Douglas A. Balzer,2021-11-30 The power of darkness remains notably present in our world The ministries of healing and

deliverance have always been intended to function as primary signs of Christ's advancing Kingdom of Light. Yet why were they so prolific during the time of Christ and the Early Church but distant today? How might we reclaim these while avoiding the ditches that harmed the church in the past? How might we re-establish healing and deliverance as critical facets to disciple making? Balzer leads you on this exploratory journey considering the foundation of scripture history and evidence-based research. Numerous recommendations are given to forming these expressions in a healthy, balanced and reproducible manner. Jesus desires to light up the dark.

*Because You Prayed* Judy Mizu, 2022-03-31 *Because You Prayed* is a resource for all of those praying with desperate concern for prodigals. These thirty days of prayer and decrees have been selected from my journey and personal journal. The chosen themes represent the struggles I faced in believing for my family's restoration and how a solid scriptural foundation helped put that faith in action through prayer. I have set the stage for these days of prayer by telling our family's story. As the entries indicate, there were often more challenges than celebrations. However, our story becomes a testimony to add an element of authentic hope. The grand crescendo of the book is a thank you letter from my son. His lived experience, breakthroughs and years of restored destiny will fan the flame of confident expectation for the readers. *Because You Prayed* will be a source of encouragement enabling more individuals and families to also develop their own testimony.
