Heinrich Himmler - Wege zu Hitler Michael Alisch, 2010 Diese Studie geht der Frage nach warum der aus dem humanistisch geprägten Bildungsbürgertum des Deutschen Kaiserreiches entstammende junge Heinrich Himmler zu einem berzeugten Nationalsozialisten und zu einem der treuesten und verlässlichsten Anhänger Adolf Hitlers wurde und mit diesem maßgeblich verantwortlich war für den Genozid an Millionen Juden und anderen Volksgruppen in Europa Bei der Darstellung von Himmlers Entwicklung zum jungen Mann verknüpft der Autor die historisch biografische Herangehensweise mit psychoanalytischen Denkweisen über die Entstehung von gesunden und zwanghaften Persönlichkeiten Mit diesem Ansatz eröffnet er einen neuen Zugang zum Verstehen und Erklären der Persönlichkeitsstruktur Heinrich Himmlers

Heinrich Himmler Klaus Mies-Baron, 2011 English summary No name is more closely associated with the organisation and execution of the Holocaust than that of Heinrich Himmler In his youth he already expressed the desire to become an officer in the armed forces Germany's defeat in 1918 and the collapse of the German empire put a temporary stop to this notion Subsequent political events and upheavals triggered a process of extreme radicalisation in Himmler which culminated when he personally met Adolf Hitler and joined the NSDAP Organisational talent determination extreme antisemitism and utter ruthlessness towards himself and others made a sinister combination of personal traits that ultimately led to Himmler's appointment as Reichsführer of the SS This study discusses the period up until January 30th 1933 The early SS organisation the implementation of the Führerprinzip leader principle within the NSDAP and the new type of propaganda campaign marked the cornerstones of Hitler's rise to Reich Chancellor Central to these developments however was the career of a man who was to become the most evil mass murderer of the last century

German text German description Keine andere Person ist mit der Organisation und Durchführung des Holocaust stärker verbunden als Heinrich Himmler Bereits als Jugendlicher äussert Himmler den Wunsch Berufsoffizier zu werden Die Kriegsniederlage 1918 und der Zusammenbruch des Kaiserreichs bedeuten das Ende dieser Vorstellungen Die folgenden politischen Ereignisse und Umwälzungen setzen eine extreme Radikalisierung in Gang an deren Ende die persönliche Bekanntschaft mit Adolf Hitler und schliesslich der Eintritt in die NSDAP stehen Organisationstalent Zielstrebigkeit ein extremer Antisemitismus und rücksichtslose Härte gegenüber sich selbst und anderen sind die entscheidenden Eigenschaften Heinrich Himmlers die schliesslich in ihrer unheilvollen Kombination seine Ernennung zum Reichsführer SS

bewirken Diese Studie thematisiert den Zeitraum bis zum 30 Januar 1933 Die fruhe Organisation der SS die Durchsetzung des Fuhrerprinzips innerhalb der NSDAP und die neuartige Propagandaarbeit sind entscheidende Eckpunkte auf dem Weg zur Reichskanzlerschaft Hitlers Im Mittelpunkt steht jedoch der Lebenslauf eines Mannes der sich zum schlimmsten Massenmorder des vergangenen Jahrhunderts entwickelt **Heinrich Himmler** Peter Longerich,2011-10-27 As head of the SS chief of police Reichskommissar for the Consolidation of Germanness and Reich Interior Minister Heinrich Himmler enjoyed a position of almost unparalleled power and responsibility in Nazi Germany Perhaps more than any other single Nazi leader aside from Hitler his name has become a byword for the terror persecution and destruction that characterized the Third Reich His wide ranging powers meant that he bore equal responsibility for the repression of the German people on the home front and the atrocities perpetrated by the SS in the East Yet in spite of his central role in the crimes of the Nazi regime until now Himmler has remained a colourless and elusive figure in the history of the period In this the first ever comprehensive biography of the SS Reichsf hrer leading German historian Peter Longerich puts every aspect of Himmler s life under the microscope Masterfully interweaving the story of Himmler s personal life and political career with the wider history of the Nazi dictatorship Longerich shows how skilfully he exploited and manipulated his disparate roles in the pursuit of his far reaching and grandiose objectives In the process he illuminates the extraordinary degree to which Himmler s own personal prejudices idiosyncrasies and predilections made their mark on the organizations for which he was responsible especially the SS which in so many ways bore the characteristic hallmarks of its leader and whose history remains both incomplete and incomprehensible without a detailed and intimate knowledge of its deeply sinister commander in chief

Himmler ordered them to show backbone as their commands had few bounds The Swedes and Swiss negotiated with Himmler who allowed over 10 000 concentration camp prisoners taken to safety before Hitler intervened Himmler conducted peace feelers via the Swedes before the German surrender in May 1945 while trying to make contact with British Field Marshal Montgomery These contacts went unanswered Himmler was captured by the British and then committed suicide on 23 May 1945

Himmler's Crusade Christopher Hale, 2013-02-18 In 1938 on the eve of war a Nazi expedition set out through British India on a mission sponsored by Himmler himself Its aim was to trace the origins of the Aryan race high in the sacred mountains of Tibet The expedition was led by two complex individuals Ernst Schfer a swashbuckling gun toting naturalist for whom Nazism promised a short cut to personal glory and Bruno Beger an anthropologist whose racial theories were taken to their logical conclusion in Auschwitz Schfer and Beger soon found themselves battling hostility from the British being manipulated by the Tibetans and struggling with the primitive conditions in the holy city of Lhasa Every detail of the expedition was recorded in diaries letters and secret reports It was also documented in thousands of extraordinary photographs some of which are reproduced here for the first time in decades and on film Despite this abundant documentation the full story of Schfer's ill fated expedition has never been told This encounter between the British and the Nazis so close to the Second World War forms a picture in little of the conflict to come

Himmler's Children Guus de Vries, 2024-07-30 The Nazis dream was to populate their future Greater German Reich exclusively with racial valuable people and Himmler became the main executor of this gruesome and unimaginable plan For this purpose millions of inferior people had to be expelled or killed while as many men women and children of Germanic descent as possible had to be brought together in the territory of the Third Reich Children were the key players in Himmler s sinister plans and the Lebensborn program exploited luxurious maternity homes led by SS officers for selected women with the required Aryan features The pregnant women often not married and the fathers of their future children usually members of the SS had to comply with very strict racial requirements Himmler considered their offspring as the future nobility of the Germanic empire Obsessed with racial purity and birth rates the Lebensborn program fell directly under Himmler s personal control and arguably became his favorite project He spent hours drawing up selection criteria regulations and dietary requirements personally studying the files of mothers and children and using his private aircraft to transport them to other Lebensborn establishments The organization was active throughout Germany and the occupied Western European countries and was also involved in the abduction of Aryan children from Eastern and Central Europe On Himmler s orders tens of thousands of blond blue eyed children in Poland Slovenia the Czech Republic and other countries were abducted for Germanisation partly in Lebensborn children s homes Himmler was so absorbed by the racial delusion he was convinced this policy served a dual purpose by abducting the superior children he robbed the subjected countries of their future leaders while at the same time strengthening the Germanic race
