Running In Heels Anna Maxted, 2016-06-16 To say that Babs is my closest friend is rather like saying that Einstein was good at sums And if you've ever had a best friend you'll know what I mean Babs and I had such a beautiful relationship no man could better it And then she met Simon Now Babs noisy funny Babs is getting married And Natalie 27 is panicking What happens when your best friend pledges everlasting love to someone else As the confetti flutters Nat feels her good girl veneer crack She teeters into an alluringly unsuitable affair that spins her crazily out of control and into trouble with her boss Matt and with Babs Caught up in the thrill of bad behaviour Nat blithely ignores the truth about her new boyfriend her best friend's marriage her mother's cooking and the wisdom of inviting Babs' brother Andy slippers and all to be her lodger But perhaps what Nat really needs to face is the mirror and herself *Getting Over It* Anna Maxted, 2016-08-25 Helen

Magowan, 2007-02-13

Beginning in the early 1980s readers advisory services were a widely discussed topic in North American public libraries By 2005 almost every public library in the United States and Canada offered some form of readers advisory service The services offered have changed significantly in ways perhaps disadvantageous to adult North American library patrons This book provides a critical history of readers advisory philosophy and offers a new perspective on the evolution of the service The book analyzes the debate that shaped readers advisory and discusses how the service has assumed its present form The study follows readers advisory through its three prominent stages of development beginning with the period 1870 to 1916 when the service was still a subject of much crucial debate about its meaning and purpose During the second phase 1917 to 1962 readers advisory

systematically committed itself to meaningful adult education through serious and purposeful reading The book argues however that during the most recent phase of readers advisory from 1963 until the present contemporary public libraries have turned their backs on the rich heritage of readers advisory services by valorizing the reading of entertainment oriented and commodified genre titles and bestsellers Historical analysis case studies and statistical charts augment the book s central argument
