

Application for an environmental permit Part C2 – General – varying a bespoke permit

Fill in this part of the form, together with part A and the relevant parts of C3 to C7 and part F1 or F2, if you are applying to vary (change) the conditions on any other part of the permit. Please check that this is the latest version of the form available from our website.

You only need to give as details in this application for the parts of the permit that will be affected (for example, if you are adding a new facility or changing existing ones).

Waste operations changing its installation or site versus

If your changes mean that a waste operation becomes an installation (or vice versa) you also need to fill in either part C3 (waste to installation) or part C4 (installation to waste).

You do not need to send any information from your original permit application if it is not affected by your proposed changes.

Please read through this form and the guidance notes that come with it.

This form can be:

- 1) saved onto a computer and then filled in. Please note that this form follows a logic that means operations will open or stay closed depending on a previous answer, so you may not be able to enter text in some boxes.
- 2) printed off and filled in by hand. Please write clearly in the answer spaces.

It will take less than two hours to fill in this part of the application form.
