Hugh Hood Leonard Cohen and George Grant Rigelhof comes up with a list that will surprise some and dismay others This is a book for readers who have always known in their heart of hearts that Robertson Davies was an egregious windbag and that underneath the inspired silliness of their carefully contrived and managed public images Mordecai Richler and Leonard Cohen have produced three of the most intelligent novels we have In a sequence of interlocking personal essays Rigelhof explores living a writerly life in Canada at the end of the twentieth century The text is fortified by a dozen photographs all but one previously unpublished by Gabor Szilasi one of Canada s greatest active documentary photographers

City's essential chronicle and guide an indispensable authority on what's new and what's news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy's cultural landscape *Urban Transformations in the U.S.A.* Julia Sattler, 2016-01-15

How did American cities change throughout the 20th and early 21st century This timely publication integrates research from American Literary and Cultural Studies Urban Studies and History The essays range from negotiations of the ethnic city in US literature and media to studies of recent urban phenomena and their representations gentrification re appropriation and conversion of urban spaces in the USA These interdisciplinary and intercultural perspectives on American cities provide unique points of access for studying the complex narratives of urban transformation *Growing Up with America* Emily A.

Murphy, 2020-09-15 When D H Lawrence wrote his classic study of American literature he claimed that youth was the true myth of America Beginning from this assertion Emily A Murphy traces the ways that youth began to embody national hopes and fears at a time when the United States was transitioning to a new position of world power In the aftermath of World War II persistent calls for the nation to grow up and move beyond innocence became common and the child that had long served as a symbol of the nation was suddenly discarded in favor of a rebellious adolescent This era marked the beginning of a crisis of identity where literary critics and writers both sought to redefine U S national identity in light of the nation's new global position The figure of the adolescent is central to an understanding of U S national identity both past and present and of the cultural forms e g literature that participate in the ongoing process of representing the diverse experiences of Americans In tracing the evolution of this youthful figure Murphy revisits classics of American literature including J D Salinger's *The Catcher in the Rye* and Vladimir Nabokov's *Lolita* alongside contemporary bestsellers The influence of the adolescent on some of America's greatest writers demonstrates the endurance of the myth that Lawrence first identified in 1923 and signals a powerful link between youth and one of the most persistent questions for the nation What does it mean to be an American *Weaving Narrative Nets to Capture Classrooms* D. Geelan, 2007-09-29

If you're the kind of reader who usually skips the Preface I am you can certainly do that It's probably valuable though for me to spend a little time describing the structure of this book to orient you to the way the argument unfolds My intention was to try to find the best possible blend of theory and practice I believe there are plenty of excellent books describing the theoretical underpinnings of qualitative research in education Denzin Eisner 1998 Guba Lincoln Harold 2000 Wolcott 1973 There are fewer books that focus on describing in detail how to conduct these studies Anderson Kerr Van Manen 1990 Wolcott 1990 for an audience that is not already familiar with both the methods and the philosophical commitments that underpin qualitative research This book is intended to do all of these things to some extent or to refer you to other authors who I think do them well but its original contribution is in using as a concrete example a particular research study that I completed This allows me to reflect on the processes and practices and particularly the choices involved in qualitative classroom research and to illustrate those

reflections in a very practical way
