House Of Glass Michelle Reid, 2017-12-01 One scandalous secret Lily Norfolk's married life was a lie Now after the death of her husband she's determined that her long held secret will remain concealed Until her tempestuous relationship with her devastatingly handsome brother in law Dane threatens to expose the depth of her deception One forbidden night Despite their attraction Dane has always believed Lily married his brother for money But when their incendiary passion ignites for one forbidden night Dane finally learns just how innocent Lily really is Originally published in 1993 **Michelle Obama and the FLOTUS Effect** Heather E. Harris, Kimberly R. Moffitt, 2019-10-29 The FLOTUS Effect emphasizes the import of agency on the part of Michelle Obama in relation to her politics as evidenced in her positionality and presence as the first African American woman to serve as First Lady of the United States of America Her occupation of a previously white space and place tended to frame her as an enigma in the American mind and media Contributors reflect on Mrs Obama's eight years in her ceremonial position and the ways she chose to uniquely embody her role Hence the result is a volume that speculates upon her evolving legacy and the likely effects of what it meant to be the first African American woman to serve in the ceremonial yet powerful role of FLOTUS Broken Bargain Kathleen Day, 2019-01-01 A history of major financial crises and how taxpayers have been left with the bill In the 1930s battered and humbled by the Great Depression the U S financial sector struck a grand bargain with the federal government Bankers gained a safety net in exchange for certain curbs on their freedom transparency rules record keeping and antifraud measures and fiduciary responsibilities Despite subsequent periodic changes in these regulations the underlying bargain played a major role in preserving the stability of the financial markets as well as the larger economy By the free market era of the 1980s and 90s however Wall Street argued that rules embodied in New Deal era regulations to protect consumers and ultimately taxpayers were no longer needed and government agreed This engaging history documents the country's financial crises focusing on those of the 1920s the 1980s and the 2000s and reveals how the two more recent crises arose from the neglect of this fundamental bargain and how taxpayers have been left with the bill **Nobody Is Supposed to Know** C. Riley Snorton, 2014-03-01 Since the early 2000s the phenomenon of the down low black men who have sex with men as well as women and do not identify as gay queer or bisexual has exploded in news media and popular culture from the Oprah Winfrey Show to R B singer R Kelly's hip hopera Trapped in the Closet Most down low stories are morality tales in which black men are either predators who risk infecting their unsuspecting female partners with HIV or victims of a pathological black culture that repudiates openly gay identities In both cases down low narratives depict black men as sexually dangerous duplicitous promiscuous and contaminated In *Nobody Is Supposed to Know* C Riley Snorton traces the emergence and circulation of the down low in contemporary media and popular culture to show how these portrayals reinforce troubling perceptions of black sexuality Reworking Eve Sedgwick's notion of the glass closet Snorton advances a new theory of such representations in which black sexuality is marked by

hypervisibility and confinement spectacle and speculation Through close readings of news music movies television and gossip blogs Nobody Is Supposed to Know explores the contemporary genealogy meaning and functions of the down low Snorton examines how the down low links blackness and queerness in the popular imagination and how the down low is just one example of how media and popular culture surveil and police black sexuality Looking at figures such as Ma Rainey Bishop Eddie L Long J L King and Will Smith he ultimately contends that down low narratives reveal the limits of current understandings of black sexuality
