

How To Read Tarot

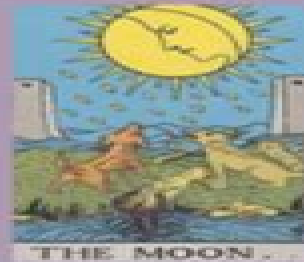

Tarot

Find a deck that is good for beginners. I recommend the Rider Waite Smith deck as many modern decks are based on this system.

You can purchase this deck from any good bookstore.

Don't spend too long trying to learn the traditional Tarot card meanings. Instead, spend some time looking at the deck's imagery.

What is the character on the Tarot card doing? How could you apply these actions in readings?

Start reading your Tarot cards as soon as possible.

Read for everyone. Take note of any thoughts or feelings that go through your head as you shuffle your cards as they may be relevant to you.
