Essential English Grammar Raju Suppiah, 2013-08-07 Essential English Grammar is a basic book for learners of the English language. It contains the eight parts of speech described in simple manner and the functions of the parts of speech exemplified. Verbs in the chapter are identified and often underlined to let the reader know the identity of verbs. The various tenses of the verbs are clarified and in the exercises their identity is emphasized. Various examples are quoted to explain the different part of speech. Other grammar items like types of sentences are clearly explained so that the learner will be well equipped for English tests and examinations. All items in the book are presented in a simple direct approach and the learner will find it a remarkable guide to learning the English language effectively.

Direct and Indirect Speech Florian Coulmas, 1986 In this chapter you will learn Speech is divided into direct and indirect reported speech. Direct speech involves quoting the exact words uttered by the person within inverted commas or quotation marks. Indirect reported speech does not use quotation marks. Past tenses of the verb is to be used. There is a change in the verbs in Reported speech. There is a change in the pronouns in reported speech. There is a change in the Adverbs of place and time in reported speech. There is a change in the Modal verbs in reported speech.
