Dictionary of the Old Testament: Wisdom, Poetry and Writings TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God's world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm's reach of any student teacher or preacher working in this portion of biblical literature Dictionary of Biblical Imagery Leland Ryken, James C. Back Over the Whole      *Paul's Use of the Old Testament in Romans 9:19-24* Brian J. Abasciano, 2022-07-14 Brian Abasciano continues his project examining the use of the Old Testament in Romans 9 building upon his previous two volumes and their intertextual methodology This method incorporates into a thorough traditional exegesis a comprehensive analysis of Paul's use of Scripture against the background of interpretive traditions surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul's citations and allusions Such an intertextual exegesis is conducted in Romans 9 19 24 with an awareness of the broader unit of chapters 9 11 especially and also the epistle as a whole Conclusions for the meaning of these passages and their theological significance are drawn      **Preliminary biblical studies** David M. **Majestic Is Your Name** Walter Leslie McConnell, 2021-12-07 Christians give a broad spectrum of answers to the question What is worship These include ascribing worth to God performing certain activities during worship services singing a particular style of song responding to God with our whole being and more That Christians have such a splintered understanding of something as important as worship is far from satisfactory How Majestic is Your Name aims to broaden our understanding of worship by engaging the subject biblically and theologically as developed in both Testaments of Scripture As we learn more of God's design our daily weekly and seasonal practices of private and public worship will be renewed Foundations are laid by identifying the Old and New Testament words for worship and demonstrating their importance The object of worship is brought into focus as we encounter the God who is experienced as Father Son and Holy Spirit The object identified we consider the people who worship within space and time by engaging in a variety of activities Not content with simply recounting biblical evidence about the worship of Israel and the early church the book challenges modern worshipers to allow this biblical theological study to guide their thinking and shape their practice **An Asian American Ancient**

**Iconographic Exegesis of the Hebrew Bible / Old Testament** Izaak Jozias de Hulster,Brent A. Strawn,Ryan P. Bonfiglio,2015-10-28 Iconographic exegesis combines the study of biblical texts exegesis with the study of ancient expressions of visual art iconography Studying ancient visual art that is contemporary with the documents of the Old Testament gives remarkable insight not only on the meaning and historical context of the biblical text but also because it facilitates greater understanding of how the ancient authors and audiences saw thought and made sense of the world Iconography thus merits close attention as another avenue that can lead to a more nuanced and more complete understanding of the biblical text Each chapter of this book provides an exegesis of a particular biblical text or theme The book is organized around the tripartite structure of the Hebrew Bible and demonstrates that iconographical exegesis is pertinent to every nook and cranny of the Bible Within the three parts there is special emphasis on Genesis Isaiah and the Psalms in order to make the book attractive for classes that deal with one or more of these books and might therefore include an iconographic perspective In addition to connecting with a major issue in biblical interpretation theology or visual studies each chapter will end with one or two exercises directing the reader student to comparable texts and images enabling them to apply what was described in the chapter for themselves This approach enables beginners as well as advanced readers to integrate iconography into their toolbox of exegetical skills
