S The Grammar Bible Michael Strumpf:

The Grammar Bible Michael Strumpf, Auriel Douglas, 2004-07-15 A readable grammar book that is hard to put down this book is thorough combining practical information not easily found in trade books Library Journal No one knows grammar like Michael Strumpf For over a quarter of a century as creator and proprietor of the National Grammar Hot Line he helped thousands of callers from every corner of the globe tackle the thorniest issues of English grammar Now in The Grammar Bible he has created an eminently useful guide to better speaking and writing Unlike other grammar manuals The Grammar Bible is driven by the actual questions Professor Strumpf encountered during his years of teaching and fielding phone calls from anxious writers conscientious students and perplexed editors including such perennial quandaries as Where do I put this comma What case should this pronoun be in How do I form the possessive of Dickens Professor Strumpf explains these and other language issues with wit and wisdom showing how to speak more clearly and write more impressively by avoiding common errors and following the principles of good grammar Whether you need a comprehensive review of the subjunctive mood or simply want to know which form of a verb to use The Grammar Bible is a practical guide that will enlighten educate and entertain Strumpf has been fielding calls on the National Grammar Hot Line for more than 25 years telling callers how to make their subjects agree with their verbs and tell the difference between who and whom Thus many of the examples in this thick but highly readable grammar handbook come from questions sometimes rather charming ones posed by callers Publishers Weekly

TIPS Dan Manolescu, 2019-06-17 TIPS A Guidebook for Teaching Excellence in ESL is a necessary tool for teaching and learning English as a Second Language The book is a sampler containing useful information regarding the history of the English language the correlation between language and culture and provides a solid framework with which to create meaningful contexts in the teaching and learning of correct grammar vocabulary reading writing and literature at various levels of English proficiency The major sections of the book start with TIPS and practical information addressed to the ESL teachers and students and the main purpose is to help instructors deliver interesting productive and effective content in the classroom The author reveals the need for teachers to elevate the students motivation by positioning the learning as a discovery process They become more and more eager to find out about the how s and why s of the development of the language The book collects practical information on a variety of topics and the research behind them in an easy to use format

Garner's Modern English Usage Bryan A. Garner, 2022 Garner's Modern English Usage is one of the most influential style guides ever written for the English language With more than a thousand new entries 200 replacement entries and thoroughly updated usage data this fifth edition is fully abreast of the times and further establishes the author as the authority on effective writing

Style Richard A. Lanham, 2007-07-01 A necessary manual for those interested in the perpetuation and the possibilities of good English prose Harper's Magazine Lanham's style is notable for its audacity liveliness and grace The Times Literary Supplement The most applicably provocative book on the subject of prose style

available Imperative reading for all teachers and students of writing Choice This humorous and accessible classic on style calls for the return of wordplay and delight to writing instruction Richard Lanham argues that many tomes on writing with their trio of platitudes clarity plainness sincerity lie upon the spirit like wet cardboard People seldom write to be clear They have designs on their fellow men Pure prose is as rare as pure virtue and for the same reasons The Books Lanham s term for misguided composition textbooks written for a man and world yet unfallen depict a ludicrous process like this I have an idea I want to present this gift to my fellow man I fix this thought clearly in mind I follow the rules Out comes a prose that gift wraps thought in transparent paper If this sounds like a travesty it s because it is one Yet it dominates prose instruction in America from Chapter 1

A Time to Draft and a Time to Craft Ramy Tadros, 2015-08-11 Have you ever wondered how to create clear simple sentences detailed multi clause sentences or ornate left mid and right branching sentences As any wordsmith knows sentences form the foundation for writing success This two part book containing hundreds of illustrative quotations and fun exercises reveals how to draft and craft any sentence whether plain and lucid or thrilling and forceful On the first part of the journey writing pilgrims are introduced to the fundamentals Twelve Templates to Turn a Timeless Sentence The second part then builds on this bedrock showing How to Fashion Exquisitely Styled Sentences After finishing this journey students professionals and writers of every skill and status will have enhanced their sentential potential while mastering the art of stringing words together to produce sophisticated sentences linguistic structures standing the tests of time and taste

