feeling well a consuming state of righteous indignation and moral outrage And this response makes sense because our very certainty tells us that there are simple and obvious causes and solutions to the hot button issues we care about most But the things we care about the most are far more often than not morally and ethically complex If the problems that divide us are inherently complicated then a sense that the answers are obvious and that anyone who disagrees must be deficient in some way is misplaced It is an oversimplification that both leads to and reflects faulty thinking When we are certain we not only fail to recognize the possibility that we are wrong but also fail to be clear about the principles and values that drive our disagreement in the first place By committing to challenging and clarifying our thinking by avoiding the trap certainty sets for us we can increase social trust reduce political polarization and better address the world's pressing challenges

Lenin's Swastika, Hitler's socialism, Swastika Year 2022 Micky Barnetti, Lin Xun, Harrison Bergeron, Dead Writers Club, Lenin's swastika is exposed for the first time herein The impact of Vladimir Lenin's swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin Its influence upon Adolf Hitler is explained in this book Lenin predated Hitler but Lenin's *raison d'être* was that other German Karl Marx Hitler and Marx are always trending on the internet and that is not the case for Lenin Ideas from the Deutschland duo are adored and repeated often on social media and by the mainstream media MSM Marx was glorified in the 2018 video Chinese President Xi Jinping delivers speech on anniversary of Marx's birth In the embarrassing homage Xi openly drooled over the western male racist socialist It is reminiscent of Lenin's reverence for Marx A larger than life portrait of Marx hangs

next to the outdated hammer and sickle symbol that China parroted from Lenin's Soviet socialism How humiliating China is led around by its nose tied to the same old German who influenced Hitler Of course China has the largest population billions who self identify the same as Hitler SOCIALIST that is also the same way that Marx and Lenin self identified Is there any other country of that size that openly worships a foreigner as their great white savior The books of Marx and Hitler were once considered too dangerous for the general public But Mein Kampf was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon's better selling book titles America's love affair with German philosophy stretches back to the mid 1800s and farther Many Americans struggle to bring Germany's past into the present at every election MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll Two politicians in the USA Alexandria Ocasio Cortez AOC Bernie Sanders BS boastfully self identify the same as Hitler SOCIALIST They also admire Lenin and Marx Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialist According to another report 60 percent of Millennials age 24-39 support a complete change of our economic system Lenin Marx and Hitler were anti bourgeois and advocated revolution Many Americans long for the same revolutions The ideas of the beloved Deutschland duo Marx and Hitler continue to grow in popularity Germany's two top white male racist political philosophers stay in vogue even though their policies remain a mystery For example the following facts with credit to the archives of the historian Dr Rex Curry will come as news to most readers 1 Hitler and Marx were popular in the USA Two famous American socialists the cousins Edward Bellamy and Francis Bellamy were heavily influenced by Marx The American socialists returned the favor Francis Bellamy created the Pledge of Allegiance to the Flag that produced Nazi salutes and Nazi behavior The Bellamys were American national socialists For more on that advance to chapter 6 on Bellamy salutes 2 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 3 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 4 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Mein Kampf as a self description by Hitler 5 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 6 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 7 The term Nazi isn't in Mein Kampf nor in Triumph of the Will 8 The term Fascist never appears in Mein Kampf as a self description by Hitler 9 The term swastika never appears in the original Mein Kampf 10 There is no evidence that Hitler ever used the word swastika 11 The symbol that Hitler did use was intended to represent S letter shapes for socialist NEW DISCOVERY That is why Hitler changed the name of his party It was imperative that the party's name include the word socialist so that it would coordinate with Hitler's party emblem 12 Hitler altered his own signature to reflect his S shapes for socialism logo branding 13 Mussolini was a long time socialist leader

with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 14 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists 15 German socialists and Soviet socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler s Holocaust 16 After Hitler s death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that Hitler had captured He used the same facilities that Hitler had used Hitler s Holocaust never ended Stalin replaced Hitler Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide

**Explaining Emotions** Amélie Rorty, 1980-05-09 The challenge of explaining the emotions has engaged the attention of the best minds in philosophy and science throughout history Part of the fascination has been that the emotions resist classification As adequate account therefore requires receptivity to knowledge from a variety of sources The philosopher must inform himself of the relevant empirical investigation to arrive at a definition and the scientist cannot afford to be naive about the assumptions built into his conceptual apparatus The contributors to this volume have approached the problem of characterizing and classifying emotions from the perspectives of neurophysiology psychology and social psychology as well as that of philosophical psychology They discuss the difficulties that arise in classifying the emotions assessing their appropriateness and rationality and determining their function in motivating moral action
