Ethics for Managers Joseph Gilbert, 2012-11-27 This book examines issues relating to ethical decision making in the managerial context Managers are paid to oversee the work of others and in the course of their work they often make decisions that impact other people This book is intended to help managers and students of management reflect on the impact of their decisions and to help them in making such decisions ethically Ethics has to do with interpersonal or social values and the rules of conduct that derive from them By the time an individual becomes a manager he or she invariably has a sense of moral right and wrong Author Joseph Gilbert examines the sources of this sense and how it is shaped and altered by various

influences He lays the groundwork for discussion by delving into the meaning of ethics and its philosophical foundations then exploring its application to the task of management This balanced approach both makes clear the moral implications of actions taken by managers and provides some time tested ways of thinking about moral issues when they arise Without preaching or critiquing the reader s existing ethical sense Ethics for Managers prepares the manager or student of business to adequately address the difficult decisions that will crop up during their career in an ethical and self aware manner

Human Resource Management Pravin Durai,2010 **Strategic Human Resource Management** Feza Tabassum Azmi,2019-05-23 Provides students in HRM courses and practising managers with a comprehensive view of essential concepts and techniques in the subject **Humam Resource Management** , Human Resource Management S S Khanka,2007 This book has been written for the students of M B A M Com and other Diploma Courses in Management It would also be useful to the practitioners in the field of Human Resource Management The book covers the whole syllabus of HRM prescribed by the UGC Course Development Committee on Management The book makes a presumptions attempt to knead all aspects of HRM logically dividing them into seven sections to enable the readers comprehend the key and vital issues of HRM in a dynamic environment Human Resource Management Practices in Selected Ethiopian Private Companies: A Study to Increase Employee Productivity in Ethiopia Dirk J. van Wasbeek,2004-09-24 This dissertation examines how human resources are managed at selected Ethiopian private companies how Ethiopian human resource management practice is evolving and how it can be improved The examination is qualitative and exploratory since no comparative research on human resource management has yet been conducted at Ethiopian profit or non profit organizations An understanding of Ethiopian human resource management practice makes it possible to improve Ethiopian human resource management practice and thus to increase employee productivity The study took place at four manufacturing and four service companies in Addis Ababa all representative of their sector The research claim is that Ethiopian human resource management practices differ from human resource management practices in the West due to differences in cultural factors economic systems political systems and legal and industrial relations For this reason Ethiopia s culture politics economy and legal and industrial relations have been analyzed The main finding of this study is that the importance of human resource management is not uniformly understood at all the case study companies Although the multinational companies based in Ethiopia see their human resources as the companies most important asset as human capital the local companies generally do not The fact that respondents claim that Ethiopia has limited experience in industrialization might explain why human resource management in Ethiopia is rudimentary and still has a long way to go With this dissertation the researcher wants to contribute to improving Ethiopian human resource management practice Moreover this dissertation may be used as a framework for similar research in other sectors or for more specific in depth research This dissertation may also serve as a knowledge base for company managers business consultants academics and government officials of countries with a national

culture similar to Ethiopia s for example Kenya Tanzania and Zambia countries undergoing or which have undergone a recent transition to a free market economy and countries facing similar macro economic developments **Human Resources and Tourism** Darren Lee-Ross,Josephine Pryce,2010 This book combines theoretical and practical aspects of applied human resources management using a critical lens It is both a descriptive and analytical journey through the tourism sector which due to its nature may be described as a relatively deregulated and eclectic industry In such a context human resource practice as presented in this book reflects these extremes
