I Am Malala Malala Yousafzai, Patricia McCormick, 2014-08-19 Written in collaboration with critically acclaimed NATIONAL BOOK AWARD finalist Patricia McCormick Malala tells her story from her childhood in the Swat Valley to the shooting her recovery and new life in England She s a girl who loves cricket gossips with her best friends and on the day of the shooting nearly overslept and missed an exam A girl who saw women suddenly banned from public schools blown up the Taliban seize control and her homeland descend into a state of fear and repression This is the story of her life and also of her passionate belief in every child s right to education her determination to make that a reality throughout the world and her hope to inspire others *Healing Pakistan □ Improving Human Rights, Gender Mainstreaming and Religious Education in the Islamic Republic of Pakistan* Dr. Mark O'Doherty, 2017-11-21 Pakistan the world s fifth most populous country is fighting for its survival This summer erratic monsoon rains battered the country from north to south Sindh the southernmost province received 464% more rain over the last few weeks than the thirty year average for the period At the same time Pakistan s glaciers are melting at a rate never seen before These two consequences of the climate crisis have combined to create a monstrous super flood that has ravaged the country Ninety per cent of crops in Sindh have been damaged Faisal Edhi who runs Pakistan s largest social welfare organisation the Edhi Foundation has warned that those who don t die from the floods risk death by starvation A famine is coming the only question is how soon Economic losses are estimated to be in excess of 30bn 50 million people have been internally displaced there is the threat of a malaria epidemic as floodwater lies stagnant satellite images have shown the shocking formation of a 100km wide inland lake in Sindh due to overflowing from the Indus River and there is no doubt that a generation will be cast backwards as already meagre education and health services are violently disrupted More than 400 children have died and with winter coming and millions left without shelter many more will This is a tragedy of nightmarish proportions and yet if you live outside of Pakistan you probably haven t heard much about it at all Given its near total lack of interest in the fate of Pakistan it would seem that the rest of the world hasn t considered that this epic humanitarian crisis is a peek into the apocalyptic future that awaits us all The horrors faced by the country today are a clear warning of the consequences of universal and rapacious climate breakdown Human beings have destroyed our one and only planet what is happening in Pakistan today is proof of that Our voracious burning of fossil fuels obnoxious disregard for the wild and natural world we inherited and criminal consumption means that no country no matter its wealth will be immune from the consequences of global heating Today it is Pakistan tomorrow it will be California France

Australia the world Hence we strongly encourage the International Community to support Pakistan economically as well as ecologically during these difficult times in Pakistan In particular to save innocent civilians and children and prevent further loss of life in the future *Healing Bangladesh Ð Improving Human Rights, Gender Mainstreaming and Religious Education in the People's Republic of Bangladesh* Dr. Mark O'Doherty,2017-11-29 In view of the series of brutal murders of secular writers gay activists bloggers and liberal intellectuals by extremists in Bangladesh the country is in need of healing on many levels Bangladesh s overall inability to get to grips with extremism being the result of a fractured country where legitimate criticism and debate are increasingly restricted Hence the importance of improving human rights gender equality and religious education in the country Critical but also deeply sensitive and humane this book endeavours to improve public policy in Bangladesh with both social scientific and Islamic approaches so that social equality civil liberties and a just social peace can be manifested in the People s Republic of Bangladesh Coronavirus The first coronavirus case was confirmed in Bangladesh in early March 2020 and since then at least 283 people have died with nearly 19 000 infected The government has enforced a nationwide lockdown since 26 March in an effort to check the spread of the disease From my side I hope that Bangladesh is healed from the coronavirus as soon as possible My prayers are with all people afflicted by the virus calling on God s help to manifest health and healing in Bangladesh and the International Community **Healing Syria - Improving**

