Big Brainz At Home:

Big Brains and the Human Superorganism Niccolo Leo Caldararo, 2017-09-05 This book examines why humans have big brains what big brains enable us to do and how specialized brains are associated with eusociality in animals It explores why brains expanded so slowly and then why they stopped growing This book whittles down the theories on brain size evolution to a few that represent testable hypotheses to identify logical and practical explanations for the phenomenon At the core of this book is data derived from original previously unpublished research on brain size in a number of social mammals This data supports the idea that evolution of the brain in humans is the result of social interaction This book also traces the products of the social brain ideology religion urban life housing and learning and adapting to dense complex social interactions It uniquely compares brain evolution in social animals across the animal kingdom and examines the nature of the human brain and its evolution within the social and historical context of complex human social structures **Big Brain Book** Leanne

Psychology as a Natural Science Applied to the Solution of Occult Psychic Phenomena Charles Godlove Raue,1889 **The Invisible Sex** J. M. Adovasio,Olga Soffer,Jake Page,2016-09-16 Shaped by cartoons and museum dioramas our vision of Paleolithic times tends to feature fur clad male hunters fearlessly attacking mammoths while timid women hover fearfully behind a boulder Recent archaeological research has shown that this vision bears little relation to reality J M Adovasio and Olga Soffer two of the world's leading experts on perishable artifacts such as basketry cordage and weaving present an exciting new look at prehistory With science writer Jake Page they argue that women invented all kinds of critical materials including the clothing necessary for life in colder climates the ropes used to make rafts that enabled long distance travel by water and nets used for communal hunting Even more important women played a central role in the development of language and social life in short in our becoming human In this eye opening book a new story about women in prehistory emerges with provocative implications for our assumptions about gender today

The Flight of the Mayflower Zanne Raby,2020-12-07 2080 The world is dying Travel into the future to a time when nothing is certain Where terrorist groups have joined forces with biohackers developing a deadly bio engineered disease that marches across the continents like a conquering army leaving millions dead in its murderous swathe Where drought and famine plague an already overpopulated globe and massive waves of refugees stream across the planet seeking sanctuary Meanwhile some of the best and brightest minds on the planet are feverishly at work constructing mega gigantic Space Arks to shuttle hundreds of thousands of people to a colony on Mars And it seems like there's more good news world leaders announce that a vaccine is ready so roll up your sleeves and get on with your lives It's all good it's all returning to normal But the truth is very different In The Flight of the Mayflower the first novel in The Deneb Chronicles Dr Daniel Radu project manager for NASA's Space Ark Mayflower uncovers a global conspiracy of immense proportions World leaders and the elite are readying themselves for a one way ticket to Mars leaving the masses clutching at empty promises Defiant and unwilling to become another casualty Daniel cooks up a scheme of his own Joined by a team of global experts Daniel and his colleagues brace themselves for a journey of a lifetime as they trek across the galaxy in a quest
