

Wrong email address

A couple going on vacation but his wife was on a business trip so he went to the destination first and his wife would meet him the next day.

When he reached his hotel, he decided to send his wife a quick email.

Unfortunately, when typing her address, he mistyped a letter and his note was directed instead to an elderly preacher's wife whose husband had passed away only the day before.

When the grieving widow checked her email, she took one look at the monitor, let out a piercing scream, and fell to the floor in a dead faint.

At the sound, her family rushed into the room and saw this note on the screen:

Dearest Wife,

Just got checked in. Everything prepared for your arrival tomorrow.

Bedtime Stories For Adults Funny:

The Complete Short Stories of Mark Twain (Illustrated) Mark Twain, 2023-12-23 Mark Twain's *The Complete Short Stories of Mark Twain Illustrated* presents a remarkable compilation of the author's wit and narrative skill encapsulating the breadth of his literary genius. Featuring tales imbued with humor, social criticism, and a deep understanding of human nature, these stories unfold within a uniquely American context, reflecting the complexities of 19th-century society. Twain's signature use of dialect and vivid characterization not only entertains but also serves as a medium for critique on topics such as race, class, and morality. The illustrations that accompany the text enhance the reading experience, adding a visual dimension to Twain's playful yet poignant storytelling style. Mark Twain, born Samuel Clemens, was profoundly influenced by the societal norms and challenges of his time, which shaped his literary output. Raised along the Mississippi River, he witnessed firsthand the American frontier's struggles and the moral dilemmas facing his contemporaries. His experiences as a riverboat pilot, gold prospector, and journalist contributed significantly to his rich narrative voice, enabling him to empathize with his characters and present their stories with authenticity and depth. This extraordinary compilation is essential for readers curious about American literature and those who appreciate humor rooted in social commentary. Twain's masterful blend of satire and storytelling invites both old fans and new readers to explore the intricacies of human experience, making this illustrated edition a treasured addition to any literary collection. *Gardener's Guide to September/October Wildflowers* Paul R.

Wonning, This wildflower identification guide includes over twenty common fall-blooming wildflowers with photographs. *Gardener's Guide to September/October Wildflowers* allows easier identification of wildflowers in the field because it is composed only of the late summer and early fall. Late summer-blooming wildflowers tend to be flowers of the vast great American prairie. The prairies occupied the interior of the North American continent and supported a cornucopia of flowers, grasses, and herbs. The prairies have disappeared, and these former prairie wildflowers now occupy sunny meadows and roadsides throughout the Midwest. *Fall guide field identification wildflower Indiana autumn*
