

Practice Examination # 2

- This document is a practice final examination for Mortgage Professionals Canada's Introduction to the Canadian Mortgage Industry – Ontario Mortgage Agent Licensure Course.
- This practice exam contains 50 questions – just like the actual final exam. There is an answer key on the last page.
- This practice exam is modeled after the actual final exam in format and question style. Those exact questions will not appear on your final exam.
- We suggest that you attempt this practice exam before you book your final examination with Mortgage Professionals Canada.
- Find a time when you are rested and can have an uninterrupted opportunity to complete the examination.
- Time yourself so that you will be better able to estimate the time required to complete the actual exam. You will have a maximum of 8 hours to complete your final exam – try to adhere to that timeframe for your practice exam.
- The passing mark has been set by the regulator at 60%; this means that you will have to score 30/50 on the exam to pass.
- There is no penalty for guessing, so answer every question. The final exam is “closed book” so you should try to avoid referring to the test, the online course, or any notes when you write your practice exam.
- There is only one correct answer for each question. If you feel that there is more than one correct answer, you must choose the best, most accurate, or most true answer, or the answer closest to your own.

Good Luck!