Create, Narrate, Punctuate Ramy Tadros, 2014-11-04 Have you ever wondered how to spruce up your writing Or clear the clutter from your sentences Or entice engage and entertain a specific audience As any wordsmith knows fashioning exquisitely styled sentences forms the foundation for writing success This writing guide containing thousands of illustrative quotations and fun exercises reveals how to draft and craft any sentence whether plain and lucid or thrilling and forceful After finishing this book students professionals and writers of every skill and status will have enhanced their sentential potential while mastering the art of stringing words together to produce sophisticated sentences linguistic structures standing the tests of time and taste

Garner's Modern American Usage Bryan Garner, 2009-07-28 Since first appearing in 1998 Garner s Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases GMAU authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation An exciting new feature of this third edition is Garner s Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout GMAU is the first usage guide ever to incorporate such a language change index The judgments are based both on Garner s own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus

commentators who have helped Garner reassess and update the text so that every page has been improved Bryan A Garner is a writer, grammarian, lexicographer, teacher, and lawyer. He has written professionally about English usage for more than 28 years and his work has achieved widespread renown. David Foster Wallace proclaimed that Bryan Garner is a genius and William Safire called the book excellent. In fact, due to the strength of his work on GMAU, Garner was the grammarian asked to write the grammar and usage chapter for the venerable Chicago Manual of Style. His advice on language matters is second to none.

May I Quote You on That? Stephen Spector, 2015-07-02 We all use language in different ways depending on the situations we find ourselves in In formal contexts we are usually expected to use a formal level of Standard English the English codified in grammars usage guides and dictionaries In **May I Quote You on That** Stephen Spector offers a new approach to learning Standard English grammar and usage The product of Spector's forty years of teaching courses on the English language this book makes the conventions of formal writing and speech easier and more enjoyable to learn than traditional approaches usually do Each lesson begins with humorous interesting or instructive illustrative quotations from writers celebrities and historical figures Mark Twain appears alongside Winston Churchill Yogi Berra Woody Allen Jerry Seinfeld Stephen Colbert Oprah Lady Gaga and many others These quotations allow readers to infer the rules and word meanings from context And if they stick in readers memory they can serve as models for the rules they exemplify The lessons then offer short essays written in a conversational style on the history of the rules or the words being discussed But because English is constantly changing the essays offer not only the traditional rules of Standard English but also the current opinions of usage panelists stylists and language specialists When rules are controversial Spector offers advice about stylistic choices A companion website features a workbook with practice drills This book will appeal to anyone who wants to write well It's aimed at those who are applying to college taking the SAT or writing a job application an essay or anything else that requires clear and effective communication

The Academic Writer's Toolkit Arthur Asa Berger, 2016-07 Berger's slim user friendly volume on academic writing is a gift to linguistically stressed academics Author of 60 published books the author speaks to junior scholars and graduate students about the process and products of academic writing He differentiates between business writing skills for memos proposals and reports and the scholarly writing that occurs in journals and books He has suggestions for getting the turgid out of turgid academic prose and offers suggestions on how to best structure various forms of documents for effective communication Written in Berger's friendly personal style he shows by example that academics can write good readable prose in a variety of genres

The Architects Guide to Writing Bill Schmalz, The Images Publishing Group, 2014 There are a lot of good books available to help people write better They include dictionaries usage guides and various types of writers manuals and professional writers ought to have many of those books on their bookshelves But most architects and other design and

construction professionals are not professional writers. Instead, they are people who spend a large part of their professional lives writing. That's a big difference, and that's where this book will help. *The Architect's Guide to Writing* has been written not by an English major but by Bill Schmalz, an architect who knows the kinds of documents his fellow professionals routinely have to write and understands the kinds of technical mistakes they often make in their writing. This book is designed to meet the specific needs of design and construction professionals. It's not going to waste their time with the things that most educated professionals know, but it will help them with the things they don't know or are unsure of. It's not a Chicago Manual-sized encyclopaedic reference that includes everything any writer would ever need to know, because architects don't need to know everything. But what they do need to know and what they use every day in their professional lives has been assembled in this book. *Books Out Loud*, 2007
