## **Contractual Correspondence For Architects And Project Managers:**

**Contractual Correspondence for Architects and Project Managers** David Chappell, 2006-03-16 This book provides over 160 model letters with commentary for use with all the main JCT 2005 building contracts. It concentrates on problems which can arise during a project and draws on the author's extensive experience as a contracts consultant. It is a companion to the author's *Standard Letters in Architectural Practice* which covers more routine matters. The revised Fourth Edition takes account of the 2005 editions of the JCT Standard Building Contract, the Intermediate Building Contract and the Minor Works Building Contract both with their contractor's design versions ICD and MWD, the 2004 updates of the Standard Form of Agreement for the Appointment of an Architect, changes to case law since the last edition was published in 1996. It will be an invaluable guide for architects, building surveyors and project managers.

**Architect's Legal Handbook** Anthony Speaight, 2010-05-14 *Architect's Legal Handbook* is the most widely used reference on the law for architects in practice and the established leading textbook on law for architectural students. The ninth edition includes all the latest development in the law that affect an architect's work and comprehensive coverage of relevant UK law topics. Most significantly the chapter on the JCT contracts has been completely revised to cover the 2005 update. Contributions by the foremost legal and architectural experts in the UK. Full coverage of the JCT 2005 update. New chapter on procurement. Selected bibliography provides useful references to further reading. Tables of Cases, Statutes and Statutory Instruments provide full referencing for cited cases. *Architect's Legal Handbook* is the essential legal reference work for all architects and students of architecture.

**Standard Letters in Architectural Practice** David Chappell, 2009-03-16 This book provides over 300 standard letters for architects and contract administrators to use at all stages of contract administration. The letters are grouped into sections which correspond with the RIBA Plan of Work; the aim is to cover all the common situations encountered in practice. This Fourth Edition has been revised to take account of the extensive changes to virtually the whole of the JCT suite of building contracts. Unless otherwise stated, all letters are suitable for use with JCT Standard Building Contract SBC, JCT Intermediate Building Contract IC, JCT Intermediate Building Contract with contractor's design ICD, JCT Minor Works Building Contract MW, JCT Minor Works Building Contract

with contractor's design MWD JCT Design and Build Contract DB GC Works 1 1998 With Quantities Contract The latest edition also takes account of the CDM Regulations 2007 the revised RIBA Code of Conduct and its associated guidance notes and the RIBA standard agreements for the appointment of an architect issued in 2007 Architects and contract administrators spend a great deal of time writing letters of various types Many of them are routine and repetitive in character but they require proper consideration if potentially dangerous liability situations are to be avoided The book will be of use not only to architects and contract administrators but also to project managers and employers agents