Human Rights, Social Cohesion and Religious Education in the Syrian Arab Republic Dr. Mark O'Doherty,2017-03-19 REGARDING Manifesting Peace and Prosperity in the International Community Dear All As the leader of the Intelligence Community which includes the Secret Intelligence Service MI6 the Central Intelligence Agency CIA the German Intelligence Community the directeur g n ral de la s curit ext rieur DGSI the Russian Foreign Intelligence Service SVR the Federal Security Service FSB the Federal Protective Service FSO the GRU as well as NATO and the Russian Armed Forces we can safely say that Peace will be restored between Russia and Ukraine once Vladimir Putin is ousted and a governmental change in Russia has been implemented The death and killing of officers soldiers civilians journalists reporters and innocent children in both Ukraine and Russia is so unnecessary and must be stopped Hence the Russian invasion of Ukraine must end and Diplomacy and Dialogue must be restored To achieve that it is imperative that Vladimir Putin is graciously removed from office so that Peace and Harmony can be restored between Ukraine and Russia and the Russian people can be part of the International Community again An Amnesty should be offered to key people in the Putin regime to encourage those individuals to do the right thing and end the war that has cost countless of lives so that International Law and the Universal Declaration of Human Rights can be restored in the International Community We are also advocating the founding of a world organization that is above all other governments even above the US China the UK Russia and the EU so that Peace and Prosperity can be manifested in the world So until an organization like that is formed in the International Community it will be the NGO BTB Global Peacebuilding which will handle matters such as bringing Russia and the US into

an International Peacebuilding Alliance Also the status quo concerning NATO has to change This means that NATO will have to make room for a new military international alliance sooner or later that encompasses Russia the EU China Germany and the US if circumstances allow However it s imperative that Peace and Harmony is first restored between Russia and Ukraine Only then measures can be taken to improve NATO and implement steps to include Russia in an International Peacebuilding Alliance Love and Light Dieu vous prot ge Gottes Segen Mark O Doherty BTB Global Peacebuilding Healing the UK Butterfly! - A Study of Inequality, Xenophobia, Economic Disaster and Human Rights Violations in post-brexite Britain Mark O'Doherty,2020-02-19 Warnings have been issued by police after thousands of people gathered in west Belfast to protest over the Northern Ireland protocol Police estimated that more than 3 000 people took part Under the protocol in the Brexit withdrawal agreement designed to avoid a hard border on the island of Ireland Northern Ireland in effect remains in the single market and EU customs policy is enforced on goods coming from mainland Britain This year there has been loyalist violence from those who claim their British identity is being brought into question by the arrangements Talks on resolving the impasse over the implementation of the protocol collapsed without agreement So the Brexit Trilemma is causing considerable conflict between Britain and the EU and also between Britain and the United States due to PM Boris Johnson s lack of ability of restoring peace in Ireland and his reluctance of adhering to the Northern Ireland protocol Therefore a referendum on a united Ireland in conjunction with a joint referendum on a united Britain Ireland ought to be implemented to resolve the Brexit Trilemma as well as to end the partitioning of Ireland and making it into one entity again Unless of course the people of the island of Ireland prefer the Status quo However these very important political issues can only be resolved by truly peaceful democratic means namely a referendum It should also be noted that the founding of the Republic of Ireland was paved with blood with many innocent civilians killed by extremists in the process the Republic of Ireland still being shaky today intensified by the Brexit Trilemma However the Tudor conquest of Ireland by Henry VIII who was declared King of Ireland in 1542 was also paved with blood when the polity of Gaelic Ireland was largely destroyed So there is a bit of catching up to do when it comes to resolving Irish British political issues by truly peaceful democratic means namely a referendum on a united Ireland as well as a united Britain Ireland Both of these possible political solutions would have their merits Such as ending the partitioning of Ireland and making it into one entity again so that peace and harmony can be manifested in Ireland and Britain To resolve the political crisis in Ireland and Britain a referendum with three choices ought to be implemented on a united Ireland a united Britain Ireland or to remain with the Status quo so that the Brexit Trilemma can finally be resolved **The Legacy of President Xi Jinping of China □ A Study of Social Instability, Human Rights Violations, Civilian Suffering and Communism in the People's Republic of China** Dr. Mark O'Doherty,2019-08-26 Dear All The Chinese Communist Party CCP argues that their concept of social stability requires that the welfare of the collective should always be put ahead of the rights of any individual whenever conflicts between these arise The fallacy and

