**Among Other Gods** Ravi Zacharias, 2000-10-12 You can't be friends with God if the God you believe in doesn't really exist You can't depend on God if your God is a figment of your imagination In a world full of gods how do you know Jesus is real You have probably heard things like All religions lead to the same God All faiths teach the same things It doesn't matter what you believe just that you believe sincerely But Jesus said that He alone is the way to God He alone shows us the truth of who God is He alone gives us life close to God In this youth edition of Jesus Among Other Gods Ravi Zacharias gives solid evidence as to why we should choose Jesus Christ as THE God among all other gods Zacharias contrasts the truth of Jesus with the founders of Islam Hinduism and Buddhism providing strong descriptions of each faith and solid defenses for the cause of Christ In addition to the religion comparisons the book answers questions such as What about all the hypocrites at church How scientific is science How can you best share what you believe and Does the Bible teach reincarnation You can never be too young to learn how to defend your faith and this book will tell you exactly how to do just that **Motive und**

Joel Van Hoogen, 2014-02-01 Do you believe in God It's a simple question and it's one you must ask unbelievers as you begin a gospel conversation with them It could lead him or her to making the most important decision anyone can ever make the decision to follow Christ Whether the answer to the question is yes no filled with philosophical imagery or intellectual smokescreens *Pathway to the Soul* Reaching People through Spirit Led Dialogue will give you the tools you need to face down your fears of sharing Christ and enter into the conversation with spiritually lost people *Making it Through a Storm* Rev. Dr. Terry Thomas, 2010-05-18 All people at some point in their lives will come upon difficult and trying circumstances that are traditionally characterized as a storm As much as we try with great valiant effort to avoid certain things no one can avoid the inevitable storm or storms that will occur in their life Storms are just part of the human condition and we are either coming out of a storm in a storm or heading for a storm Since we know that storms are one of life's certainties we should prepare to deal with them by equipping ourselves with the necessary knowledge and skills This is an imperative statement because if you are not prepared to deal with a storm then your life can easily be ripped apart by it In a very short period of time a storm can quietly and quickly remove things in your life that have taken you a lifetime to acquire You can be a very secure person but if you are not prepared a storm can uproot values that once nurtured and upheld your life like a stalwart tree uprooted from the ground Therefore if you want to know the things to do to make it through a storm *Making It through a Storm* is a book that you will want to read This book takes a look at what a group of people in 27th chapter of Acts did who made it successfully through a severe storm to learn the fundamental principles that one needs to embrace to make it through a storm *Making It through a Storm* will share with you some very insightful surprising inspirational and delightful things that will help you make it through a storm in manner that will strengthen and enhance your life Personal storms are common but pertinent aids to help us in understanding and surmounting them are rare indeed This book is one such rare aid and its pages are filled with wisdom shared from a warm heart Dr James Earl Massey Dean Emeritus and Distinguish Professor at Large Anderson University School of Theology *Courage for the Unknown Season* Jan Silvius, 2017 We all face seasonal changes The

Childress, John S. Knox, 2022-04-07 Is the modern Christian church losing the battle against postmodern society and the current hate culture Deconverted reflects research gathered from interviews with once self professed Christians who have now walked away from the church and their previously deeply held religious beliefs With so much at risk in the lives of postmodern seekers who is being misled and what apologetical truths can the church learn from this phenomenon Indian Secularism and Religious Freedom Aruthuckal Varughese John, 2024-11-07 The book intricately examines secularism in India presenting it as a complex tapestry of social struggles which introduces assumptions not shared by traditional Hindu culture These cross pressures influence both societal and legal realms affecting how secularism is implemented The work suggests that these pressures originate from the doctrines that shape India's social fabric and culture It investigates whether secularism inherently assumes specific theological or cultural doctrines thus affecting its cultural manifestation By focusing on the intersection of religious freedom with human rights and legislation concerning the contentious issue of religious conversions the book delves into these complexities The Ghent school attempts to address these tensions by advocating for a Hindu interpretation of religious freedom However acknowledging the truth claims of all religious beliefs offers a better approach to mediating between the constitution and Hindu tradition Additionally it highlights how Christian converts have developed adaptive mechanisms that blend their faith with traditional Hindu culture This synthesis of beliefs and practices or hybrid lifestyles may provide a potential path forward reflecting a response to the experienced cross pressures

Dimensions of Faith Steve Donaldson, 2015-07-28 In Dimensions of Faith cognitive scientist Steve Donaldson takes readers on a journey from the world of assumptions set minds widely varying beliefs and popular misconceptions to an understanding of the true essence and role of faith as the natural and inevitable product of brains Using numerous illustrations and examples Donaldson shows how faith is necessitated by a variety of unavoidable limitations exposes the myth of a divide between faith and critical thinking provides practical advice for crafting coherent beliefs and explains why there can never be such a place as Factland Along the way he takes a special look at religious faith evaluating its attributes exploring its relation to other manifestations of faith investigating whether God has done his job well enough to warrant the faith placed in him and pondering how truth seekers can sometimes end up in very different places **Jesus on Trial** David

Limbaugh,2014-11-17 In Jesus on Trial New York Times bestselling author David Limbaugh applies his lifetime of legal experience to a unique new undertaking making a case for the gospels as hard evidence of the life and work of Jesus Christ Limbaugh a practicing attorney and former professor of law approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew Mark Luke and John His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian Ultimately Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry including his examination of historical and religious evidence beyond the gospels and thereby affirms Christian faith spirituality and tradition *Prizing His Passion* John S. Oldfield,2019-04-30 Ideal for Lent but useful at any season and on any reading schedule *Prizing His Passion* will help both the curious and the committed to grasp the immense significance of the sufferings of Jesus of Nazareth on behalf of sin plagued humans Approaching the relevant biblical truths from multiple angles it will provide you with a deeper understanding of what He experienced and said during the hours that culminated in His death on a first century Roman cross It will reveal the reality and relevance of it all for you as you struggle to find your spiritual footing here in the twenty first century Godspeed as you travel the road to Golgotha to Calvary *Life God's Gracious Gift* W.D. Lewis,2021-08-31 God is looking for people who will commit their lives for the sake of his Kingdom God is looking for people who will move from the conversion experience to live as Christ lives God is looking for people who will become Christ like That kind of life takes more than courage It takes more than insight It takes the very Spirit of Christ living within us and empowering our lives every day If you will commit your life to Jesus Christ you will begin to think just as he thinks The Savior will enable you to lay your life on the line as he did You must spend your life on something why not make it something eternal **Essential Knowledge, Volume One** ,2007
