Riders in the chariot Patrick White, 1961 Riders in the Chariot, Patrick White John Colmer, 1978 Riders in the Dissociation and Wholeness in Patrick White's Fiction Laurence Steven, 1989-08-23 Chariot Patrick White, 1961 Patrick White is a man divided one part of him strives for permanence surety the ideal while knowing the contingent temporal realm he inhabits must inevitably undermine such striving The desire and the knowledge of its futility leads him into a misanthropic devaluation of human creative possibility and complementarily into the arbitrary use of imposed symbolic resolutions directed to an elect who can see It has been this part of White largely that criticism has been industrious in explicating if not in guite the terms I have used above But there is another part of White whic Patrick White's Fiction Carolyn Bliss, 1986-08-18 This study examines all eleven novels of Patrick White the great Australian writer and Nobel Prize winner It begins from the observation that major characters in his novels undergo a necessary redemptive or facilitating failure This failure paradoxically enables their success within the context of what White has called the overreaching grandeur which circumscribes human existence Evolution of this theme is traced through forty years of White s fiction from his first novel Happy Valley 1939 to his most recent work The Twyborn Affair 1979 Comprehensive in its scope this book is informed by a thorough knowledge of White's poetry plays short stories and autobiography as well as his novels It is also unique in stressing that White s world view derives from a distinctly Australian experience It thus links him to a country in which he is deeply rooted and to a heritage he continued to affirm Riders in the Chariot Patrick White, 2011-06-30 WITH AN INTRODUCTION BY DAVID MALOUF Through the crumbling ruins of the once splendid Xanadu Miss Hare wanders half mad In the wilderness she stumbles upon an Aborigine artist and a Jewish refugee They place themselves in the care of a local washerwoman In a world of pervasive evil all four have been independently damaged and discarded Now in one shared vision they find themselves bound together understanding the possibility of redemption Patrick White John Colmer, 1978

Reading Corporeality in Patrick White's Fiction Bridget Grogan,2019-03-25 In Reading Corporeality in Patrick White s Fiction An Abject Dictatorship of the Flesh Bridget Grogan combines theoretical explication textual comparison and close reading to argue that corporeality is central to Patrick White s fiction shaping the characterization style narrative trajectories and implicit philosophy of his novels and short stories Critics have often identified a radical disgust at play in White s writing claiming that it arises from a defining dualism that posits the purity of the disembodied spirit in relation to the pollution of the material world Grogan argues convincingly however that White s fiction is far more complex in its approach to the body Modeling ways in which Kristevan theory may be applied to modern fiction her close attention to White s recurring interest in physicality and abjection draws attention to his complex questioning of metaphysics and subjectivity thereby providing a fresh and compelling reading of this important world author

Rühl, 2003 Patrick White's Riders in the Chariot John Colmer, 1978 Art and the Beauty of God Richard Harries, 2000-01-01 In recent centuries with the notable exception of Hans Urs von Balthasar Christian theology has failed to find a proper place for beauty The Bishop of Oxford Richard Harries shows how a biblical faith can give a key place to beauty and he argues for a distinctively Christian approach to art that is also sensitive to the spiritual dimension in all art Originally published in 1993 Art and the Beauty of God was selected by Anthony Burgess as his book of the year This reprinted edition makes Harries eloquent study available again The Oxford Handbook of Christology Francesca Aran Murphy, 2015-09-24 The Oxford Handbook of Christology brings together 40 authoritative essays considering the theological study of the nature and role of Jesus Christ This collection offers dynamic perspectives within the study of Christology and provides rigorous discussion of inter confessional theology which would not have been possible even 60 years ago The first of the seven parts considers Jesus Christ in the Bible Rather than focusing solely on the New Testament this section begins with discussion of the modes of God's self communication to us and suggests that Christ's most original incarnation is in the language of the Hebrew Bible The second section considers Patristics Christology These essays explore the formation of the doctrines of the person of Christ and the atonement between the First Council of Nicaea in 325 and the eve of the Second Council of Nicaea The next section looks at Mediaeval theology and tackles the development of the understanding of who Christ was and of his atoning work The section on Reformation and Christology traces the path of the Reformation from Luther to Bultmann The fifth section tackles the new developments in thinking about Christ which have emerged in the modern and the postmodern eras and the sixth section explains how beliefs about Jesus have affected music poetry and the arts The final part concludes by locating Christology within systematic theology asking how it relates to Christian belief as a whole This comprehensive volume provides an invaluable resource and reference for scholars students and general readers interested in the study of Christology BA Semester 6 English Paper 1 חחח חחחחחח 6 חחחחחחח חחחח 1- חחחחחחחחחח Saral Study Group חחחחחחחחחחח,2025-04-03 BA Semester VI English Paper I Saral Prashnottar Questions and answers for English semester VI paper I of Undergraduate courses of Indian universities in line with National Education Policy 2020 2020 VI I Coterminous Worlds, 2020-10-12 The present collection of essays endeavours to furnish informed responses to central questions posed by the editors Is the fact that the marvellous coexists with the factual and never resolves itself into the supernatural an indication that the whole literary project of magical realism is an instrumental and representational form which can be regarded as particularly suitable for reconciling dichotomies and oppositions otherwise experienced as intolerable Was magical realism an explosive process in cultural dynamics taking place at intersections of heterogeneous cultures most favourable to the efflorescence of this type of literature The authors of the various essays on Patrick White and David Malouf Ben Okri Syl Cheney Coker Robert Kroetsch Gwendolyn MacEwan Jack Hodgins Salman Rushdie Janet Frame Wilson Harris and others provide a dynamic focus on the reality at stake beneath the