error of this policy is that it is enforced by a few key figures in the CCP who have not been democratically elected by the people. As evidenced by the Tiananmen Square protests of 1989, the People of China have demanded their right to freedom of peaceful assembly and association, which the CCP government is still suppressing with an iron fist to this very day. China is increasingly becoming a totalitarian state. It should be noted that the Supreme People's Court of China is an utterly incompetent legal community responsible for blatant human rights violations in all 22 provinces of China and a disgrace to the International Community. With China's economy being in free fall, the country has been decimated by enormous political and economic setbacks as well as horrifying human rights failures. Hence, China's so-called superpower status has been revoked. Thus, the general consensus has been reached that China no longer qualifies as a superpower. To avoid a power vacuum in the world, a new country is going to take China's place as a superpower, namely the Republic of Austria, at least until China has agreed to evolve and improve itself. Hence, the new superpower in the world will be the Republic of Austria. Although most Austrian politicians are rather incompetent, the Austrian Foreign Ministry is quite capable of handling any queries concerning Austria's new superpower status. The Chinese government is expected to fall in line with Austria's Human Rights Policy, which for the time being will be conducted by the NGO BTB Global Peacebuilding. We encourage the Chinese Communist Party to give up their monopoly on power and implement Universal Suffrage in China so that other political parties can also be elected in national elections and participate in governing China. Love and Light Mark BTB Global Peacebuilding POTUS UNITED NATIONS PS We would be quite willing to give our dear friend President Xi Jinping a Kowtow if he agrees to implement the Universal Declaration of Human Rights (UDHR) in China. However, if President Xi refuses to implement the UDHR in China, we will expect a Kowtow from him instead.

Youth Social Action in the Library Gina Seymour, 2025-01-23 Learn how to take an apolitical unbiased stance to support students as they pursue research literature connections, maker activities and civic engagement projects in their communities nationally and globally. This book outlines school and public library programs, activities and collaborative projects that will help students learn how to accomplish their goals in their communities. Highlighting the role of the librarian in fostering critical thinking and problem-solving skills, the book explores controversial topics to qualify and expand best practices. By incorporating the programs in the book, librarians can help students learn how to have reasoned arguments inside and outside of the classroom and to become responsible members of society. UN Sustainable Development Goals are addressed, making this book not only based in community but global in scope. Numerous examples of youth activism from volunteering to protest marches are explained and are broad enough to be applied not only to current trends but also to future causes.

The Legacy of President Barham Salih and Prime Minister Mohammed Tawfiq Allawi – A Study of Human Rights Violations, Corruption, Poverty and Political Instability in the Republic of Iraq Dr. Mark O'Doherty, 2020-02-19 The death of a young YouTube star at the hands of her father has sparked outrage in Iraq as so-called honour killings continue in the conservative country. Tiba al Ali, 22, was killed by her

father on 31 January in the southern province of Diwaniya interior ministry spokesperson Saad Maan said on Twitter on Friday Police had attempted to mediate between Ali who lived in Turkey and was visiting Iraq and her relatives to resolve the family dispute in a definitive manner Maan said Ali s father was reported to have been unhappy about her decision to live alone in Turkey Maan said that after the police s initial encounter with the family we were surprised the next day with the news of her killing at the hands of her father as he admitted in his initial confessions He did not give further details on the nature of the dispute Ali had gained a following on YouTube where she posted videos of her daily life and in which her fiance often appeared She had travelled to Turkey with her family in 2017 but she refused to return home with them and stayed in the country and lived there since the police source said Her death has sparked uproar among Iraqis on social media who have called for protests in Baghdad on Sunday to demand justice in response to her death Women in our societies are hostage to backward customs due to the absence of legal deterrents and government measures which currently are not commensurate with the size of domestic violence crimes wrote veteran politician Ala Talabani on Twitter Human rights activist Hanaa Edwar told AFP that according to voice recordings attributed to Ali she left her family because she was sexually assaulted by her brother The Iraqi Observatory for Human Rights also reported the allegation AFP could not independently verify the authenticity of the voice recordings Amnesty International condemned the horrific killing saying the Iraqi penal code still treats leniently so called honour crimes comprising violent acts such as assault and even murder Its deputy director for the Middle East and North Africa Aya Majzoub said Until the Iraqi authorities adopt robust legislation to protect women and girls we will inevitably continue to witness horrific murders Hence it is imperative that the Universal Declaration of Human Rights UDHR and the Convention on the Elimination of all Forms of Discrimination Against Women CEDAW are manifested in the Republic of Iraq

