Santoro, AI, 2025-03-12 Emotional Detachment explores the critical link between emotional disconnection and addictive
behaviors framing addiction as a symptom of deeper emotional issues This self help guide delves into how suppressing
emotions often rooted in early childhood experiences can fuel reliance on addictive behaviors as coping mechanisms The
book uniquely integrates attachment theory and trauma informed care to provide a comprehensive understanding of this
dynamic The book highlights intriguing insights such as how emotional detachment operates unconsciously driving addictive
behaviors without full awareness and how early neglect can significantly impact later relationships It progresses from
introducing core concepts like the neurobiology of addiction to examining the developmental origins of detachment and its
manifestation in various addictions including substance abuse and compulsive behaviors Ultimately Emotional Detachment
offers practical strategies including mindfulness and cognitive restructuring for reconnecting with emotions building
resilience and fostering healthier relationships Case studies and research support the arguments offering readers actionable
insights to identify and address patterns of emotional detachment leading to lasting recovery and improved well being
