**Tuning** Julie Henigan,2015-12-31 DADGAD is rapidly gaining acceptance as the other standard tuning Tune your guitar to it and find out why This book is intended for guitarists who want to explore the D A D G A D tuning but feel a need for more guidance than their ears alone can provide the majority of these selections are traditional Irish dance tunes airs and songs Accessible to musicians with at least an intermediate knowledge of guitar technique In tablature and notation Mozipedia Simon Goddard,2012-04-24 Steven Patrick Morrissey is one of the most original and controversial voices in the history of popular music With The Smiths he led the most influential British guitar group of the 1980s his enigmatic wit and style defining a generation As a solo artist he has continued to broach subjects no other singer would dare Worshipped by some vilified by others Morrissey is a unique rock and roll creation The 300 000 words of Mozipedia make this the most intimate and in depth biographical portrait of the man and his music yet Bringing together every song album collaborator key location every hero book film and record to have influenced his art it is the summation of years of meticulous research Morrissey authority Simon Goddard has interviewed almost everybody of any importance making Mozipedia the last word on Morrissey and The Smiths **The Devil Is in It** John Stubbings,2025 The rich history of the acoustic guitar and its impact on the music world **Rock: The Primary Text - Developing a Musicology of Rock** Allan F Moore,2017-11-01 This title was first published in 2001 Revised to respond to developments within the discipline and with new material added to reflect the author s and others further work in this field this book s focus remains British rock Its aims are to establish analytic criteria for rock as a whole to provide a historicized discussion of British rock and to enable a critical re evaluation of progressive rock itself This book has been written in the conviction that with rock criticism and commentary in general insufficient attention is paid to what the author calls the primary text that constituted by the sounds themselves as opposed to commentaries on them In the first chapter Allan Moore argues for the development of a musicology particular to rock which may share aspects of established musicology but which acknowledges that rock differs in its purposes publics and aims The primary elements of such a musicology are then laid out in Chapter 2 Next there are critiques of rock myths of authenticity and unmediated expression These are centred on the ideological appropriation of the ethos and techniques of the blues and

extend to discussions of a range of more recent rock styles The crucial role played by authenticity in the reception of rock is considered at more length in Chapter 5
