## Salat Salam Wordpress:

**Shalom: God's Ultimate Purpose for the World** Dae-Young Lee, 2021-06-23 What is our preconception about Muslims Do we continue to practice medical missions in a way that is no longer considered an effective means of presenting the gospel to the unreached Is our gospel message biblically balanced and firmly contextualized in the context that we try to serve There are numerous questions that we may ask ourselves when we desire to share God's love with people who are still alienated from it Christian cross cultural missions should reconsider the strategies and attitudes that no longer reflect biblical principles This book brings a lot of insightful thoughts and suggestions from the author's medical ministry experience in the Arab world to those who want to reach out to the unreached The theology of shalom enables us to deeply understand God's ultimate purpose toward the world that he created and to devote our lives to bring people to his kingdom in the humble way that Jesus has presented throughout his life on earth when he was with us This book demonstrates how Christian medical missions can be manifested in a more biblical way and can serve people who have been physically injured and emotionally broken more effectively

*Islam and Blackness* Jonathan A.C. Brown, 2022-11-03 It is commonly claimed that Islam is antiblack even inherently bent on enslaving Black Africans Western and African critics alike have contended that antiblack racism is in the faith's very scriptural foundations and its traditions of law spirituality and theology But what is the basis for this accusation Bestselling scholar Jonathan A C Brown examines Islamic scripture law Sufism and history to comprehensively interrogate this claim and determine how and why it emerged Locating its origins in conservative politics modern Afrocentrism and the old trope of Barbary enslavement he explains how antiblackness arose in the Islamic world and became entangled with normative tradition From the imagery of blackened faces in the Quran to Shariah assessments of Black women as undesirable and the assertion that Islam and Muslims are foreign to Africa this work provides an in depth study of the controversial knot that is Islam and Blackness and identifies authoritative voices in Islam's past that are crucial for combatting antiblack racism today
