Hospitality Management Accounting 8th Edition:

Management in der Hotellerie und Gastronomie Karl Heinz Hänssler, 2016-05-10 In diesem Buch wird betriebswirtschaftliches Wissen für die erfolgreiche Führung von Hotel und Gaststättenbetrieben praxisnah und an vielen Beispielen aufgezeigt. Dazu gehören neben Überlegungen zu grundlegenden Themen wie dem Standort und dem Marktkonzept von Hotels sowie der organisatorischen Gestaltung auch Beiträge zur Leistungserstellung im Beherbergungs- und Gastronomiebereich, zum Personalwesen, zum Marketing und zum wirtschaftlichen Teil des Hotel- und Gaststättenrechts. In den Kapiteln zum Rechnungswesen werden auch branchenspezifische Umsatz- und Kostenstrukturen und deren Einflussgrößen, Möglichkeiten der Kalkulation und Preisfindung sowie Maßnahmen zur Verbesserung des Gewinns dargestellt. Experten aus Wissenschaft und Praxis geben in dem Standardwerk in bereits 9. Auflage den notwendigen Überblick und bieten konkrete Hilfe für viele Fragen der täglichen Arbeit. Der Branchenstruktur entsprechend werden viele Themenbereiche aus der Sicht mittelständischer Betriebe behandelt.

International Encyclopedia of Hospitality Management 2nd edition Abraham Pizam, 2012-06-25 The International Encyclopedia of Hospitality Management is the definitive reference work for any individual studying or working in the hospitality industry. There are 185 Hospitality Management degrees in the UK alone. This new edition updates and significantly revises twenty-five per cent of the entries and has an additional twenty new entries. New online material makes it the most up-to-date and accessible hospitality management encyclopedia on the market. It covers all of the relevant issues in the field of hospitality management from a sectoral level: lodging, restaurants, food service, time share, clubs and events, as well as a functional one: accounting and finance, marketing, strategic management, human resources, information technology and facilities management. Its unique user-friendly structure enables readers to find exactly the information they require at a glance, whether they require broad detail that takes a more cross-sectional view across each subject field or more focused information that looks closely at specific topics and issues within the hospitality industry today.

Hospitality Management Accounting Martin G. Jagels, Michael M. Coltman, 2003-06-23 As the hospitality industry continues to grow and the business environment becomes ever more competitive, it must become increasingly profit- and cost-conscious in order to maximize revenue and minimize costs while maintaining the level of service necessary for a successful operation. There is no other hospitality management accounting book on the market that combines essential information, illustrative examples and useful problems and exercises.

International Encyclopedia of Hospitality Management Abraham Pizam, 2010 This encyclopedia covers all of the relevant issues in the field of hospitality management from both a sectoral level as well as a functional one. Its unique user-friendly structure enables readers to find exactly the information they require at a glance.

Hospitality Management Accounting Martin G. Jagels, 2006-03-03 Hospitality Management Accounting 9th Edition The success of every business in the hospitality industry depends on maximizing revenues and minimizing costs. Hazzard, 1992 Previously published as Managerial Accounting in the Hotel and Catering Industry this book has been substantially revised expanded and updated in order to keep abreast of current accounting developments and their applications in the hotel restaurant and catering industry **Feasibility Studies for Hotels** Wolfgang Fercher, 2006-10-16 Inhaltsangabe Abstract The intensity of competition in the tourism business especially in the hotel industry has continuously grown during the last years This development leads to the situation that capital investments in the hospitality industry are connected with ever increasing risks In order to minimize these risk potentials a detailed evaluation of the competitiveness and market compatibility of a planned project is an essential part of any project development process Those analyses are covered in the course of a feasibility study which encloses all aspects that influence the success of a hotel project In this context a feasibility study serves as an information tool for project developers investors tenants hotel operators and financiers in order to make decisions with regard to a specific hotel project The preparation of a feasibility study requires the combination of a multitude of aspects hence input from all participants in the project development process Getting hold of information and the appropriate usage of this information is crucial in order to ensure the success of a study The main objective of this diploma thesis is to identify the most important and current issues in feasibility evaluation of hotel projects

In practice many studies are prepared following a fixed model which has not been changed for years. However the hospitality industry is highly competitive and dynamic; new additions to the existing supply therefore need to be analyzed very carefully. The focus of this diploma thesis is specifically put on the hospitality industry. This means that feasibility evaluation for other types of project development in the tourist industry is not subject to this study. The aim of the thesis is on the one hand to point out aspects that have to be taken into consideration in any study and to give suggestions for improvements on the other hand. The author has laid down the following four hypotheses that serve as the main source for the research questions:

Hypothesis 1: The sensitivity analysis is the most important component of a feasibility study.
Hypothesis 2: A feasibility study is the most important decision making factor for the investor in a hotel project.
Hypothesis 3: If the results of a feasibility study seem to turn out negative then the operative concept of the project is changed.
Hypothesis 4: The level of the construction cost is the factor that is most difficult to estimate and is therefore

Business of Hotels Hadyn Ingram, 2007-06-07. The fully revised edition of this well known text by an experienced author, consultant and educator follows the structure and approach which has proved so successful since its first publication in 1980. The book examines the hotel as a business providing commercial hospitality. It focuses on markets, money and people and uses examples from hotel operations throughout the world. This new edition is the outcome of a thorough revision of an established text. The new material includes a comprehensive profile of the hotel business in the 1990s and includes data, quotes and extracts from a wide range of authoritative industry sources.
