Chilton,2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors bloggers and stars from the entertainment industry The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith But how does one respond to these objections For the laity of the church this is especially difficult as many are left without the proper

training to know how to answer these objections In *The Layman's Manual on Christian Apologetics* the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary In this book three major areas of apologetics are covered The first unit engages the nature of truth and what can be known The second unit deals with the existence of God and issues involving God's existence The last unit tackles historical objections to the resurrection of Jesus and early Christianity *The Layman's Manual on Christian Apologetics* delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable *Moral Apologetics for Contemporary Christians* Mark Coppenger, 2011-10-14 A respected Christian apologist thoughtfully pushes back against critics of the faith as well as cultural relativists arguing that Christianity is morally superior to its competitors and above all true **Short Strolls in Faith** B. Following Christ Whithersoever He Goes C. Matthew McMahon,2023-07-17 The book of Revelation is apocalyptic literature God s revealed truth in fantastical images a way of teaching Old Testament ideas to the New Testament church In John s day he desired the churches under his apostolic authority to walk in a specific manner From Revelation 14 McMahon explains the practical nature of the militant Christian expounding these words of the Apostle These are they which were not defiled with women for they are virgins These are they which follow the Lamb whithersoever he goeth Throughout Revelation John shapes the cross of Christ into the imagery of the Lamb who stands in the midst of the church in heaven and rules them by his covenant To follow the Lamb whithersoever he goes is when the Christian makes God s will the rule of their own will These Christians in heaven rejoice in Christ being both holy and happy and the church on earth ought to mimic them they too desiring to be both holy and happy to have their sins mortified as well as pardoned to be sanctified as well as saved to live to God here as well as to live with God after in heaven so they will follow Christ whithersoever he goes How is it that the slain Lamb leads you How do you willingly follow him To follow Christ implies walking with him it is to follow it is to move This study focuses on that little phrase in Rev 14 4 follow the Lamb whithersoever he goeth that Christians follow Christ They

follow him for who he is for who they are in contrast to the world in opposition to compromise and false religion and into all kinds of providences They follow him in times of ease or frowning providences and they do all this for his glory *7 Truths That Changed the World* Kenneth Richard Samples, 2012-05 Seasoned apologist examines seven truth claims that have transformed the church and turned the world upside down [Coming to Faith Through Dawkins](#) Alister McGrath, Denis Alexander, 2023-08-29 Richard Dawkins Christian evangelist Editors Denis Alexander and Alister McGrath gather other intelligent minds from around the world to share their startling commonality Richard Dawkins and his fellow New Atheists were instrumental in their conversions to Christianity Despite a wide range of backgrounds and cultures all are united in the fact that they were first enthusiasts for the claims and writings of the New Atheists But each became disillusioned by the arguments and conclusions of Dawkins causing them to look deeper and with more objectivity at religious faith The fallacies of Christianity Dawkins warns of simply don't exist Spending time in this fascinating and powerful book is like being invited to the most interesting dinner party you've ever attended Listen as twelve men and women from five different countries across a variety of professions philosophers artists historians engineers scientists and more explain their journeys from atheism to faith In the end you may come away having reached the same conclusion authentic Christian faith is in fact more intellectually convincing and rational than New Atheism Lucid as well as exhilarating and wide ranging Rupert Shortt Von Hgel Institute University of Cambridge and author of *God Is No Thing* Many people including nonbelievers like me have found Dawkins's strident atheism upsetting to the point of offensive I would never have thought that as *Coming to Faith Through Dawkins* shows in wonderful detail for some Dawkins's rantings were the spur to Christian faith Michael Ruse Professor of Philosophy Emeritus University of Guelph Ontario This is a novel book real life stories of people who have actually come to faith not in spite of but through Richard Dawkins It must be his own worst nightmare William Lane Craig Houston Christian University *Whoever Controls the Schools Rules the World* Gary DeMar, 2007 **Right from Wrong** Mark Alan Smith, 2022-11-15 Where does morality come from Apologists people who offer a formal defense of their religion point to God as the answer By inspiring scriptures that people can read study and teach God supposedly gave humanity a guidebook for how to live Award winning scholar of religion and politics Mark Alan Smith shows the errors in this chain of assumptions Apologists find themselves forced to accept a book that condemns same sex love and authorizes slavery genocide capital punishment for minor offenses and many other practices widely recognized today as immoral Apologists try to protect their worldview by ignoring the offending passages constructing strained reinterpretations rationalizing the indefensible or appealing to God's mysterious ways Is there a non religious method for discovering the elements of an objective morality Yes Smith argues the worldview of humanism Humanists apply reason logic and evidence to all subjects Smith's humanist approach to morality relies on discussion and debate among diverse participants as the best means to attain a moral code stripped of the biases of each individual group and society The result is a hopeful portrait of how to build on the moral

progress humans have achieved since the writing of religious scriptures
