About Research however only ordinary watches will be permitted Watches with alarms calculator functions flashing lights  
beeping sounds etc will not be allowed in the test site No food will be allowed into the examination room During the Test  
When you arrive at the test center you will be assigned a seat in the examination room by a member of the test site staff You  
will not receive a break during the examination If you need to use the rest room or if you become ill you may leave the  
examination room but you must first give the test supervisor your identification documents before you leave the room If you  
do leave the room you will not be allowed to make up any lost time Once you enter the test site follow all the instructions  
given by the test supervisor If you do not you risk being dismissed from the examination or having your ELPT scores voided  
they will not be scored Your answer sheet will not be scored and your test payment will not be refunded if you try to remove  
a test booklet an answer sheet or any tape from the test center All the test materials are the property of Educational Testing  
Service and legal action may be taken against you if you try to take home test materials or copy them in any way There are  
also regulations that if not followed will void your answer sheet and then your test payment will not be refunded for any  
reason Check your ELPT handbook for a list of these regulations When all of the test materials have been passed out the test  
instructor will give you directions for filling out one side of your answer sheet You must fill out this sheet carefully since this  
information will be printed on your score report Fill out your name exactly as it appears on your identification documents  
unless otherwise instructed Remember to write in the margins and spaces of your test booklet leaving notes for yourself to  
return to a question or just to cross out incorrect answers Make sure you do not write on your answer sheet except to fill in  
the oval corresponding to the answer you chose You will be marking your answers on the side two of your answer sheet Each  
numbered row will contain four ovals corresponding to each answer choice for that question Fill in the oval which  
corresponds to your answer darkly completely and in a neat manner You can change your answer but remember to  
completely erase your old answer Only one answer should be marked This is very important as your answer sheet will be  
scored by machine and stray lines or unnecessary marks may cause the machine to score your answers incorrectly Only work  
on the section of the test which the test instructor has instructed you to work on You should begin only when instructed to do  
so and stop immediately when instructed to end Do not turn to the next section of the test until you are told to do so When all  
of the sections have been completed you should remain seated until all of the test materials have been collected You will have  
to wait for your test results to arrive in the mail which usually takes about one month
