

30/18

CLAWS OF THUNDER

Level: 18

Prerequisites: Fists of Fire

Claws of Thunder is a Charge-up Skill that adds lightning damage with each successive attack and requires the Assassin to have claw-class weapons readied. When discharged by a Finishing Move, the first charge inflicts lightning damage on the enemy, the second charge sends out a Nova from the enemy you hit, while the third charge sends Charged Bolts out from your target! This attack is very valuable when fighting a large group of monsters as it can instantly destroy a throng of foes.

Claws of Thunder gives you an improved Attack Rating that's 80% above normal, and does 1-80 points of lightning damage of its own. The first charge does 1-80 lightning damage, the second does 1-20 Nova damage, and the third charge does 1-40 Charged Bolt damage.

When you invest additional points into the skill, the damage for the first charge adds 10 points of lightning damage, the second increases the maximum lightning damage of the Nova by seven, and the third charge boosts the maximum lightning damage of the Charged Bolts by 11.

DRAGON TAIL

Level: 18

Prerequisites: Dragon Claw

Dragon Tail is a powerful Finishing Move that knocks back your enemy with an explosive kick and does fire damage. Much like the Dragon Tornado (only more powerful), the Dragon Tail is best used against enemies that you want to push back so that they can't hit you. When fighting a Boss monster, use a Charge-up Skill on the minions, then unleash the Dragon Tail on the Boss. This skill inflicts 50% of fire damage and has a range of four yards in the first level. With each subsequent skill point, Dragon Tail dishes out an extra 10% of fire damage. This is the Finishing Move of choice once you reach level 18.

This is a cool Finishing Move both because of the knockback and the fire damage.
