Satirical and humorous play      **Yesterday's Melodies Today's Memories** Manek Premchand, 2018-12-27 Yesterday's Melodies Today's Memories is a rare collection of profiles of all important music makers of the Hindi Film Industry between 1931 and 1970. It not only gives a biographical background of each music artiste but it goes further to interview many of the surviving giants and completes the task by listing some of the best songs with which that person is associated. Here are singers that include the whole gamut from KL Saigal to Asha Bhosle, lyricists that include Sahir and Gulzar, music composers from Naushad to RD Burman, artistes that were part time singers and full time actors like Ashok Kumar, melody queens like Noor Jahan and Lata Mangeshkar, gentlemen lyricists like Prem Dhawan and gentlemen singers like Manna Dey, mischief makers like Kishore Kumar and rebels without a pause like OP Nayyar and Majrooh Sultanpuri. In fact, this book is a house in which all these great talents live happily, each in a separate room, given space for self-expression. The serious research that has gone into this book is evident as you move from one chapter to another, opening layers after layers presented non-seriously. Over 100 music makers are presented this way and many more in a huge single chapter.      **After Midnight** Meghaa Gupta, 2022-08-15 At the time of independence, few believed that a country made up of over 500 princely states and British provinces could survive as a nation even for a few years. That a land stripped of its riches, wracked by disease and famine and divided along tense communal lines could thrive in its ambition and aspirations. Yet in 75 years since independence, India has grown beyond anyone's expectation. Today it's an Asian powerhouse poised to become the third largest economy in the world. In many ways, this is one of the greatest underdog beating the odds stories in world history. How did India get this far? What were the sweeping social, cultural, scientific, political, military, environmental, and economic developments it witnessed along the way? Interspersed with personal anecdotes, illustrations, infographics, informative timelines, and pull quotes, *After Midnight* gives a powerful context to the present and revels in the diverse and remarkable ideas that have come to shape this great nation. It attempts to provide young readers with perspective, meaning, and food for thought as they try to comprehend the many facets of this fascinating country. This well-researched, accessible, and definitive handbook tells the story of India like never before.      [Vocabulary Advantage GRE/GMAT/CAT and Other Examinations](#) , ,

**Love in the Time of Hate** Rakhshanda Jalil, 2024-05-14 Kabhi hum bhi tum bhi the aashna tumhein yaad ho ke na yaad ho. Once you and I were friends, whether you remember it now or not. Momin Khan Momin. This is a book about love, love for one's country and for all that goes to make it one, we can be proud to belong to. Poetry, it has been said, flourishes when all else is uncertain. With that in mind, renowned literary historian and translator Rakhshanda Jalil uses Urdu poetry to look at how the social fabric of secular India is changing. Rakhshanda delves into the past to the events that have threatened communal harmony: from the bloodletting of partition or the politics of successive elections to communal riots in Mumbai, Gujarat, and so on to the present moment to recent events around Ayodhya, cow slaughter, and love jihad. The book is divided into four sections: politics, people, passions, places. Strewn with delightful, thoughtful Urdu couplets that bring depth, lyricism,

and gravitas to the narratives the writer cautions us against current popular sentiments based on hating the other Living in an India that now requires us to be resolutely one or the other all of us are losing the wonderful capacity to contain within ourselves many seemingly diverse ideologies and beliefs which is a motif that is reiterated through the verses and words in this book The section titled People has the most delightful charming vignettes of popular icons from Tipu Sultan and Rani Lakshmi Bai to Gandhi and Nehru from Ghalib and Majaz to Dilip Kumar and Lata Mangeshkar viewed through an Urdu lens that makes each person memorable unique and an advocate of peace and unity From essays doused in the language of secular patriotism like Har Dil Tiranga to pieces redolent with nostalgia like Dopahar ki Dhoop Mein Rakhshanda invokes the power of love inclusivity and communal harmony that is the trademark of poetry and literature and which must continue to permeate the way we live our lives if we want to bequeath a meaningful legacy to the generations to come in our country