The Legacy of the Social Democratic Party of Austria (SPÖ) □ A Dictatorial Party facilitating Abuse of Power, Bureaucratic Despotism and Violations of Human Rights in the Republic of Austria Dr. Mark O'Doherty,2019-08-15 Having become a proxy party of the right wing populist VP Party by falling in line with whatever the VP dictates the SP Party is unwilling to implement any much needed reforms in the Republic of Austria Hence the reason why inequality and poverty are increasing in Austria dramatically the SP Party being a willing collaborator in perpetrating inequality injustice and human rights violations in the country Austria has also fallen back seven places on the Social Progress Index SPI inequality and social discrimination of people increasing dramatically the SP Party unwilling to advocate the implementation of a Basic Income Guarantee BIG which would be necessary to guarantee basic human rights and to stop the discrimination of unemployed people which causes grave political instability and civil unrest In a world where there are no guarantees and as citizens who must be under government rule we should at least be assured that we will be able to feed clothe and handle the simplest needs of human beings hence implementing a basic income is an important prerequisite to counteract inequality and to ensure basic human rights in the International Community It is also

imperative that a denazification is implemented in the Republic of Austria This includes bringing all right wing extremists in Austria to Justice in particular from the FP Party so that Rule of Law and the Universal Declaration of Human Rights UDHR can be restored in the Republic of Austria Furthermore corrupt and criminal officials in the Austrian Nehammer Government as well as the SP Party must be brought to Justice so that Rule of Law Goodness and Decency can be restored in the Republic of Austria NB It should also be noted that some individuals and organizations affiliated with the SP Party are responsible for Press Freedom attacks and politically motivated harassment on the NGO BTB Global Peacebuilding This must stop The NGO BTB Global Peacebuilding frequently has the task to pacify and bring peace to a country which is very delicate PEACEBUILDING and DIPLOMATIC work where just a slight disturbance can cause a political calamity of global impact Hence it is very much in the interest of Austrian politicians including the SP Party to provide us with a proper and secured Home Office and Basic Income so that the NGO BTB Global Peacebuilding can conduct its work properly and efficiently

The Legacy of Mohammed bin Salman and the Kingdom of Saudi Arabia Ð A Study of Human Rights Violations, Gender Violence, Civilian Suffering and Violation of Freedom of Expression in Saudi Arabia Dr. Mark O'Doherty, 2019-05-08 Even though Saudi Arabia has taken a zero tolerance approach to ISIL the Kingdom undermines whatever good work it does by continuing to spend billions of dollars spreading Wahhabism its ultraconservative brand of Islam polling data suggesting that support for ISIL in Saudi Arabia hovers around 5% representing over a half a million potential donors to ISIL Also Saudi Arabia s human rights record remains among the worst in the world with pressure on Saudi Arabia over the detention and treatment of political prisoners having grown in 2019 Female activists being subjected to electric shocks lashings and sexual harassment in custody in a crackdown ordered by King Salman s heir Crown Prince Mohammed bin Salman who was also responsible for the murder of the dissident journalist Jamal Khashoggi Hence this book endeavours to improve public policy in Saudi Arabia by exploring both social scientific and Islamic approaches so that human rights and human dignity can finally be manifested in the Kingdom

The Legacy of Boyko Borisov and the GERB Party - A Study of Press Freedom Violations, Corruption, Human Rights Abuses and Islamophobia in the Republic of Bulgaria Dr. Mark O'Doherty, 2018-10-11 Dear All As the leader of the Intelligence Community including MI6 BND DGSI the CIA Mossad the European Intelligence Community the Bulgarian State Intelligence Agency SIA the Pakistani Inter Services Intelligence ISI the African Intelligence Community the Russian SVR the Russian Federal Security Service FSB the Federal Protective Service FSO the Glawnoje Raswedywatelnoje Uprawlenije GRU NATO and the Russian Armed Forces we encourage Russia to withdraw all forces from Ukraine so that the UDHR and UNCRC can be restored in the world The European Parliament adopted a resolution recognized Russia as a state sponsor of terrorism and accusing its forces of carrying out atrocities in its invasion of Ukraine The EU parliament said it recognizes Russia as a state sponsor of terrorism and as a state which uses means of terrorism At the United Nations Putin is more isolated every day The UN General

