

The Crucible Act 2 Study Questions

It's been seven months since the affair between John and Abigail ended, and tension continues to hang over John and Elizabeth's relationship. Give two examples from early in the scene where John appears to be trying to make peace and please his wife. - 1. he says her rabbit soup is greatly seasoned to boost her confidence.

2. He also says if the crop is good ill by George Jacobs that heifer. To make her happy

John says, "It's winter in here yet." Explain the double-meaning of this line. - inside the house is really bland so he wants the newly bloomed flowers of the transformation of winter to spring to be brought in the home. Also, the attitudes between John and Elizabeth Proctor are still suffering the consequences of his past actions.

When they're speaking alone about Abigail, Elizabeth catches John in a lie. What's the lie? Why does this make her lose all faith in her husband? - he was in a room alone with Abby talking about the night in the woods. This makes Elizabeth lose all faith in John because he told Elizabeth that night had nothing to do with witchcraft in a crowd of people. But then he later exposes to her that she was talking to him alone in Betty Parris' room.

Elizabeth suspects that her husband is not entirely over his warm feeling for Abigail. Is she right or wrong? Look back over the exchange between Abigail and John in Act 1 and give evidence to support your answer. - she is right. He turned Abigail away one time in Rev. Parris's house but he also did not deny to Abby that she sees him out of her window at night watching her.

It's been 8 days since Rev. Hales' arrival and 39 people have been arrested as suspected witches. Tonight we learn that Goody Osburn has been convicted and will hang, yet Sarah Good who confessed, will be spared and sent to jail instead of being hanged. What "evidence" led to Sarah Good's confession? - she did not want to die and going to jail would be better than dying.

John says the promise that a stallion gives a mare I gave Abigail yet Elizabeth knows that there is a promise made in any bed. What does Elizabeth understand about young women like Abigail that John does not? - she understands Abby because she was a young woman once and she can understand Abby's feeling attitudes and lust-filled mind about John.

Explain why golden candlesticks hurt John Proctor's prayer. - it hurts John Proctor's prayer because he is having to pay with his own money for these golden candlesticks with his own money for a minister he believes has nothing to do with Christ our Lord.

What's the irony of John's recitation of the ten commandments? - he could not speak about the last one "adultery" because he committed it and he was ashamed of saying this.

Secondary and College Classrooms Nicholas J. Karolides, 2013-04-15 This text based on Louise M Rosenblatt's transactional model of literature focuses on the application of transactional reader response theory in the classroom It grows from frequent requests from secondary school and college teachers for teaching suggestions on how to put theory into practice This is not a What should I do on Monday cookbook but an expression of the practice of theory in college and secondary school classrooms The chapters portray a spectrum of strategies including biopoems expressive and imaginative writing journal writing readers theater role playing and unsent letters using as examples individual works from several genres Recognizing that teachers who may have been trained in other theories and methodologies may be hesitant about their quite different role and expectations in the reader centered classroom the authors provide stepping stones to develop readiness and confidence suggestions and insights to ease the transition to the transactional model of teaching and learning Pedagogical features An explanatory introduction to each section defines its orientation and describes the content and direction of the chapters it contains Invitations elicit engagement of readers with concepts attitudes or strategies presented in the chapters they invite readers as individuals or members of a small group to consider ideas or to practice a strategy among other activities in order to enhance understandings A glossary defines key concepts and strategies discussed in the text A bibliography provides an extensive list of resources books and journal articles both theoretical and applied New in the second edition Six new chapters three deal with the roles of film as literature in the English classroom and three with enhancing multicultural understandings Updates and revisions to several chapters that appeared in the first edition Invitations new in this edition have been added to focus and expand readers thinking *Reading and Writing the Electronic Book* Catherine Marshall, 2022-06-01 Developments over the last twenty years have fueled considerable speculation about the future of the book and of reading itself This book begins with a gloss over the history of electronic books including the social and technical forces that have shaped their development The focus then shifts to reading and how we interact with what we read basic issues such as legibility annotation and navigation are examined as aspects of reading that ebooks inherit from their print legacy Because reading is fundamentally communicative I also take a closer look at the sociality of reading how we read in a group and how we share what we read Studies of reading and ebook use are integrated throughout the book but Chapter 5 goes meta to explore how a researcher might go about designing his or her own reading related studies No book

about ebooks is complete without an explicit discussion of content preparation i.e. how the electronic book is written. Hence Chapter 6 delves into the underlying representation of ebooks and efforts to create and apply markup standards to them. This chapter also examines how print genres have made the journey to digital and how some emerging digital genres might be realized as ebooks. Finally Chapter 7 discusses some beyond the book functionality: how can ebook platforms be transformed into portable personal libraries? In the end, my hope is that by the time the reader reaches the end of this book, he or she will feel equipped to perform the next set of studies, write the next set of articles, invent new ebook functionality, or simply engage in a heated argument with the stranger in seat 17C about the future of reading.
