Dictionnaire rwandais-français, en 3 volumes Irénée Jacob,1984 **Dictionnaire rwandais-français, en 3 volumes** Irénée Jacob,1984 *Historical Dictionary of Rwanda* Aimable Twagilimana,2015-11-06 Blessed with natural beauty and rich vegetation Rwanda is often called the land of a thousand hills le pays des mille collines a reference to its many lush and green rolling hills Moreover for many Rwandans at least in the past Rwanda in spite of its small size is vast in fact it means the universe This idyllic view however sharply contrasts with the sad history of ethnic strife that unfolded since the 1950s the 1959 Hutu Revolution followed by years of anti Tutsi pogroms undemocratic regimes the civil war of 1990 1994 and more significantly the April July 1994 genocide against the Tutsi and the killing of Hutu who opposed the killings The 1994 genocide against the Tutsi remains the most defining single event in contemporary Rwanda and many people in the world today know of this central African nation from the prism of extreme mass violence that sullied the end of the 20th century amid international indifference and has since haunted the world s conscience This second edition of Historical Dictionary of Rwanda contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Rwanda

Languages of Sub-Saharan Africa Sergio Baldi, 2023-10-16 The main purpose of this dictionary is twofold On the one hand it provides the scholar of African studies with a tool to identify the possible Portuguese origin of terms present in African languages and on the other it offers those who are interested in Portuguese culture an overview of the presence of its lexicon in African languages No doubt the Portuguese were among the first Europeans to explore the world outside of Europe and as such they were also the first to introduce that world to European concepts and words This book is the result of a long and detailed work on texts in African languages as also shown by the rich bibliography in the dictionary **Rwanda** Randall Fegley, 1993
