## DOUBLE BARREL SHOT GUNS

Crescent double guns compete with the lowest priced American guns made, with this decided advantage—they are different from all others of their class in *Appearance and Action*. The Side Plate style lends itself to greater beauty of design and finish, and makes possible quick and easy access to all working parts. In addition to the rugged strength and traditional reliability of Crescent guns, there have been added for 1930 new refinements of appearance, more exact standards of workmanship—so that in "Crescent," now more than ever before, you have "Today's Greatest Value Among Popular Priced Guns."
