What Does This Mind Want? Syeda Farhana, 2021-12-02. Life is a wonderful place where no one understands how one's mind changes; no one knows what is in whose mind. It's only the mind of one's soul that knows what the mind wants. Understanding is a big responsibility because no one even knows when the mind changes; thus, it is very arduous to get the desire of it. Now I am going to unfold a story where no one can understand or envision how one's mind can change or what is in whose mind. Only the mind knows the desire, hope, love, laughter, happiness, and sorrow. The hope of the mind depends on its current situation. It is the opportunity and the situation that impel people; how the mind will change; what one's mind wants to understand when it is fulfilled. Sometimes what this mind wants is not available, and sometimes what this mind does not want is easily available. There are things in the world of wants and power that depend on the indomitable will, power of man and his or her love, power. Sometimes people can conquer the desire of the mind with the power of their love and indomitable perseverance. Now the story I am going to share about is completely a love story where how a girl keeps her family alive with her good qualities or how a girl can make a bad person good with her virtuous behavior and adequate qualities or how much a girl can love a boy or how much a boy can love a girl and what sacrifices can they make for their love or what their contributions to the happiness of the person they love. It is depicted in letter and spirit in this book. Love is not only about achieving it but love is also to make any kind of sacrifice to achieve happiness for a loved one. Love is a sweet relationship where you are not hesitant to make any sacrifice for the other person. This story explains how to win the hearts of people with love and how to make all the sufferings of life smile for a loved one, which explains what this mind wants. And the answer to this question is that this mind just wants love. The story that has been depicted in every letter from beginning to end, and hopefully, you will surely get the answer to this question of what this mind wants at the end of the story. This story is made in the real story that usually happens in a Bengali middle-class family. Although some aspects of this story are fictional, then the real match with everything is found. Through this story, you will understand what love is, how the family becomes happy, and what to do to be happy in life. This story tries to convey a valuable message to everyone, and that valuable message is that love means dedicating one's life to the people of love.
