## **Becoming The Buddha The Ritual Of Image Consecration In Thailand:**

*Becoming the Buddha* Donald K. Swearer, 2004-02-15 The process by which this transformation occurs through chant sermon meditation and the presence of charismatic monks is at the heart of this book BOOK JACKET *Becoming the Buddha* Donald K. Swearer, 2020-07-21 *Becoming the Buddha* is the first book length study of a key ritual of Buddhist practice in Asia the consecration of a Buddha image or new Buddha a ceremony by which the Buddha becomes present or alive Through a richly detailed accessible exploration of this ritual in northern Thailand an exploration that stands apart from standard text based or anthropological approaches Donald Swearer makes a major contribution to our understanding of the Buddha image its role in Buddhist devotional life and its relationship to the veneration of Buddha relics Blending ethnography analysis and Buddhist texts related to this mimetic reenactment of the night of the Buddha s enlightenment he demonstrates that the image becomes the Buddha s surrogate by being invested with the Buddha s story and charged with the extraordinary power of Buddhahood The process by which this transformation occurs through chant sermon meditation and the presence of charismatic monks is at the heart of this book Known as opening the eyes of the Buddha image consecration traditions throughout Buddhist Asia share much in common Within the cultural context of northern Thailand *Becoming the Buddha* illuminates scriptural accounts of the making of the first Buddha image looks at debates over the ritual s historical origin at Buddhological insights achieved and at the hermeneutics of absence and presence and provides a thematic comparison of several Buddhist traditions Jataka Stories in Theravada Buddhism Naomi Appleton, 2016-05-06 Jataka stories stories about the previous births of the Buddha are very popular in Theravada Buddhist countries where they are found in both canonical texts and later compositions and collections and are commonly used in sermons children s books plays poetry temple illustrations rituals and festivals Whilst at first glance many of the stories look like common fables or folktales Buddhist tradition tells us that the stories illustrate the gradual path to perfection exemplified by the Buddha in his previous births when he was a bodhisatta buddha to be Jataka stories have had a long and colourful history closely intertwined with the development of doctrines about the Buddha the path to buddhahood and how Buddhists should behave now the Buddha is no more This book explores the shifting role of the stories in Buddhist doctrine practice and creative expression finally placing this integral Buddhist genre back in the centre of scholarly understandings of the religion **The Routledge Handbook of Material Religion** Pooyan Tamimi Arab, Jennifer Scheper Hughes, S. Brent Rodríguez-Plate, 2023-09-01 The Routledge Handbook of Material Religion places objects and bodies at the center of scholarly studies of religious life and practice Propelling forward the study of material religion the Handbook first reveals the deep philosophical roots of its key categories and then advances new critical analytics such as queer materialities inescapable material entanglements and hyperobjects that explode the small scale personal view on religions The Handbook comprises thirty chapters written by an international team of contributors who offer a global perspective of religious pasts

and presents divided into four thematic parts Genealogies of Material Religion Materializing the Terms of the Study of Religion Entanglements Entrapment Escaping Hyperobjects or How Ginormous Things Affect Religions In these four parts the study of material religion is redirected towards systematic critical interrogations of the imbrication of religious structures of power with racial economic political and gendered forms of domination From Spinoza s political theology to African philosophies of ubuntu from the queer materialities of Mesoamerican religion to the Satanic Temple of the United States from Islamic love and sacrifice in human animal entanglements to Shia militants attachment to weaponry from epidemic cataclysm in Latin America to vast infrastructures and the gathering of millions in India s Kumbh Mela the study of material religion proves to be the study par excellence of the human condition The Handbook is essential reading for students and researchers in religious studies anthropology history and media studies and will also be of interest to those in related fields such as archeology sociology and philosophy The Oxford Handbook of Contemporary Buddhism Michael K. Jerryson,2017 The Oxford Handbook of Contemporary Buddhism offers a comprehensive collection of work by leading scholars in the field They examine the historical development of Buddhist traditions throughout the world from traditional settings like India Japan and Tibet to the less well known regions of Latin America Africa and Oceania **The Oxford Handbook of Buddhist Practice** Paula Kane Robinson Arai, Kevin Trainor,2022 Foregrounds the impact of embodiment in Buddhism Highlights the diversity and fluidity of Buddhist identities The most comprehensive available volume on Buddhist practice Book jacket

