## Return Of The King:

**The Return of the King's Ranger** Angela K. Couch,2019-08-23 The war for American freedom is over and the British have gone back to England Not knowing what has become of his family since he was forced into the Continental Army nine years earlier Myles Cunningham wants to go home as well He returns to the Mohawk Valley with the understanding that he is believed to have been shot for deserting fiction that might be made real if anyone recognizes him as the son of a Tory and a King s Ranger Everything is wonderful in the growing community along the Mohawk River except Nora Reid is still alone With her brother happily settled and both her younger sisters starting families of their own Nora feels the weight of her twenty four years A long walk leads her to the overgrown rubble of the Cunningham homestead where a bearded stranger begins to awaken feelings she d lost hope of ever experiencing With secrets abounding including whether Myles even cares for her Nora must determine what she is ready to give up and how far she will go to secure his affections She begins to break through his defenses but Myles can t risk staying Not if he loves her The "SUPERWHELMING", "GLORIOUSTOUNDING", "MEGAMIRACULOUS" Return of the King of Kings and Pretentious Interloper Cedric Fisher,2024-06-19 Complaints are replete on social media and everywhere people gather to sip coffee and opine about the world s ills Something is wrong with American society A few years ago people were saying I don t know how it can get worse It is worse and going to get worse The reality and angst of watching it disintegrate have pressed many people into apathy They have latched onto the belief that God will not permit them to suffer the consequences of the world s wicked rebellion Instead Christ will snatch them off the earth and out of danger during a split second secret coming There is an alternative to apathy and fantastical notions It is the central focus of biblical eschatology the superwhelming glorioustounding megamiraculous return of the King of kings *The Good News of the Return of the King* Michael T. Jahosky,2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R Tolkien s The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many *The Return of the King, An Overview of the New Testament (Pt 4)* Bob Evelyn,2018-04-29 The Return of the King is an overview of the New Testament This is part 4 of 4 parts **The Fall of Cromwell's Republic and the Return of the King** Timothy Venning,2023-04-20 This book completes the series of studies of the British Revolution of the Three Kingdoms of England and Wales Scotland and Ireland and covers the period

from the fall of the failed state and Protectorate in 1657 to the restoration of the Stuart monarchy and Charles II in 1660 examines the Restoration settlement in depth and a high point in Stuart pro French and Catholic policy contrary to the 1660 Restoration understanding when Charles II vowed reluctance go on his travels again and follows the Stuart Restoration and pro French and pro Catholic foreign policy to 1670 Cromwell's death had signaled the end of an overarching figure who held the failing state together and began England's nascent great power foreign and colonial policy It covers Richard Cromwell's emergence and as a figure far from the Tumbledown Dick of popular legend Also the remarkable role of General George Monck as the genial military man guiding the failing and chaotic state to Restoration and stability Monck underpinned the gentry and merchant class as the root of state and society which outlived civil wars military dictatorship political chaos and Stuart monarchical rule

**Return of a King** William Dalrymple, 2013-02-04 SHORTLISTED FOR THE SAMUEL JOHNSON PRIZE 2013 As taut and richly embroidered as a great novel a masterpiece Sunday Telegraph Dazzling Sunday Times Magnificent Guardian Sparkling Daily Telegraph A towering history of the first Afghan War by bestselling historian William Dalrymple In the spring of 1839 Britain invaded Afghanistan for the first time Nearly 20 000 British and East India Company troops poured through the high mountain passes and re-established on the throne Shah Shuja ul Mulk On the way in the British faced little resistance But after two years of occupation the Afghan people rose in answer to the call for jihad and the country exploded into violent rebellion The First Anglo Afghan War ended in Britain's greatest military humiliation of the nineteenth century an entire army of the then most powerful nation in the world ambushed in retreat and utterly routed by poorly equipped tribesmen Using a range of forgotten Afghan and Indian sources William Dalrymple's masterful retelling of Britain's greatest imperial disaster is a powerful parable of colonial ambition and cultural collision folly and hubris Return of a King is history at its most urgent and important

**The Return of King Arthur** Beverly Taylor, Elisabeth Brewer, 1983 The revival of interest in Arthurian legend in the 19th century was a remarkable phenomenon apparently at odds with the spirit of the age Tennyson was widely criticised for his choice of a medieval topic yet The Idylls of the King were accepted as the national epic and a flood of lesser works was inspired by them on both sides of the Atlantic Elisabeth Brewer and Beverly Taylor survey the course of Arthurian literature from 1800 to the present day and give an account of all the major English and American contributions Some of the works are well known but there are also a host of names which will be new to most readers and some surprises such as J Comyns Carr's King Arthur rightly ignored as a text but a piece of theatrical history for Sir Henry Irving played King Arthur Ellen Terry was Guinevere Arthur Sullivan wrote the music and Burne Jones designed the sets The Arthurian works of the Pre Raphaelites are discussed at length as are the poems of Edward Arlington Robinson John Masefield and Charles Williams Other writers have used the legends as part of a wider cultural consciousness The Waste Land David Jones's In Parenthesis and The Anathemata and the echoes of Tristan and Iseult in Finnigan's Wake are discussed in this context Novels on Arthurian themes are given their due place from the satirical scenes of Thomas Love

Peacock's *The Misfortunes of Elphin* and Mark Twain's *A Connecticut Yankee at King Arthur's Court* to T.H. White's serio-comic *The Once and Future King* and the many recent novelists who have turned away from the chivalric Arthur to depict him as a Dark Age ruler. *The Return of King Arthur* includes a bibliography of British and American creative writing relating to the Arthurian legends from 1800 to the present day. [Stuart Succession Literature](#) Paulina Kewes, Andrew McRae, 2019. Moments of royal succession which punctuate the Stuart era 1603-1714 occasioned outpourings of literature. Writers including most of the major figures of the seventeenth century from Jonson, Daniel and Donne to Marvell, Dryden and Behn seized upon these occasions to mark the transition of power to reflect upon the political structures and values of their nation and to present themselves as authors worthy of patronage and recognition. This volume of essays explores this important category of early modern writing. It contends that succession literature warrants attention as a distinct category appreciated by contemporaries, acknowledged by a number of scholars but never investigated in a coherent and methodical manner. It helped to shape political reputations and values across the period. Benefitting from the unique database of such writing generated by the AHRC funded Stuart Successions Project, the volume brings together a

distinguished group of authors to address a subject which is of wide and growing interest to students both of history and of literature It illuminates the relation between literature and politics in this pivotal century of English political and cultural history Interdisciplinary in scope the volume will be indispensable to scholars of early modern British literature and history as well as undergraduates and postgraduates in both fields      His return from exile Anthony Trollope, 1880
