RALPH KEYES

"A fun, fact-packed, and eminently browsable guide that cuts the mustard, hangs a few myths out to dry, and should play in Peoria."

—HENRY HITCHINGS, author of *The Secret Life of Words*

I Love It When You Talk Retro Hoochie Coochie Double Whammy Drop A Dime And The Forgotten Origins Of American Speech Ralph Keyes

Ralph Keyes

I Love It When You Talk Retro Hoochie Coochie Double Whammy Drop A Dime And The Forgotten Origins Of American Speech Ralph Keyes:

I Love It When You Talk Retro Ralph Keyes, 2009-03-31 An entertaining and informative book about the fashion and fads of language Today's 18 year olds may not know who Mrs Robinson is where the term stuck in a groove comes from why 1984 was a year unlike any other how big a bread box is how to get to Peyton Place or what the term Watergate refers to I Love It When You Talk Retro discusses these verbal fossils that remain embedded in our national conversation long after the topic they refer to has galloped off into the sunset That could be a person Mrs Robinson product Edsel past bestseller Catch 22 radio or TV show Gangbusters comic strip Alphonse and Gaston or advertisement Where's the beef long forgotten Such retroterms are words or phrases in current use whose origins lie in our past Ralph Keyes takes us on an illuminating and engaging tour through the phenomenon that is Retrotalk a journey oftentimes along the timelines of American history and the faultlines of culture that will add to the word lover's store of trivia and obscure references The phrase drinking the Kool Aid is a mystery to young people today as is 45rpm Even older folks don't know the origins of raked over the coals and cut to the chase Keyes The QuoteVerifier uses his skill as a sleuth of sources to track what he calls retrotalk a slippery slope of puzzling allusions to past phenomena He surveys the origins of verbal fossils from commercials Kodak moment jurisprudence Twinkie defense movies pod people cartoons Caspar Milquetoast and literature brave new world Some pop permutations percolated over decades Radio's Take It or Leave It spawned a catch phrase so popular the program was retitled The 64 Question and later returned as TV's The 64 000 Question Keyes's own book Is There Life After High School became both a Broadway musical and a catch phrase Some entries are self evident or have speculative origins but Keyes's nonacademic style and probing research make this both an entertaining read and a valuable reference work Publishers Weekly The Hidden History of Coined Words Ralph Keyes, 2021-02-19 Successful word coinages those that stay in currency for a good long time tend to conceal their beginnings We take them at face value and rarely when and where they were first minted Engaging illuminating and authoritative Ralph Keyes's The Hidden History of Coined Words explores the etymological underworld of terms and expressions and uncovers plenty of hidden gems He also finds some fascinating patterns such as that successful neologisms are as likely to be created by chance as by design A remarkable number of new words were coined whimsically originally intended to troll or taunt Knickers for example resulted from a hoax big bang from an insult Casual wisecracking produced software crowdsource and blog More than a few resulted from happy accidents such as typos mistranslations and mishearing bigly and buttonhole or from being taken entirely out of context robotics Neologizers a Thomas Jefferson coinage include not just scholars and writers but cartoonists columnists children's book authors Wimp originated with a book series as did goop and nerd from a book by Dr Seuss Coinages are often contested controversy swirling around such terms as gonzo mojo and booty call Keyes considers all contenders while also leading us through the

fray between new word partisans and those who resist them strenuously He concludes with advice about how to make your own successful coinage The Hidden History of Coined Words will appeal not just to word mavens but history buffs trivia contesters and anyone who loves the immersive power of language Totally Scripted Josh Chetwynd,2017-02-01 The language of Hollywood resonates beyond the stage and screen because it often has inherent drama or comedic effect This volume contains a combination of approximately 100 expertly researched essays on words phrases and idioms made famous by Hollywood along with the stories behind 30 or so of the most iconic and ultimately often used quotes from films There are also sidebars that focus on other ways the entertainment world has changed language For instance stories behind stars whose names have been used for drinks hello Shirley Temple or roses there are ones named after Elizabeth Taylor and Judy Garland among others And a sidebar on William Shakespeare s unique contribution to the English language **Pastrami on Rye** Ted Merwin,2015-10-06 The history of an iconic culinary institution Winner of the 2015 National Jewish Book Award in Education and Jewish Identity from the Jewish Book Council For much of the twentieth century the New York Jewish deli was an iconic establishment in both Jewish and American life As a social space it rivaled and in some ways surpassed the synagogue as the primary gathering place for the Jewish community In popular culture it has been the setting for classics like When Harry Met Sally And today after a long period languishing in the trenches of the hopelessly old fashioned it is experiencing a nostalgic resurgence Pastrami on Rye is the first full length history of the New York Jewish deli The deli argues Ted Merwin reached its full flowering not in the immigrant period as some might assume but in the interwar era when the children of Jewish immigrants celebrated the first flush of their success in America by downing sandwiches and cheesecake in theater district delis But it was the kosher deli that followed Jews as they settled in the outer boroughs of the city and that became the most tangible symbol of their continuing desire to maintain a connection to their heritage Ultimately upwardly mobile American Jews discarded the deli as they transitioned from outsider to insider status in the middle of the century Now contemporary Jews are returning the deli to cult status as they seek to reclaim their cultural identities Richly researched and compellingly told Pastrami on Rye gives us the surprising story of a quintessential New York institution *The Publishers Weekly* ,2009

I Love It When You Talk Retro Hoochie Coochie Double Whammy Drop A Dime And The Forgotten Origins Of American Speech Ralph Keyes Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever.
