
Develop an HR service level agreement

Overview

What is a human resources consultancy service? Why should we manage this? How can an HR Manager use a successful and effective consultancy service to demonstrate how HR adds value to an organisation? This learning resource will discuss these issues and help you understand why the concept of providing a consultancy service to clients (internal or external) is considered best practice and integrated into HR strategies as part of an organisation's strategic plan.

Key terms

Service level agreement

SLA: a formal agreement between two parties which documents the type of HR service one party will provide to the other in the workplace environment. An SLA will also include performance standards or measures as well as how this agreement will be monitored and evaluated for its effectiveness.

Strategic plan

A plan that details future directions at a macro level for an organisation - sets the long term goals with broad outlines of how these goals can be realised.

Operational plan

A plan designed to meet the short-term goals of the organisation, usually a sub-set of a strategic plan.