Holy Things Nathan McGovern,2024 A common religious practice in Buddhist Thailand is asking holy things for help in return for an offering These holy things include local spirits Hindu gods and famous Buddha images which Thai people worship all in the same way Some people and even Thai Buddhists themselves have argued that this is syncretism a mixture of religions Holy Things shows that what appears to be syncretism is actually an illusion The worship of holy things is not a mixture of different religions but the category of holy things is a mixture of different ways of talking about religion The Life of Buddhism Frank Reynolds, Jason A. Carbine,2000-12-02 Bringing together 15 essays by international Buddhist scholars this book offers a distinctive portrayal of the life of Buddhism The contributors focus on a range of religious practices across the Buddhist world from New York to Tibet **Ritualizing the Disposal of the Deceased** William W. McCorkle,2010 Ritualizing the Disposal of the Deceased traces mortuary behavior from the early fossil record to modern religious contexts in diverse cultural settings By using archival and ethnographic evidence from Buddhist traditions the author highlights the disparity between doctrines that contradict actual practices performed by Buddhists themselves By appealing to the evolved cognitive architecture of human minds this book argues that ritualized disposal behavior is the by product of mental systems designed to handle living people Due to complex social intelligence humans are compelled to handle dead people in ritualized behaviors and to represent them in counterintuitive ways The author also examines the professional religious guilds that have taken advantage of these ritualized compulsions over the last several thousand years

by giving and controlling the meanings behind these actions Furthermore experimental evidence is given to support this hypothesis providing the first mature cognitive and evolutionary theory for mortuary behavior by humans      **Routledge**

**Handbook of Religions in Asia** Bryan S. Turner,Oscar Salemink,2014-09-25 The Routledge Handbook of Religions in Asia provides a contemporary and comprehensive overview of religion in contemporary Asia Compiled and introduced by Bryan S Turner and Oscar Salemink the Handbook contains specially written chapters by experts in their respective fields The wide ranging introduction discusses issues surrounding Orientalism and the historical development of the discipline of Religious Studies It conveys how there have been many centuries of interaction between different religious traditions in Asia and discusses the problem of world religions and the range of concepts such as high and low traditions folk and formal religions popular and orthodox developments Individual chapters are presented in the following five sections Asian Origins religious formations Missions States and Religious Competition Reform Movements and Modernity Popular Religions Religion and Globalization social dimensions Striking a balance between offering basic information about religious cultures in Asia and addressing the complexity of employing a western terminology in societies with radically different traditions this advanced level reference work will be essential reading for students researchers and scholars of Asian Religions Sociology

Anthropology Asian Studies and Religious Studies      Death and Reincarnation in Tibetan Buddhism Tanya Zivkovic,2013-10-08 Contextualising the seemingly esoteric and exotic aspects of Tibetan Buddhist culture within the everyday embodied and sensual sphere of religious praxis this book centres on the social and religious lives of deceased Tibetan Buddhist lamas It explores how posterior forms corpses relics reincarnations and hagiographical representations extend a lama s trajectory of lives and manipulate biological imperatives of birth and death The book looks closely at previously unexamined figures whose history is relevant to a better understanding of how Tibetan culture navigates its own understanding of reincarnation the veneration of relics and different social roles of different types of practitioners It analyses both the minutiae of everyday interrelations between lamas and their devotees specifically noted in ritual performances and the enactment of lived tradition and the sacred hagiographical conventions that underpin local knowledge A phenomenology of Tibetan Buddhist life the book provides an ethnography of the everyday embodiment of Tibetan Buddhism This unusual approach offers a valuable and a genuine new perspective on Tibetan Buddhist culture and is of interest to researchers in the fields of social cultural anthropology and religious Buddhist and Tibetan studies      *The Buddha* John Strong,2009-03-01

Revealing the man behind the icon From his many births to his deathbed deeds this authoritative biography unites the Buddha of history with the Buddha of legend in a bid to reveal the lasting spiritual relevance at the heart of the Buddhist tradition Acclaimed scholar John Strong examines not only the historical texts but also the supernatural accounts that surround this great religious figure uncovering the roots of many Buddhist beliefs and practices Accompanied by helpful charts and tables and drawing on a vast array of primary sources the text also features such key topics as biographical

accounts from all the Buddhist schools an analysis of the Buddha's enlightenment the life of the Buddha as depicted by Buddhist art and rituals and the relics of Siddhartha Gautama and how they continue his story even after his lifetime