Assembly voted to reject his annexation of Ukrainian territory by a margin of 143 to five with 35 abstentions That s an even greater margin than previous UN resolutions condemning Russia s actions also overwhelmingly approved The daily images of bombed out schools hospitals playgrounds and apartment buildings and the determined successful pushback by Ukraine makes it imperative that Russia withdraws all forces from Ukraine and engages in Peace Talks It is essential that Diplomacy and Dialogue is restored between Russia and Ukraine so that the Universal Declaration of Human Rights UDHR can be restored in the International Community On that note we would like to encourage all people on Earth to join us in Meditation and Prayer to manifest Peace on Earth God Bless Love and Light President of and the US Mark O Doherty BTB Global Peacebuilding 7 December 2022 NB As the acting president of the Russian Federation I will do everything in my power to end the war by restoring diplomacy and dialogue with our friends in Ukraine Once Peace has been restored I give the Russian people my word that I will do everything in my power to implement the replacement of NATO by a new International Peacebuilding Alliance IPA In the IPA the top priority will be Peace and Nuclear Disarmament where all countries in the world will be instrumental to manifest the UDHR and the UNCRC in the International Community

The Legacy of the Social Democratic Party (SPÖ) and the City Council of Vienna □ A Dictatorial Party facilitating Mediocrity, Victimisation and Violation of Human Rights in the Republic of Austria Dr. Mark O'Doherty,2018-07-22 The SP Party has governed Vienna and Austria on a national level for a few years since 1946 The SP Party is also responsible for facilitating mediocrity victimisation and violation of human rights in Austria This includes victimisation of clients at the Social Welfare Department and the Public Employment Service in Vienna AMS as well as the Department of Families the author having conducted observational studies within these departments Being shielded by the SP Party bureaucrats in the Vienna magistrates are not held accountable when victimising marginalized people and clients abusing their power at their disgression so this evidence based study concludes Social challenges such as abuse of power bureaucratic despotism and solidarity deficit within the SP are also explored in this evidence based study so that basic human rights can be restored in Austria It should also be noted that the SP Party s contribution to global gender equality and global peacebuilding is absolute zero

The Legacy of Benjamin Netanyahu and the Likud Party in Israel □ A Military Government facilitating Disregard for Innocent Life, Overpopulation, Suicide and Violent Extremism in Gaza Dr. Mark O'Doherty,2018-05-26 Speaking before a group of foreign ambassadors to the United Nations on one of his final days in office President Reuven Rivlin in New York issued a plea to Palestinian Authority President Mahmoud Abbas to forget about the past and work together with Israel to achieve peace We are not doomed to live to together we are destined to live together It s our role to end conflict Rivlin said in a speech at the tail end of his farewell tour in the United States Let s forget about the past Let s build confidence There are opportunities to achieve a bright future for our peoples We are interested in continuing to work with the UN in order to meet the humanitarian needs of the people of Gaza with whom we have no conflict Rivlin said Hence it is imperative that peace

and harmony are manifested in Israel Palestine and that all parties concerned start working towards a just and fair Middle East peace plan as well as restoring human rights human dignity and the UN Convention on the Rights of the Child UNCRC in the region It is also imperative that the Bennett Lapid government is fair and just and that policies implemented are free from systemic injustices so that equal rights and legal equality can be manifested in the land This also means that Hamas s extremist leaders in particular Mr Ismail Haniyeh Mohammed Deif and Marwan Issa need to reconcile and make peace with Israel Otherwise the Gazans must find a new leadership so that the Gaza blockade can finally be lifted and the UDHR can be restored in the land It should also be noted that more than 2 5 million Palestinians live under Israeli rule but cannot vote in national elections This must change All people in the land should be eligible to vote and stand for election as stipulated in the Universal Declaration of Human Rights UDHR This also means that legal equality and equal rights must be manifested in Israel Palestine by legislation Hence it is imperative that the Knesset implements the necessary legislation that ALL people in the land are equal under the law and eligible to vote and stand in national elections Failure to do so will increasingly label Israel as an Apartheid State That is the reality of the situation Mr Naftali Bennett and Mr Yair Lapid In other words the Israeli judicial system alone will not be able to manifest legal equality in the land The Knesset in particular the Bennett Lapid government will also have to do its part
