Publications de la Société d'histoire turque, 1937      **The Criminalization of Violence Against Women** Heather Douglas, Kate Fitz-Gibbon, Leigh Goodmark, Sandra Walklate, 2023 Criminalization as a strategy to respond to violence against women is currently being debated across the globe In North and South America the United Kingdom and in Australia the criminalization of coercive control and other types of non physical forms of abuse are high on national agendas However the criminalization path has been unfolding in different ways with many questioning the effectiveness of criminal laws and their impact on victim survivors Authors in this collection assess the scope impact and alternatives to criminalization in the response to violence against women worldwide      **Learning Theory** John Shawe-Taylor, 2004-06-17 This book constitutes the refereed proceedings of the 17th Annual Conference on Learning Theory COLT 2004 held in Banff Canada in July 2004 The 46 revised full papers presented were carefully reviewed and selected from a total of 113 submissions The papers are organized in topical sections on economics and game theory online learning inductive inference probabilistic models Boolean function learning empirical processes MDL generalisation clustering and distributed learning boosting kernels and probabilities kernels and kernel matrices and open problems      **ABA Journal**, 1975-07 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association      *Regulating Obesity?* W.A. Bogart, 2013-10-01 *Regulating Obesity* Government Society and Questions of Health explores the effectiveness of legal interventions aimed at promoting healthier lifestyles In this book W A Bogart suggests that the government s emphasis on encouraging weight loss and preventing excess weight gain have largely failed to resolve obesity and have instead fueled prejudice against overweight people He suggests that a major challenge lies in shifting norms away from stigmatization of the obese and towards more nutritious and healthy lifestyle habits in addition to the acceptance of bodies in all shapes and sizes Part of this challenge lies in the complex effects of law and its relationship with norms including the unintended consequences of regulation *Regulating Obesity* begins by arguing for the protection of the overweight and obese from discrimination through human rights laws It then examines three other areas of interventions marketing fiscal policy and physical activity and how these interventions operate within the context of health equity Professor Bogart evaluates the effectiveness of legal regulation in addressing obesity and concludes that a healthier population is more important than a thinner population *Regulating Obesity* is the first book to engage in the comprehensive evaluation of this role for law and the implications of society s fascination with regulating consumption      *Disability, Criminal Justice and Law* Linda Steele, 2020-04-29 Through theoretical and empirical examination of legal frameworks for court diversion this book interrogates law s complicity in the debilitation of disabled people In a post deinstitutionalisation era diverting disabled people from criminal justice systems and into mental health and disability services is considered therapeutic humane and socially just Yet by drawing on Foucauldian theory of biopolitics critical legal and political theory

and critical disability theory Steele argues that court diversion continues disability oppression It can facilitate criminalisation control and punishment of disabled people who are not sentenced and might not even be convicted of any criminal offences On a broader level court diversion contributes to the longstanding phenomenon of disability specific coercive intervention legitimates prison incarceration and shores up the boundaries of foundational legal concepts at the core of jurisdiction legal personhood and sovereignty Steele shows that the United Nations Convention on the Rights of Persons with Disabilities cannot respond to the complexities of court diversion suggesting the CRPD is of limited use in contesting carceral control and legal and settler colonial violence The book not only offers new ways to understand relationships between disability criminal justice and law it also proposes theoretical and practical strategies that contribute to the development of a wider re imagining of a more progressive and just socio legal order The book will be of interest to scholars and students of disability law criminal law medical law socio legal studies disability studies social work and criminology It will also be of interest to disability prisoner and social justice activists