Theravada Buddhism Kate Crosby, 2013-09-16 Theravada Buddhism provides a comprehensive introductory overview of the history teachings and current practice of an often misunderstood form of one of the world's oldest religious traditions Explores Theravada Buddhism's origins evolution teachings and practices Considers the practice of Theravada beyond Sri Lanka and Thailand by exploring a wealth of material from countries including Bangladesh Cambodia and Vietnam Reveals its rich and varied traditions and corrects common misunderstandings about links to other practices such as early Buddhism or Hinayana Buddhism Incorporates student friendly features including a glossary and other study aids **An Introduction to Engaged Buddhism** Paul Fuller, 2021-08-12 This textbook introduces and explores the ideas practices and philosophy of engaged Buddhism The movement holds that suffering is not just caused by the cravings of the mind but also by political and social factors therefore engaged Buddhists engage with social issues to achieve liberation Paul Fuller outlines the movement's origins and principles He then offers a comprehensive analysis of the central themes and issues of engaged Buddhism offering new insights into the formation of modern Buddhism The range of issues covered includes politics gender environmentalism identity blasphemy and violence These are illustrated by case studies and examples from a range of locations where Buddhism is practised Discussion points and suggested further reading are provided at the end of each chapter which will further enrich undergraduates' grasp of the topic **Bangkok Utopia** Lawrence Chua, 2021-02-28 Utopia is a word not often associated with the city of Bangkok which is better known for its disorderly sprawl overburdened roads and stifling levels of pollution Yet as early as 1782 when the city was officially founded on the banks of the Chao Phraya river as the home of the Chakri dynasty its orientation was based on material and rhetorical considerations that alluded to ideal times and spaces The construction of palaces monastic complexes walls forts and canals created a defensive network while symbolically locating the terrestrial realm of the king within the Theravada Buddhist cosmos Into the twentieth century pictorial narrative and built representations of utopia were critical to Bangkok's transformation into a national capital and commercial entrepôt But as older representations of the universe encountered modern architecture building technologies and urban planning new images of an ideal society attempted to reconcile urban based understandings of Buddhist liberation and felicitous states like nirvana with worldly models of political community like the nation state Bangkok Utopia outlines an alternative genealogy of both utopia and modernism in a part of the world that has often been overlooked by researchers of both It examines representations of utopia that developed in the city as expressed in built forms as well as architectural drawings building manuals novels poetry and ecclesiastical murals from its first general strike of migrant laborers in 1910 to the overthrow of the military dictatorship in 1973 Using Thai and Chinese language archival sources the book demonstrates how the new spaces of the city became arenas for modern subject formation utopian desires political hegemony and social

unrest arguing that the modern city was a space of antinomy one able not only to sustain heterogeneous temporalities but also to support conflicting world views within the urban landscape By underscoring the paradoxical character of utopias and their formal narrative expressions of both hope and hegemony Bangkok Utopia provides an innovative way to conceptualize the uneven economic development and fractured political conditions of contemporary global cities *Buddhist Warfare* Michael Jerryson, Mark Juergensmeyer, 2010-01-08 Though traditionally regarded as a peaceful religion Buddhism has a dark side On multiple occasions over the past fifteen centuries Buddhist leaders have sanctioned violence and even war The eight essays in this book focus on a variety of Buddhist traditions from antiquity to the present and show that Buddhist organizations have used religious images and rhetoric to support military conquest throughout history Buddhist soldiers in sixth century China were given the illustrious status of Bodhisattva after killing their adversaries In seventeenth century Tibet the Fifth Dalai Lama endorsed a Mongol ruler's killing of his rivals And in modern day Thailand Buddhist soldiers carry out their duties undercover as fully ordained monks armed with guns Buddhist Warfare demonstrates that the discourse on religion and violence usually applied to Judaism Islam and Christianity can no longer exclude Buddhist traditions The book examines Buddhist military action in Tibet China Korea Japan Mongolia Sri Lanka and Thailand and shows that even the most unlikely and allegedly pacifist religious traditions are susceptible to the violent tendencies of man **Inked: Tattoos and Body Art around the World** Margo DeMello, 2014-05-30 In recent decades tattoos have gone from being a subculture curiosity in Western culture to mainstream and commonplace This two volume set provides broad coverage of tattooing and body art in the United States today as well as around the world and throughout human history In the 1960s tattooing was illegal in many parts of the United States Today tattooing is fully ingrained in mainstream culture and is estimated to be a multi billion dollar industry This exhaustive work contains approximately 400 entries on tattooing providing historical information that enables readers to fully understand the methods employed the meanings of and the motivations behind tattooing one of the most ancient ways humans mark themselves The encyclopedia covers all important aspects of the topic of tattooing the major types of tattooing the cultural groups associated with tattooing the regions of the world where tattooing has been performed the origins of modern tattooing in prehistory and the meaning of each society's use of tattoos Major historical and contemporary figures associated with tattooing including tattooists tattooed people and tattoo promoters receive due attention for their contributions The entries and sidebars also address the sociological movements involved with tattooing the organizations the media dedicated to tattooing such as television shows movies magazines websites and books and the popular conventions carnivals and fairs that have showcased tattooing *The Buddha in Lanna* Angela S. Chiu, 2017-03-31 For centuries wherever Thai Buddhists have made their homes statues of the Buddha have provided striking testament to the role of Buddhism in the lives of the people The Buddha in Lanna offers the first in depth historical study of the Thai tradition of donation of Buddha statues Drawing on palm leaf manuscripts and inscriptions many

