Duct Tape Selling John Jantsch,2014-05-15 Many of the areas that salespeople struggle with these days have long been the domain of marketers according to bestselling author John Jantsch The traditional business model dictates that marketers own the message while sellers own the relationships But now Jantsch flips the usual sales approach on its head It s no longer enough to view a salesperson s job as closing Today s superstars must attract teach convert serve and measure while developing a personal brand that stands for trust and expertise In Duct Tape Selling Jantsch shows how to tackle a changing sales environment whether you re an individual or charged with leading a sales team You will learn to think like a marketer as you Create an expert platform Become an authority in your field Mine networks to create critical relationships within your company and among your clients Build and utilize your Sales Hourglass Finish the sale and stay connected Make referrals an automatic part of your process As Jantsch writes Most people already know that the days of knocking on doors and hard selling are over But as I travel around the world speaking to groups of business owners marketers and sales professionals the number one question I m asked is What do we do now I ve written this book specifically to answer that question At the heart of it marketing and sales have become activities that no longer simply support each other so much as feed off of each other s activity Sales professionals must think and act like marketers in order to completely reframe their role in the mind of the customer Successful Real Estate Selling Thomas Mourning,2007-03 Using Tom s techniques I went from being just an

average agent to making 90 000 in one month Bruce Maxon Prudential Realty Whether you have worked in real estate for some time and are producing average earnings or you are already a top producer Successful Real Estate Selling How to Make Big Money Even in Bad Markets can show you how to double your production and generate the same results in half the time Author and former real estate broker Thomas Mourning guides you through the process of selling real estate and discusses how to avoid mistakes increase your sales earnings and work toward results Successful Real Estate Selling shares Mourning s basic keys to success on such topics as the following Prospecting for motivated clients Coordinating open houses Searching for legitimate referrals Working with builders Handling seller price objections Negotiating and presenting an offer Closing the deal Mourning uses many personal real life examples to provide you with the how to specifics he s learned in more than twenty years of award winning real estate sales and management Let Successful Real Estate Selling be your guide to a lucrative real estate career Baseline Selling Dave Kurlan,2005-11 Baseline Selling How to Become a Sales Superstar

by Using What You Already Know About the Game of Baseball will dramatically change the way we approach the sales process replacing the gratuitous complexity advocated by today's sales experts with an elegant and very effective simplicity. Studies have shown that the selling techniques of the last two decades have had very little impact on most of the sales population less than 75 percent of all salespeople to be exact. Why? Because of the complexity learning curve and difficulty in applying the concepts in these systems. In response to the urgent need for a flexible innovative process that will enable people to grasp the essential skills necessary to close a sale in any situation, Baseline Selling reemphasizes the fundamentals of selling in a fresh memorable way that modern sales professionals can relate to and utilize and above all one that complements and enriches advanced sales methodologies. Salespeople who read this book and put its wisdom to work will succeed at acquiring more opportunities as they learn to get appointments more easily. They will excel at creating opportunities with prospects who are not interested. They'll sell at higher margins by using the Rule of Ratios. Their closing percentages will improve dramatically as they implement the simple Inoffensive Close. Salespeople selling commodities struggling to differentiate themselves will love Commodity Busters and every salesperson will be able to shorten their sell cycle by Taking a Lead. Quite simply Baseline Selling introduces a way for salespeople to visualize and touch all the sales bases without over complicating the process.

*The Four Steps to the Epiphany* Steve Blank, 2020-03-17 The bestselling classic that launched 10 000 startups and new corporate ventures The Four Steps to the Epiphany is one of the most influential and practical business books of all time. The Four Steps to the Epiphany launched the Lean Startup approach to new ventures. It was the first book to offer that startups are not smaller versions of large companies and that new ventures are different than existing ones. Startups search for business models while existing companies execute them. The book offers the practical and proven four step Customer Development process for search and offers insight into what makes some startups successful and leaves others selling off their furniture. Rather than blindly execute a plan The Four Steps helps uncover flaws in product and business plans and correct them before they become costly. Rapid iteration customer feedback testing your assumptions are all explained in this book. Packed with concrete examples of what to do how to do it and when to do it the book will leave you with new skills to organize sales marketing and your business for success. If your organization is starting a new venture and you're thinking how to successfully organize sales marketing and business development you need The Four Steps to the Epiphany. Essential reading for anyone starting something new. The Four Steps to the Epiphany was originally published by K S Ranch Publishing Inc and is now available from Wiley. The cover design and content are the same as the prior release and should not be considered a new or updated product.
