**Reagan** Bob Spitz,2018-10-02 From New York Times bestselling biographer Bob Spitz a full and rich biography of an epic American life capturing what made Ronald Reagan both so beloved and so transformational More than five years in the making based on hundreds of interviews and access to previously unavailable documents and infused with irresistible storytelling charm Bob Spitz s REAGAN stands fair to be the first truly post partisan biography of our 40th President and thus a balm for our own bitterly divided times It is the quintessential American triumph brought to life with cinematic vividness a young man is born into poverty and raised in a series of flyspeck towns in the Midwest by a pious mother and a reckless alcoholic largely absent father Severely near sighted the boy lives in his own world a world of the popular books of the day and finds his first brush with popularity even fame as a young lifeguard Thanks to his first great love he imagines a way out and makes the extraordinary leap to go to college a modest school by national standards but an audacious presumption in the context of his family s station From there the path is only very dimly lit but it leads him thanks to his great charm and greater luck to a solid career as a radio sportscaster and then astonishingly fatefully to Hollywood And the rest as they say is history Bob Spitz s REAGAN is an absorbing richly detailed even revelatory chronicle of the full arc of Ronald Reagan s epic life giving full weight to the Hollywood years his transition to politics and rocky but ultimately successful run as California governor and ultimately of course his iconic presidency filled with storm and stress but climaxing with his peace talks with the Soviet Union that would serve as his greatest legacy It is filled with fresh assessments and shrewd judgments and doesn t flinch from a full reckoning with the man s strengths and limitations This is no hagiography Reagan was never a brilliant student of anything and his disinterest in hard nosed political scheming while admirable meant that this side of things was left to the other people in his orbit not least his wife Nancy sometimes this delegation could lead to chaos and worse But what emerges as a powerful signal through all the noise is an honest inherent sweetness a gentleness of nature and willingness to see the good in people and in this country that proved to be a tonic for America in his time and still is in ours It was famously said that FDR had a first rate disposition and a second rate intellect Perhaps it is no accident that only FDR had as high a public approval rating leaving office as Reagan did or that in the years since Reagan has been closing in on FDR on rankings of Presidential greatness Written with love and irony which in a great biography is arguably the same thing Bob Spitz s masterpiece will give no comfort to partisans at either extreme for the rest of us it is cause for celebration **Business Publication Advertising Source** ,2003-11 **Nevertheless, We Persisted** In This Together Media,2018-09-04 A powerful collection of essays from actors activists athletes politicians musicians writers and teens including Black Lives Matter founder Patrisse Cullors actress Alia Shawkat actor Maulik Pancholy poet Azure Antoinette teen activist Gavin Grimm and many many more each writing about a time in their youth when they were held back because of