never previously translated into English the book reveals the key roles that Thai Buddha images have played in the social and economic worlds of their makers and devotees from the fifteenth to twentieth centuries Author Angela Chiu introduces stories from chronicles histories and legends written by monks in Lanna a region centered in today's northern Thailand By examining the stories themes structures and motifs she illuminates the complex conceptual and material aspects of Buddha images that influenced their functions in Lanna society Buddha images were depicted as social agents and mediators the focal points of pan regional political religious lineages and rivalries indeed as the very generators of history itself In the chronicles Buddha images also unified the Buddha with the northern Thai landscape thereby integrating Buddhist and local conceptions of place By comparing Thai Buddha statues with other representations of the Buddha the author underscores the contribution of the Thai evidence to a broader understanding of how different types of Buddha representations were understood to mediate the presence of the Buddha The Buddha in Lanna focuses on the Thai Buddha image as a part of the wider society and history of its creators and worshippers beyond monastery walls shedding much needed light on the Buddha image in history With its impressive range of primary sources this book will appeal to students and scholars of Buddhism and Buddhist art history Thai studies and Southeast Asian religious studies *The Ordination of a Tree* Susan M.

Darlington, 2012-11-15 Thai Buddhist monks wrap orange clerical robes around trees to protect forests Ordaining a tree is a provocative ritual that has become the symbol of a small but influential monastic movement aimed at reversing environmental degradation and the unsustainable economic development and consumerism that fuel it This book examines the evolution of this movement from the late 1980s to the present exploring the tree ordination and other rituals used to resist destructive national projects Susan M Darlington explores monks motivations showing how they interpret their lived religion as the basis of their actions and provides an in depth portrait of activist monk Phrakhru Pitak Nanthakhun The obstacles monks face including damage to their reputations arrest and even assassination reveal the difficulty of enacting social justice Even the tree ordination itself must now withstand its appropriation for state projects Despite this monks have gone from individual action to a loosely allied movement that now works with nongovernmental organizations This is a fascinating firsthand account of engaged Buddhism **The Encoded Cirebon Mask** Laurie Margot Ross, 2016-08-29 In The Encoded Cirebon Mask Materiality Flow and Meaning along Java's Islamic Northwest Coast Laurie Margot Ross situates masks and masked dancing in the Cirebon region of Java Indonesia as an original expression of Islam This is a different view from that of many scholars who argue that canonical prohibitions on fashioning idols and imagery prove that masks are mere relics of indigenous beliefs that Muslim travelers could not eradicate Making use of archives oral histories and the performing objects themselves Ross traces the mask's trajectory from a popular entertainment in Cirebon once a portal of global exchange to a stimulus for establishing a deeper connection to God in late colonial Java and eventual links to nationalism in post independence Indonesia

## Enjoying the Tune of Expression: An Emotional Symphony within **Becoming The Buddha The Ritual Of Image Consecration In Thailand**

In a global taken by monitors and the ceaseless chatter of fast connection, the melodic elegance and emotional symphony developed by the written term frequently fade in to the back ground, eclipsed by the constant noise and disruptions that permeate our lives. But, set within the pages of **Becoming The Buddha The Ritual Of Image Consecration In Thailand** a marvelous fictional prize overflowing with raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that captivating masterpiece conducts visitors on an emotional trip, well unraveling the concealed tunes and profound affect resonating within each cautiously crafted phrase. Within the depths of the poignant assessment, we will explore the book is key harmonies, analyze their enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
